Research Subcommittee Meeting Captioners Transcript
August 26, 2020**

00:02:50.000 --> 00:02:56.000

>> THANK YOU, WE WILL DO A QUICK ROLL CALL FOR RESEARCH SUB COMMITTEE MEMBERS, I WILL READURE NAME, HERE OR PRESENT IF YOU ARE HERE, IF YOU ARE SUB COMMITTEE MEMBER AND YOU DON'T HAVE OPTION TO UNMUTE

00:02:56.000 --> 00:02:59.000

YOU MAY HAVE JOINED AS A MEMBER OF THE PUBLIC, IN THAT CASE, USE YOUR RAISE HAND

00:02:59.000 --> 00:03:17.000

OR PRESS STAR 9 WE WILL OPEN YOUR LINE

00:03:17.000 --> 00:03:47.000

WE WILL START WITH GOAL 1. (CALLING NAMES) (ROLL CALL)

00:04:22.000 --> 00:04:24.000

>> ALL RIGHT, GOAL 3, (CALLING NAMES) (ROLL CALL) OKAY, I THINK THAT'S IT, CAN WE GO TO THE NEXT SLIDE?

00:04:24.000 --> 00:04:54.000

>> ONE MORE SLIDE

00:04:57.000 --> 00:05:10.000

>> THERE'S ONE MORE. OKAY, (CALLING NAMES) (ROLL CALL)
THANK YOU VERY MUCH AT THIS TIME I WILL PASS IT BACK TO YOU

00:05:10.000 --> 00:05:17.000

>> THANK YOU SO MUCH, WONDERFUL TO SEE YOU VIRTUALLY
AS WE WORK IN NEW WAYS AND WONDERFUL BACKDROPS WE
HAVE, AND EVEN IN THE PREMEET WE ACKNOWLEDGE WE HAVE
FAMILY AND PETS AND LIFE HAPPENING

00:05:17.000 --> 00:05:21.000

ALL ARE WELCOME HERE AS WE GATHER AND CONTINUE THE
WORK FORWARD IN UNPRECEDENTED TIMES

00:05:21.000 --> 00:05:49.000

LOOK AT THE TIME LINE AND FOCUS WHERE WE ARE.

00:05:49.000 --> 00:05:58.000

GOSH, OVER A YEAR AGO, LAST JUNE, THE GOVERNOR ISSUES
THE ORDER THAT CLEARLY CALLED FOR A RESEARCH SUB
COMMITTEE, ONE OF TWO STANDING SUB COMMITTEES AND
DIRECTED US TO DO A PERSON-CENTERED DATA DRIVEN MASTER
PLAN FOR AGING OVER THE NEXT TEN YEARS TO GUIDE OUR
STATE INTO THE NEW FUTURE THAT WE ARE ALREADY BEGINNING
TO ENTER OF MORE AGING AND DIVERSITY OF AGING

00:05:58.000 --> 00:06:04.000

GREATER UNDERSTANDING OF THAT DIVERSITY AND PROMISE OF
AGING, WE WERE MOVING INTO A VERY ROBUST PROCESS OF
CONSULTATION BETWEEN THE VARIOUS POLICY AND PROGRAM
AREAS AND RESEARCH SUB COMMITTEE

00:06:04.000 --> 00:06:24.000

IN MARCH, COVID-19 REALLY CHANGED EVERYTHING FOR ALL OF US IN SO MANY WAYS

00:06:24.000 --> 00:06:46.000

WHILE THE PROCESS PAUSED IN MARCH, AND RESUMED IN MAY, WE DO NEED TO ACKNOWLEDGE THAT THE RESEARCH SUB COMMITTEE PROCESS GOT THE MOST IMPACT OF THAT, MONTH BY MONTH PLAN WE HAD OF VERY THOUGHTFUL STRUCTURED CONSULTATION ONE AT A TIME WITH EACH ISSUE AREA HAS GOTTEN VERY COMPRESSED

00:06:46.000 --> 00:07:04.000

SO, COUPLE THINGS I WANT TO SAY, ABOUT THAT AS WE SET THE TABLE FOR YOUR WORK TODAY, FIRST OF ALL, THANK YOU, FOR UNDERSTANDING THAT WE ARE IN A NEW LAND AND TRYING TO MAKE THIS WORK AND CONTINUE TO MEET THE GOVERNOR'S EXPECTATION OF A MASTER PLAN, NO LONGER IN OCTOBER, BY DECEMBER, GOT A 2 MONTH EXTENSION

