Sorry, I am out of town. Will you cover transportation for the seniors. It is a real problem, which need fixing. Lack of mobility isolates seniors. Interaction with people of similar age group, will contribute to the health of the seniors

Master Plan for Aging In-Home Services and Supports Listening Session

Dear Stakeholders,

The California Department of Social Services, in collaboration with the Master Plan for Aging Long-Term Services and Supports Subcommittee, will host a Central Valley public forum on the sustainability and future of the In-Home Supportive Services (IHSS) program on Tuesday, December 3, from 2:00 p.m. to 4:00 p.m. at the Stanislaus Veterans Center in Modesto. The meeting is open to the public. A call-in option is also available: 888-324-3619; passcode: 5400081.

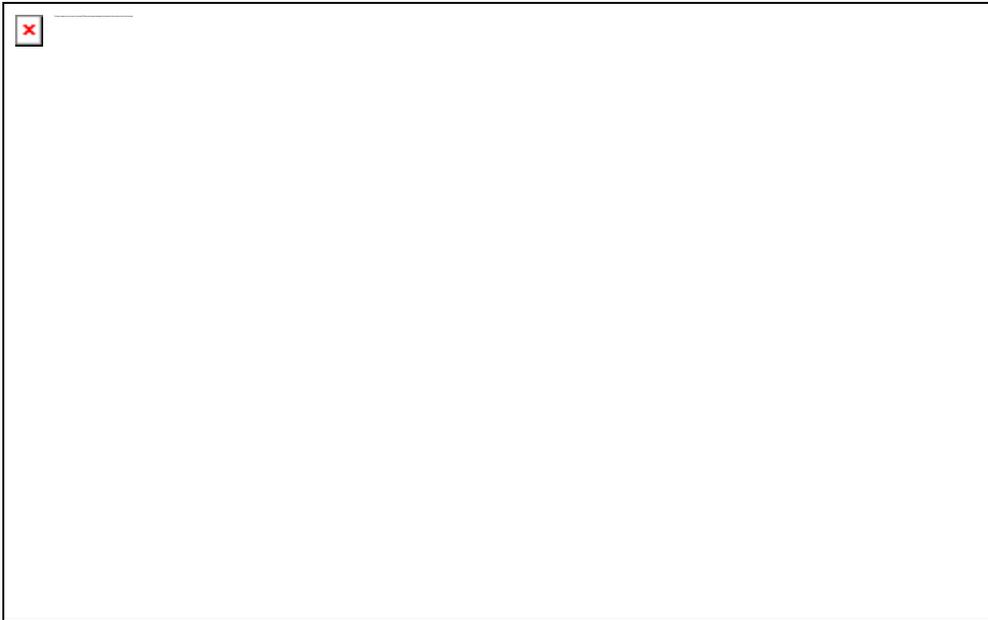

This listening session will give IHSS recipients, providers and other stakeholders an opportunity to discuss sustainability strategies and IHSS program enhancements. These ideas will be shared with the LTSS subcommittee.

Stanislaus Veterans Center
3500 Coffee Rd., Suite 15
Conference Room 114/115
