Master Plan for Aging
Stakeholder Advisory Committee**

Catalog of Prior Aging Reports/ Strategic Aging Plans

The California Department of Aging has compiled a list of reports and plans related to prior efforts to create a master plan for aging. While this may not be an exhaustive list, it should provide a point of reference for anyone interested in learning more about California's efforts to create a Master Plan for Aging.

- *Planning for California's Growing Senior Population*, Public Policy Institute of California (August 2015).