00:07:04.000 --> 00:07:06.000

THANK YOU FOR THE--ALL THE WORK THAT HAPPENED THIS SUMMER, AS I MENTIONED HAS NOT BEEN A MEETING IN A MONTH BUT EVERY ONE OF YOUR E-MAILS IS EK NIEZABLE, BUT YOU ARE SO IN--I CAN HEAR YOU IF YOU CAN BE MUTED THANK YOU

00:07:06.000 --> 00:07:27.000

DAVID--SORRY,

00:07:27.000 --> 00:07:39.000

THANK YOU FOR THAT, AS WE HAVE STRIVED TO ADAPT AND MAKE THIS WORK, I ALSO WANT TO SAY, I HOPE TO TAKE EVERYONE'S PRESSURE AND SHOULDERS DOWN ON THIS, IS REALLY WHAT WE ARE DOING NOW IS FINALIZING THE STAKEHOLDER RECOMMENDATIONS FOR OUR SEPTEMBER 15TH MEETING THE FINAL STAKEHOLDER ADVISORY MEETING

00:07:39.000 --> 00:07:51.000

SEE THAT BOX THERE, SEPTEMBER 15, 2020, RESEARCH AGENDA AND DATA DASHBOARD TO SAC, AND IN OCTOBER, AND NOVEMBER, WORKING TO FINALIZE IT AND RELEASE IN DECEMBER

00:07:51.000 --> 00:07:55.000

AS ADMINISTRATION MASTER PLAN, BUT I WANT, I THINK EVERYONE ON THE GROUP KNOWS IF NOT I WILL SAY AGAIN, WE WILL NOT HAVE THE ANSWERS BY SEPTEMBER 15, WE DON'T HAVE ALL OF THE ANSWERS BY DECEMBER

00:07:55.000 --> 00:07:58.000

WE ARE CHARGED WITH SETTING A FOUNDATION FOR THIS WORK

00:07:58.000 --> 00:08:06.000

FOUNDATION FOR THIS WORK FOR THE NEXT TEN YEARS

00:08:06.000 --> 00:08:17.000

AND EVEN THE EXSEC TIFF ORDER CALLED ON A UPDATE PROCESS TO MAKE SURE THAT THIS IS RESPONSIVE

00:08:17.000 --> 00:08:23.000

AND NOW MORE THAN EVERY I THINK IT IS CHALLENGING TO
IMAGINE A YEAR FROM NOW, 3 TO TEN YEARS FROM NOW, DON'T
FEEL LIKE EVERYTHING HAS TO BE COMPLETELY PERFECT

00:08:23.000 --> 00:08:29.000

THE IDEA WOULD BE THAT IT BE THE SOLID FOUNDATION, BEST OF
OUR THINKING NOW

00:08:29.000 --> 00:08:42.000

AND IT HAS THAT ABILITY TO ADAPT AND BE NIMBLE AS WE LEARN
AND WORK MORE TOGETHER

00:08:42.000 --> 00:09:10.000

SO, PLEASE GIVE YOURSELF THAT FREEDOM TO LAND THIS WORK
AND DO IT STRATEGICALLY AND EFFECTIVELY AND CONTINUE TO
CHAK

00:09:10.000 --> 00:09:36.000

ONE THING ON THIS CHART, NEXT SLIDE, WHAT HAPPENS AFTER
DECEMBER 20, THAT IS THE BEGINNING OF THE WORK,
IMPLEMENTATION, AS WE BEGIN TO TRANSITION TO THINKING
ABOUT 2021, AND BEYOND THE IMPLEMENTATION, THERE WILL BE
A NEED FOR CONTINUES RESEARCH ENGAGEMENT INVOLVEMENT,
WHILE WE END THE PLANNING PROCESS IN STAKE HOEDERs IN
THE NEXT FEW WEEKS, IN SHORT ORDER WE WILL BE GIVING
IMPLEMENTATION PROCESS, SURELY MORE TO COME,

00:09:36.000 --> 00:09:39.000

ALL THAT TO SAY, THANK YOU FOR WHAT YOU HAVE DONE, THIS IS
VERY IMPORTANT AND TAKE THE WORK AS FAR AS WE CAN, BUT
KNOW, THERE ARE FUTURE OPPORTUNITIES TO CONTINUE TO

INFORM IT, THAT WILL BE CLEARER AND SPELLED OUT MORE IN COMING WEEKS

00:09:39.000 --> 00:09:56.000

AND MOST OF ALL, TO BE GENTLE AND KIND WITH EACH OTHER, AS WE ARE MULTITASKING AND DEALING WITH MORE ON OUR PLATES THAN WE CAN IMAGINE, DOING THE BEST WE CAN

