Subject: Recommendation for seniors

I am a 73 year old woman, living in Tracy.

In the past year I have had the privilege of being a juror on the San Joaquin Civil Grand Jury, and presently I represent District 5 (San Joaquin County) on the county's Commission on Aging.

I believe it is imperative that seniors are encouraged to challenge themselves by continuing to learn and create and engage. And to that end, it is important for the state to ensure their cities and counties look into vibrant learning centers for all seniors.

One such group, that I have been fortunate enough to be a member of, is the OLLI (Osher Lifelong Learning Institute) program out of the University of the Pacific.

They offer lectures, talks, seminars, classes all directed at seniors.
