California's
MASTER PLAN FOR AGING

Governor Gavin Newsom Calls for Creation of a Master Plan for Aging

Executive Order N-14-19

Governor's [Executive Order](#) calls for the Secretary of the Health and Human Services (HHS) Agency to convene a cabinet-level Workgroup for Aging to advise the Secretary in developing and issuing the Master Plan.

The order also directs HHS to convene a Master Plan for Aging Stakeholder Advisory Committee, which will include a Research Subcommittee and a Long-Term Care Subcommittee with an interest in building an age-friendly California.

Vision: California for All

Mission

Person-Centered, Data-Driven
Master Plan for Aging
2020-2030

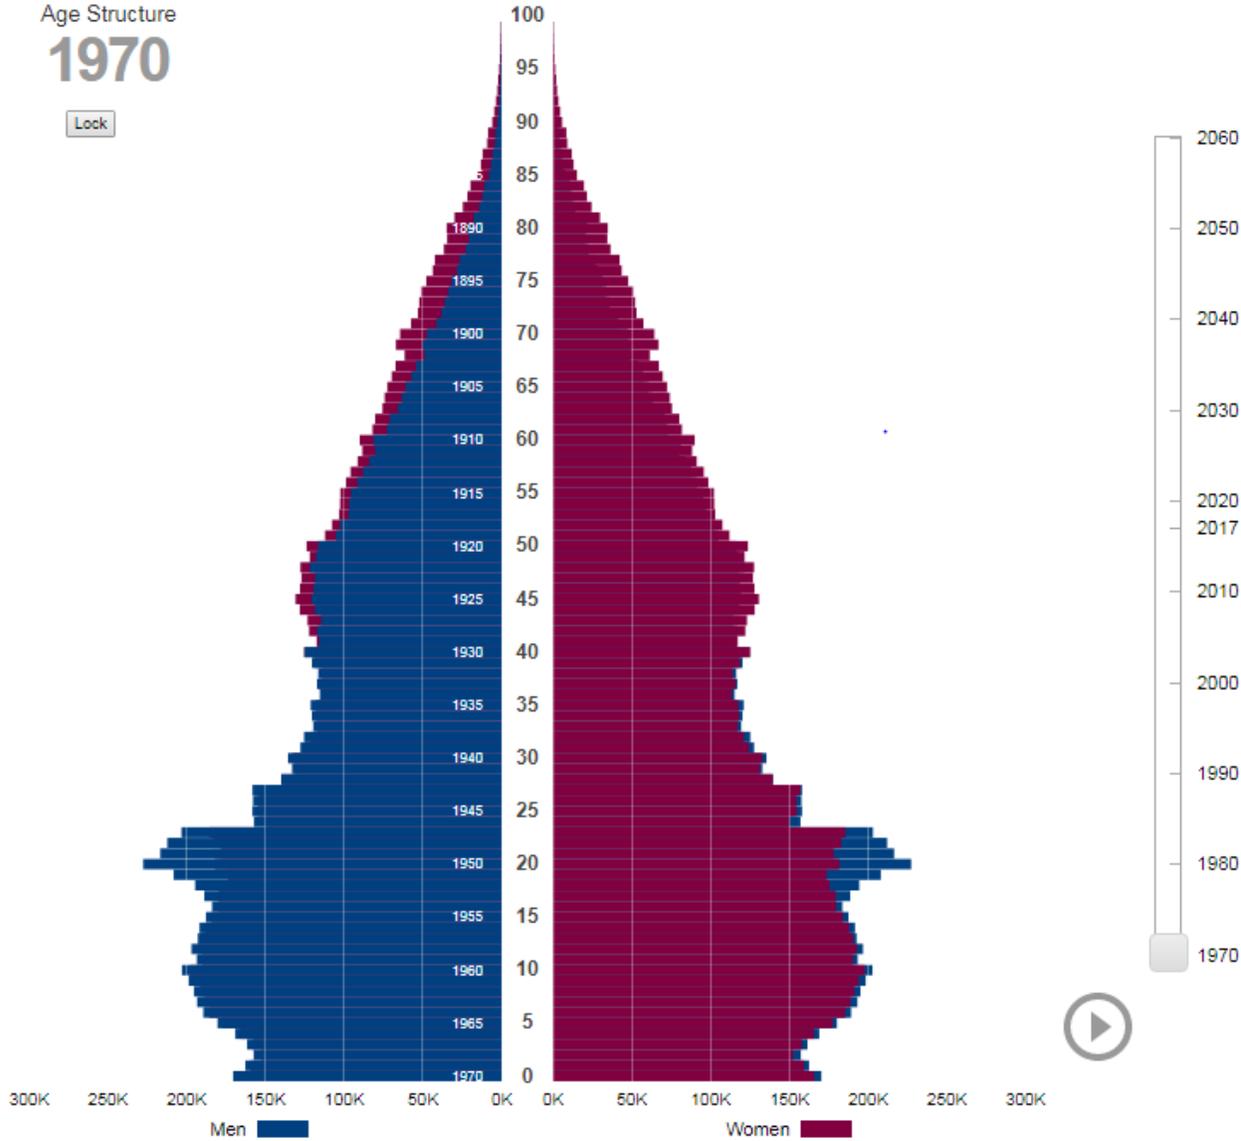

Values

- Choices – access, quality, autonomy
- Dignity and end to ageism and able-ism
- Inclusion and accessibility
- Equity for all and responsiveness to cumulative inequities across the life span
- Innovation and evidence-informed
- Partnership

Person-Centered Goals – *in development*

Goal 1: We will live where we choose as we age and have the help we need to do so.

Goal 2: We will live in and be engaged in livable communities for all ages and abilities.

Goal 3: We will have good health and wellness as we age.

Goal 4: We will have economic security and be safe from abuse, neglect, exploitation, and emergencies throughout our lives.