00:09:56.000 --> 00:10:10.000

WITH THAT, FOUR THINGS IN 3 HOURS, HIGH LEVEL AGENDA, ONE SLIDE BACK PLEASE, FOUR THINGS TODAY I WILL GET OUT OF THE WAY TO LET YOU LEAD TO WORK, THE EQUITY WORK GROUP IS GOING TO SHARE THE MASTER PLAN FOR AGING EVALUATION ASSESSMENT RECOMMENDATIONS

00:10:10.000 --> 00:10:34.000

SENGD THING IS TALK ABOUT THAT BROADER VE SERGE AGENDA AND OVER VIEW AND DISCUSSION, TO MAKE SURE THAT WE ARE EVALUATING AND ASSESSING AND LEARNING AND USING THAT TO DRIVE AGING POLICY PROGRAMS AND PARTNERSHIPS FOR THE NEXT TEN YEARS

00:10:34.000 --> 00:10:50.000

THIRD IS HEAR ABOUT THE DATA DASHBOARD, SO MUCH OF AN UPDATE TO TAKE A BREAK, TO GIVE OURSELVES A CHANCE TO STRETCH OUR LEGS AND REFRESH, AND, THEN PUBLIC COMMENT, AND REALLY IMPORTANT, WE WANT TO HAVE ENOUGH TIME, I SEE 38 ATTENDEES ON THE LINE, MAKE SURE WE HAVE TIME TO HEAR SPOKEN COMMENTS AND E-MAILS AS ALWAYS,

00:10:50.000 --> 00:10:54.000

THOSE ARE THE GOALS FOR THE DAY, WE WILL GET THROUGH THEM ON TIME AS WE CO. WITH THAT, UNLESS ANYONE ELSE ARE CONSULTANTS, HAVE ANYTHING TO ADD TO THAT, TABLE SETTING WE WILL GET STARTED.

00:10:54.000 --> 00:11:05.000

HEARING NONE, I WILL TURN OVER TO DOCTOR LINCOLN.

00:11:05.000 --> 00:11:20.000

>> VERY GOOD, THANK YOU GOOD AFTERNOON EVERYONE, ON BEHALF OF THE EQUITY WORK GROUP I AM HERE, TO PRESENT ONE SET OF THE MULTISSET RECOMMENDATIONS

00:11:20.000 --> 00:11:41.000

THIS SET OF RECOMMENDATIONS IS FOCUSED ON EVALUATION AND ASSESSMENT, WE RECOGNIZE THAT MEASUREMENT IS AN IMPORTANT YET UNDER USED TOOL FOR REDUCING DISPARITIES.

00:11:41.000 --> 00:12:05.000

MEASURING IS VERY IMPORTANT, CAN ALLOW POLICYMAKERS AND PROVIDERS AND CONSUMERS AND OTHERS A OPPORTUNITY TO IDENTIFY DISPARITIES IN THE COMMUNITIES AND TARGET RESOURCES AND INTERVENTIONS THAT CAN REDUCE THE DISPARITIES AS WELL AS MONITORING IMPROVEMENT AND WORSENING OF DISPARITIES IN RESPONSE TO THESE INTERVENTIONS OR OTHER CHANGES

00:12:05.000 --> 00:12:32.000

HOWEVER, IN ORDER TO BE AN EFFECTIVE TOOL FOR ADVANCING HEALTH QUIT, PERFORMANCE MEASUREMENT MUST BE IMPLEMENTED IN A WAY THAT SPECIFICALLY ACCOUNTS FOR DISPARITIES IN RISK FACTORS EXPERIENCES ACCESS QUALITY OF

LIFE AND WELLNESS OUT COMES, RECOMMENDING SERL WAYS TO STRUCTURE PERFORMANCE MEASUREMENT TO REDUCE EQUITY

00:12:32.000 --> 00:12:41.000

TO THAT END WE PROVIDED GUIDELINES OR FRAMEWORKS TO SELECT OR DESIGN MEASURES TO EVALUATE THE IMPACT OF THE MASTER PLAN. SO OUR FIRST RECOMMENDATION. IS TO DEVELOP AN INCLUSIVE ASSESSMENT AND EVALUATION PLAN TO IDENTIFY GAPS IN DATA, PRIORITY PROBLEMS, SELECT APPROPRIATE OUT COME INDICATORS, SET TARGETS AND MEASURE RESULTS

