Q1 Issue Statement: [State the problem your recommendation will address. Insert links to reports where appropriate.]

Rural counties generally do not receive their fair share of funding when a smaller organization is swallowed up by a larger entity. In the rural counties, keep the OAA dollars with the non-profits and JPAs.

Q2 MPA Framework Goal #: [Check which goal/s this recommendation addresses. View MPA Framework document]

Goal 1: Services & Supports. We will live where we choose as we age and have the help we and our families need to do so.

Goal 3: Health & Well-being. We will live in communities and have access to services and care that optimize health and quality of life.

Q3 MPA Framework Objective #: [Check which objective/s this recommendation addresses. View MPA Framework document]

Respondent skipped this question

Q4 Recommendation: [Explain your recommendation in one to two sentences.]

The OAA funds in rural counties must be kept with the non County-based AAAs. This specifically supports Goal #1 & Goal #3 - live where we choose as we age and support quality of life.

Q5 Target Population and Numbers: [Describe groups of Californians impacted by this recommendation, with numbers if available.]

Four county area number of seniors served - 3,704 for FY18-19 in four county rural area - meals, transport, minor home repair, chore, MSSP services to keep them in their homes and in their community.

Master Plan for Aging (MPA) Recommendation Form

Q6 Detailed Recommendation: [Insert detailed bullet points describing your recommendation.]

- Rural counties, non profits and JPAs,
 - lower personnel costs,
 - lower admin costs,
 - high accountability,
 - invested staff,
 - history of success with OAA programs,
 - multi-county ability to use the monies cost effectively,
 - aware of local needs
-

Q7 Evidence that supports the recommendation: [Add links or summaries of research evidence that support the recommendation. Provide links or summaries of research evidence that support your recommendation]

Read the reports from CDA regarding the number of clients served, quality of service provided and extent of keeping aging participants in their communities as they age.

Q8 Examples of local, state or national initiatives that can be used as an example of a best practice: [Provide any available links and sources.] Local: State: National: Other: **Respondent skipped this question**

Q9 Implementation: [Insert actions state agencies, legislators, counties, local government, or philanthropy can take to move this recommendation forward. Some of the entities listed below may or may not be applicable to each recommendation.] State Agencies/Departments: [action to be taken by Governor or specific state agencies] State Legislature: [legislation needed to implement recommendation] Local Government: Federal Government: Private Sector: Community-Based Organizations: Philanthropy: Other: **Respondent skipped this question**

Q10 Person-Centered Metrics: [Individual measures of inputs or outcomes that can be used to measure the recommended action's impact on people.] **Respondent skipped this question**

Q11 Measuring Success: [Describe specific metrics that could be used to empirically measure the effectiveness of your recommendation] **Respondent skipped this question**

Q12 Measuring Success: [How would we know that the implementation of your recommendation is successful?] **Respondent skipped this question**
