Q1 Define the problem: [Outline the challenge(s) your recommendation will address. Insert links to reports where appropriate.]

Senior drivers who stay home rather than go places where parking is difficult or impossible

Q2 Pick your Master Plan for Aging goal(s): [Check the goal(s) your recommendation aims to fulfill. View MPA Framework document for reference]

Goal 1: Services & Supports. We will live where we choose as we age and have the help we and our families need to do so.

Q3 Choose your MPA Framework objective: [Check the objective(s) your recommendation will accomplish. View MPA Framework document for reference.]

Objective 2.2: Californians will age with lifelong opportunities for social and civic engagement, volunteering, learning, and leadership.

Q4 Outline your recommendation: [In one to two sentences, sketch out your idea for the Master Plan for Aging.]

Include the need for adequate parking facilities in all community recommendations
Many seniors live far from public transportation or fear it in the evening. We drive yet hesitate to go where parking is impossible or difficult. In the understandable emphasis on biking lanes and mass transport remember the senior who drives and needs safe parking at her destination. Thank you.

Q5 Identify and quantify your target population: [Describe which groups of Californians will be impacted by this recommendation, with numbers if available.]

Senior drivers for whom mass transportation is inaccessible or undesirable and who want to attend community events

Q6 Share your recommendations for an age-friendly California: [Insert detailed bullet points describing your Master Plan for Aging ideas.]

Consider that adequate parking be required in all community plans

Q7 Provide any supporting evidence for your recommendation: [Add links or summaries of research evidence that support your unique vision.]

Talk to seniors

Q8 Give examples of local, state or national initiatives that can be used as an example of best practices: [Provide any available links and sources.] Local: State: National: Other:

Respondent skipped this question

Q9 Provide a roadmap to implementation: [Insert any actions state agencies, legislators, counties, local government, or philanthropy can take to move this recommendation forward. Some of the entities listed below may or may not be applicable to each recommendation.] State Agencies/Departments: [action to be taken by Governor or specific state agencies] State Legislature: [legislation needed to implement recommendation] Local Government: Federal Government: Private Sector: Community-Based Organizations: Philanthropy: Other:

Respondent skipped this question

Q10 Identify person-centered metrics: [What are the individual measures of inputs or outcomes that can be used to predict your recommended action's impact on people.]

Respondent skipped this question

Q11 Measuring Success: [Describe specific metrics that could be used to empirically measure the effectiveness of your recommendation]

Respondent skipped this question

Q12 Measuring Success: [How would we know that the implementation of your recommendation is successful?]

Respondent skipped this question

Q13 Provide data sources: [What existing data can be used to measure success or progress?]: Existing data sources: [specify datasets, variables, and data owner/location] Suggestions for data collection to evaluate implementation of this goal when no data sources exist:

Respondent skipped this question

Q14 Identify potential costs and/or savings: [Provide any research, actuarial analysis or other evidence of the cost of, or potential savings from, implementing your recommendation.]

Respondent skipped this question

Q15 Prioritize your recommendation: [How would you prioritize your recommendation relative to other needs/priorities?]

Medium

Q16 Contact information: [Let's stay in touch!]