00:12:41.000 --> 00:13:11.000

WHAT WE HAVE DONE IS OFFERED A REPORT BY FAMILY USA, HEALTH EQUITY TASK FORCE

00:13:14.000 --> 00:13:37.000

AND THE TIE T F OF THIS IS FRAMEWORK FOR ADVANCING HEALTH EQUITY AND VALUE. IMPORTANT AND STRATEGIES AND MEASURES FOR TRANSFORMING SYSTEMS TO ACHIEVE EQUITY. OUR SECOND RECOMMENDATION IS IN RECOGNITION THERE IS A PAUCITY OF DATA ON THE EXPERIENCE OF DIVERSE OLDER ADULTS AND FAMILIES, ADVISED TO IDENTIFY AVAILABLE TOOLS AND FRAMEWORK TO IDENTIFY LOCAL FACTORS THAT DETERMINE INEQUITY AND XHOONTY CONDITIONS

00:13:37.000 --> 00:14:05.000

FOR THIS RECOMMENDATION WE OFFER A NUMBER OF SOURCES AND INDEXES, TO SUPPORT THE RECOMMENDATION, RERECOMMENDED USING AND CONSULTING THE CALIFORNIA HEALTHY PLACES INDEX, THAT WILL ALLOW THOSE WHO ARE EVALUATING THE BACK OF THE MASTER PLAN, TO IDENTIFY

HIGHLY VULNERABLE COMMUNITIES AS WELL AS INTERVENTION TARGETS

00:14:05.000 --> 00:14:16.000

ALSO RECOMMENDED THE INTERNATIONAL CLASSIFICATION OF FUNCTIONING DISABILITY AND HEALTH, THIS IS A VERY IMPORTANT TOOL TO ORGANIZE AND DOCUMENT FUNCTIONING AND DISABILITY AS A FUNCTION OF INDIVIDUAL HEALTH. ENVIRONMENTAL FACTORS AND PERSONAL FACTORS, ALSO RECOMMEND DATA SOURCES LIKE THE CALIFORNIA HEALTH INTERVENTION SURVEY TO USE THE NATION'S LARGEST SURVEY TO OBTAIN DATA

00:14:16.000 --> 00:14:42.000

WE HAVE ALSO RECOMMENDED THE ELDER ECONOMIC STANDARD, ELDER ECONOMIC SECURITY STANDARD OR ELDER INDEX, WHICH WILL PROVIDE AN EVIDENCE BASED INDICATOR OF THE ACTUAL BASIC COSTS

00:14:42.000 --> 00:14:50.000

FACED BY OLDER ADULTS THIRD RECOMMENDATION, RECOGNIZES THAT EXDIRECTLY MEASURING INEQUITIES, AND PROGRESS TOWARD ELIMINATING THEM, REQUIRES USING DISPARITY SENSITIVE MEASURES THAT DETECT DISPARITIES IN POPULATIONS AND MEASURES THAT ASSESS WHETHER PROGRAMS AND SERVICES THAT INCREASE EQUITY ARE BEING USED

00:14:50.000 --> 00:15:17.000

WE RECOMMEND THAT THE DEVELOPMENT AND USE OF THE MEASURES IS A PRIORITY

00:15:17.000 --> 00:15:35.000

SPECIFICALLY RECOMMEND THAT THE MEASURES BE BASED ON THE FOLLOWING CRITERIA. CONDITIONS PREVALENCE WITH SOCIAL RISK FACTORS, SIZE OF THE DISPARITY, STRENGTH OF THE EVIDENCE LINKING IMPROVEMENT ON THE MEASURES TO IMPROVEMENT AND TARGET OUT COMES FOR POPULATIONS WITH SOCIAL RISK FACTORS AND THE ACTION BLT OF THE MEASURE

00:15:35.000 --> 00:16:05.000

WE HAVE OFFERED A PAPER BUT THE URBAN INSTITUTE, TITLED THE STATE OF EQUITY MEASUREMENT AS A FRAMEWORK TO SUPPORT THIS. THIS OFFERS DEFINITIONS AND SUBSEQUENT MEASUREMENT, QUALITATIVE AND QUANTITATIVE MEASURES, BOTH OF WHICH ARE VERY IMPORTANT FOR INCLUDING COMMUNITIES

00:16:20.000 --> 00:16:46.000

AS WELL AS THE QUANTITATIVE ASSESSMENTS, AND THEN OUR FINAL RECOMMENDATION, IS TO REPORT PERFORMANCE DATA STRATIFIED BY RACE, ETHNICITY LANGUAGE, SOCIAL ECONOMIC STATUS, AGE, SEX, GENDER IDENTITY, SEXUAL ORIENTATION, DWLT, AND OTHER FACTORS TO IDENTIFY DISPARITIES AND EVALUATE THE IMPACT OF SPECIFIC SERVICE DELIVERY CHANGES ON OUT COMES FOR MEMBERS OF UNDERSERVED AND RESOURCED COMMUNITIES AND WHETHER THESE CHANGES ARE REDUCING OR WIDENING DISPARITIES THAT IS OUR SET OF RECOMMENDATIONS FOR ASSESS

00:16:46.000 --> 00:17:03.000

>> I THINK THIS MIGHT BE A TIME WITH ONE OR TWO QUESTIONS WITH THOUGHTS OR REACTIONS, BEFORE WE GET INTO THE AGENDA

00:17:03.000 --> 00:17:18.000

IF YOU HAVE, OR WANT TO SPEAK AND RAISE YOUR HAND.

00:17:18.000 --> 00:17:20.000

>> THANK YOU SO MUCH, KAREN, AND THE TEAM THAT WORKED ON THESE, I THINK THESE ARE COMPREHENSIVE AND EXCELLENT GUIDELINES, TO MOVE FORWARD WITH, THANK YOU SO MUCH FOR ALL YOUR WORK

00:17:20.000 --> 00:17:50.000

>> YOU'RE WELCOME, THANK YOU.

00:17:52.000 --> 00:18:11.000

>> SO, I ALSO THANK THE GROUP. BUT, TRYING TO KEEP A SORT OF BIG STRUCTURE LEVEL VANTAGE POINT HERE THAT IS GOING TO MAKE THIS WORK OVER TIME I THINK THE RESOURCES NEEDED TO DO THIS IS AN IMPORTANT OBSERVATION, IF YOU WANT TO LOOK AT VERY DETAILED AND EVEN CROSSING INTERSECTIONAL ISSUES IN TERMS OF RACE, GENDER, IDENTITY AND SEXUAL ORIENTATION,

00:18:11.000 --> 00:18:40.000

IT IS GOING TO REQUIRE SIGNIFICANT OVER SAMPLING TO GET RELIABLE DATA FOR WHAT ARE IN THE POPULATION RELATIVELY SPEAKING SMALL GROUPS, SO THEY ARE BUDGETARY ASPECTS THAT HAVE TO BE FACED HERE IF WE ARE GOING TO USE THE SURVEY FOR THESE PURPOSES.

00:18:40.000 --> 00:19:10.000

>> YES, I AGREE, JUST TO RESPOND, THANK YOU, IT IS YET ONE DATA SOURCE WE CAN USE, OBVIOUSLY THERE ARE MUCH

LARGER NATIONAL DATA SETS WE MIGHT BE ABLE TO STRATIFY BY STATE, IN OFFERING AN EXAMPLE OF SOMETHING THAT IS FOCUSED ON HEALTH, THAT HAS A LARGE SAMPLE OF OLDER ADULLS THAT IS FAIRLY DIVERSE, DEFINITELY ONE DATA SOURCE WE WOULD RECOMMEND.

00:19:29.000 --> 00:19:33.000

>> OKAY, I WILL PIPE IN HERE, WE ARE LUCKY TO HAVE CATHERINE ON OUR RESEARCH SUB COMMITTEE, WHO IS VERY INVOLVED IN DATA SET. WE WILL HAVE HER COMMENT ON THAT IN A MINUTE, NEXT WE ARE GOING TO WHAT WE CALL RESEARCH AGENDA, NEVER COME UP WITH A BETTER NAME FOR IT, WE HAVE STANFORD CENTER ON LONGEVITY AND UCB, THEY ARE GOING TO GO THROW SLIDES ON A RESEARCH AGENDA THAT WE COULD PUT FORWARD TO STAKEHOLDER ADVISORY COMMITTEE.

00:19:33.000 --> 00:19:51.000

CAN I HAND IT OVER TO YOU?

00:19:51.000 --> 00:20:21.000

>> THANK YOU YES. AND LET ME THANK HER PUBLICLY, NONE OF THIS WOULD BE HAPPENING TODAY WITHOUT HER MASTERFUL PULLING TOGETHER DIFFERENT PIECES OF THIS AGENDA AND DIFFERENT PEOPLE FOR THEIR INPUT

00:20:30.000 --> 00:21:00.000

AND, DAVID I AM GOING STO START TALKING HERE, BUT, PLEASE CHIME IN AT ANY POINT I WILL OF COURSE REFER ALL QUESTIONS TO YOU. THERE YOU GO, I KNEW I COULD GET YOU UNMUTE FOR THAT PART (CHUCKLE) YOU KNOW IT WAS EXCITING FOR ME JUST NOW TO LISTEN TO DOCTOR LINCOLN DESCRIBE THE APPROACH AND THE REASON FOR THIS APPROACH, BECAUSE I THINK YOU

JUST REALLY ELOQUENTLY LAID OUT WHY A RESEARCH AGENDA IS SUCH AN IMPORTANT PART OF THE MASTER PLAN.

00:21:09.000 --> 00:21:19.000

AT THE BEGINNING WE WERE MANDATED TO DO THIS, AND AS WE STARTED TO THINK ABOUT RESEARCH IN THE MEETINGS I WAS IN, WE WERE THINKING ABOUT WE LOOK AT OUT COMES, SOMETHING WILL HAPPEN, A COUPLE YEARS LATER GO BACK AND LOOK AT WHETHER IT WORKED OR NOT, AND AS DISCUSSION CONTINUED TO PROCEED, IT WAS REALLY CLEAR IT WAS MUCH MORE EMBEDDED INTO THE ENTIRE MASTER PLAN, THAT IS AS WE THINK ABOUT A MASTER PLAN AS BEING EVIDENCE BASED, ONE PART OF THAT IS WE SAY WE WANT TO MAKE RECOMMENDATIONS THAT HAVING

00:21:19.000 --> 00:21:49.000

SO, WE ARE IN THE SIMPLY PULLING THINGS OUT OF THE SKY SAYING THIS WILL BE A GOOD IDEA, DRAWING ON EXISTING RESEARCH TO SUPPORT THE RECOMMENDATIONS

00:22:07.000 --> 00:22:26.000

BUT THEN THE PART THAT BECOMES SO EXCITING ABOUT THAT, TO ME, IS WE LEARN ALONG THE WAY, IMPLEMENTATION OF THE PLAN IS THE WAY THAT THE RESEARCH PIECE OF THAT WILL GUIDE IT. WE WILL BE ABLE TO SEE WHAT IS WORKING ON THE WAY, MAKE CORRECTIONS IN REALTIME, WHEN WE SEE EVIDENCE THAT SOMETHING IS NOT WORKING AND ULTIMATELY, BE ABLE TO USE THE RESEARCH AGENDA, TO, ENSURE THAT QUALITY OF LIFE IS IMPROVING FOR AGING CALIFORNIANS AND WE ARE REDUCING INEQUITIES AND SO, TO BE ABLE TO DO THAT, TO PUM PR

00:22:26.000 --> 00:22:56.000

SO, IN MY MIND THIS IS A REALLY EXCITING OPPORTUNITY, AND, SOMETHING THAT IS REALLY UNPRES SENDED. I HAVE MENTIONED BEFORE TO PEOPLE ALONG THE WAY, I THINK THERE IS A PART OF THIS PROSSZ, THAT, GOT BOLSTERED BY THE KOEFD EXPERIENCE.

00:22:59.000 --> 00:23:11.000

WE ENDED UP. INTERACTING MORE IN MANY WAYS I THINK BECAUSE WE WOULD ZOOM INTO MEETINGS AND INTERACT WITH EACH OTHER, AND AS THE INTERACTIONS PROCEEDED WE GOT TO KNOW EACH OTHER, AND, THE PARTICIPANTS AND IN THIS MAJOR EFFORT COME FROM SUCH A DIVERSE SET OF BACKGROUNDS AND DISCIPLINES, FROM PEOPLE WHO ARE WORKING EVERY DAY WITH OLDER ADULTS TO PEOPLE WHO ARE DEVELOPING POLICIES TO PEOPLE LIKE ME, WHO ARE SPENDING TIME IN UNIVERSITIES AND LABORATORIES AND SO,

00:23:11.000 --> 00:23:41.000

BEING ABLE TO HAVE THIS KIND OF EXCHANGE, AND, BE ABLE TO GET TO KNOW EACH OTHER THROUGH THE PROCESS, I THINK IT'S REALLY GOING TO MAKE THIS RESEARCH AGENDA MUCH, MUCH STRONGER

00:24:05.000 --> 00:24:15.000

SO, WHEN WE THINK ABOUT THE OVER ALL MISSION, IT IS TO IMPROVE THE LIVES OF OLDER CALIFORNIANS. AND TO DO SO, BY AN ALLIANCE OF RESEARCHERS THAT IS GUIDED BY A GROUP OF POLICYMAKER AND PRACTITIONERS AND ADVOCATES AND OLDER ADULLS TOGETHER TO SAY WHAT ARE WE GOING TO LOOK AT AND MEASURE, AND TO BE ABLE TO DO THAT TOGETHER OVER TIME, I THINK THE FACT THAT THIS WILL BE DRIVEN BY A GROUP OF PEOPLE APPROACHING AGING FROM SUCH DIFFERENT PERSPECTIVES WILL BE JUST A VERY POWERFUL STRENGTH OF THE REGE

00:24:15.000 --> 00:24:37.000

SO WHAT ARE WE TRYING TO ACCOMPLISH SPECIFICALLY, WHAT WILL WE DO AND MAKE IN ORDER TO ACHIEVE THIS OVER ALL MISSION

00:24:37.000 --> 00:25:07.000

ONE OF THE THINGS WE WAN TO DO IS MAKE A CONSORTIUM, BY THAT I AM REFERRING TO THIS DIVERSE SET OF PEOPLE WHO ARE GOING TO MEET TOGETHER AND WORK TOGETHER, CONTINUE TO INTERACT, WHO, WILL IDENTIFY WHAT THE QUESTIONS ARE, AND, ALSO SET BENCHMARKS FOR ACHIEVABLE GOALS OVER TIME.

00:25:07.000 --> 00:25:37.000

THE SECOND PART IS MAKE AN ALLIANCE OF RESEARCHERS ACROSS CALIFORNIA'S UNIVERSITIES AND RESEARCH BODIES WHO CAN OVER SEE INTEGRATION OF EXISTING DATA ON AGING CALIFORNIANS AND IDENTIFY GAPS WE NEED MORE DATA, AND HEARD ABOUT THE IMPORTANCE OF DOING THIS, WE ARE GOING TO NEED ADDITIONAL DATA COLLECTION TO ANSWER THE QUESTIONS IN A WAY AS WE HOPE

00:26:02.000 --> 00:26:28.000

SO, BY THE CONSORTIUM, IN DEFINITION REFERRING TO THE BROADER BODY OF PEOPLE WHO ARE GOING TO GUIDE THE RESEARCH AGENDA, AND ALLIANCE OF RESEARCHERS WILL BE PEOPLE PLACED IN RESEARCH SETTINGS WHO CAN ACTUALLY OVER SEE INTEGRATION AND ANALYSIS OF THE DATA, AND WHILE THEY ARE INTERACTING WITH THE CONSORTIUM. AND THEN WHAT WE ARE DOING. WITH THE PROCESS, WILL ALLOW US TO DO, IS TO REALLY CAREFULLY LOOK AT DISPARITIES, AND, AGAIN, THERE IS BROAD AGREEMENT FROM ALL OF US WHO ARE WORKING ON BTIN

00:26:28.000 --> 00:26:55.000

TOO OFTEN POLICIES END UP HELPING THE PEOPLE WHO NEEDED HELP THE LEAST, AND MAKING THEM BETTER OFF. AND FAILING TO REACH PEOPLE WHO NEED IT MOST. SO BY HAVING THIS MASTER PLAN RUN IN PARALLEL TO IMPLEMENTATION OF THIS, WE WILL BE ABLE TO SEE WHAT IS HAPPENING ALONG THE WAY.

00:26:55.000 --> 00:27:07.000

THERE WILL BE VERY CLOSE CONNECTION BETWEEN THE RESEARCH ALLIANCE AND THOSE WORKING ON THE DATA DASHBOARD WHICH YOU WILL HEAR MORE ABOUT. WITH THE DATA DASHBOARD IN MY MIND, THIS IS SOMETHING THAT IS GOING TO BE INCREDIBLY USEFUL, MAKING DATA UP TO DATE, KIND OF MORE POLICYMAKERS AND CITIZENS, TO BE ABLE TO COME AND LOOK AT A PARTICULAR REGION AND GROUP

00:27:07.000 --> 00:27:37.000

AND LOOK AT THE STATUS ACROSS THE NUMBER OF VARIABLES, SO, THERE WILL ALSO BE LOTS OF CLOSE TIES BETWEEN THE RESEARCH ALLIANCE, AND, THOSE WHO ARE WORKING ON THE DATA DASHBOARD.

00:27:55.000 --> 00:28:08.000

ONE PART OF THE PROPOSAL IS PRODUCE A STATE OF THE STATE REPORT EACH YEAR, IF POSSIBLE EACH YEAR IS ANNUAL WOULD BE TOO MUCH, MAKE IT EVERY OTHER OR 3 YEARS, WE SHOULD HAVE AN ISSUE, OR REPORT ON WHERE THINGS STAND ALONG THROUGH THE IMPLEMENTATION, ONE THING I WANT TO SAY IS THAT BY MEASURING THE EFFECTS OVER TIME, WE'LL ALSO BE ABLE TO CAREFULLY ASSESS AND FOLLOW OUT COMES THAT ARE NOT IMMEDIATELY OBVIOUS, SOMETIMES YOU INCREASE ACCESS HEALTH CARE AND NOT SURPRISINGLY COSTS GO UP.

00:28:08.000 --> 00:28:14.000

SO, WE NEED TO BE ABLE TO LOOK AT SHORT TERM EFFECTS AND LONG TERM, ONE WOULD EXPECT THAT SHORT TERM MAY INCREASE COSTS BUT LONG TERM WOULD BE EXPECTED TO BRING IT DOWN

00:28:14.000 --> 00:28:28.000

BEING ABLE TO FOLLOW EFFECTS OVER TIME.

00:28:28.000 --> 00:28:58.000

IN OTHER RESEARCH AGENDA, IS, TO DO SOME SOPHISTICATED MODELLING OF WHAT THE FUTURE ELDERLY POPULATION IN THE STATE WOULD LOOK LIKE,

00:29:11.000 --> 00:29:28.000

THEN TO BE ABLE TO MODEL UNDER A VARIETY OF SCENARIOS WHAT WOULD HAPPEN UNDER IF THEN SCENARIOS, NUMBER OF DIFFERENT. MAKE A LOT OF DIFFERENT SCENARIOS AND FOLLOW THEM OVER TIME, ONE THING THESE HELP YOU DO IS IDENTIFY IN SOME CASES A SHORT TERM EFFECT, SAY YOU INCREASE SOCIAL ACCESS TO OTHERS, SAY, YOU REDUCE ISOLATION. AND YOU COULD LOOK AT A RELATIVELY SMALL BENEFIT TO THAT, IN THE VERY SHORT TERM, BUT THEN WHAT YOU CAN DO IS MODEL THE EFFECTS OF THAT RELATIVELY SMALL TERM CHANGE

00:29:28.000 --> 00:29:58.000

AS IT'S COMPOUNDED OVER TIME, AND AGAIN TO ULTIMATELY LOOK UP WHAT COST SAVINGS WOULD BE AND MAKE THE PREDICTIONS EARLY ON IN THE PROCESS SO YOU DON'T HAVE TO WAIT TEN YEARS TO SEE THE MULTIMAT OUT COME BUT MEASURE THESE THINGS ALONG THE WAY, WITH SIMULATION

00:30:46.000 --> 00:30:59.000

SO, WE WILL BE ABLE AGAIN, (CELL PHONE RINGING) , APOLOGIES. THERE WE GO. SORRY. (LAUGHTER) I GUESS I CAN'T BOTH TALK TO YOU AND TURN OFF MY PHONE, OR MUTE IT, IT WILL STOP RINGING IN A SECOND HERE. UMM, I THINK THESE ARE THE WAYS THAT THE DATA DRIVEN ASPECTS OF THE IMPLEMENTATION OF THE PLAN WILL CONTRIBUTE TO THE EFFECTIVENESS. SO, WHAT WILL WE DO? THE CONSORTIUM ITSELF, SO, THIS DIVERSE GROUP OF PEOPLE WILL VET AND ADVISE RESEARCHERS AND POLICYMAKERS TO MAKE SURE THAT THE AGING

00:30:59.000 --> 00:31:25.000

LET ME SAY AS AN ASIDE, ESTABLISHING THIS RESEARCH AGENDA AND SUPPORTING THE BASIC CORE OF IT. WILL NO DOUBT LEAD TO MANY ADDITIONAL

00:31:25.000 --> 00:31:41.000

STUDIES THAT WILL GO ON. BECAUSE WE WILL BE PUTTING TOGETHER A UNIQUE DATA SET THAT IS RICH WITH DIFFERENT VARIABLES AND, ASPECTS OF ALL CONTRIBUTING TO QUALITY OF LIFE, THIS IS GOING TO ATTRACT RESEARCH ES NOT JUST CALIFORNIA, BUT NATIONALLY AND INTERNATIONALLY, PEOPLE WILL BE INTERESTED IN

00:31:41.000 --> 00:31:48.000

STUDYING THIS, HAVING THE CORE I THINK WE WILL ALSO ACTIVATE LOTS MORE RESEARCH THAN THE CORE RESEARCH THAT WE ARE DESCRIBING HERE TODAY SO I THINK WE WILL GET LOTS OF AND LOTS OF OTHER QUESTIONS ANSWERED ALONG THE WAY.

00:31:48.000 --> 00:32:11.000

THIS CORE EFFORT WILL BE AIMED AT IMPROVING QUALITY OF LIFE IN A EQUITABLE MANNER

00:32:11.000 --> 00:32:41.000

THE CONSORTIUM IS ALSO GOING TO BE WORKING WITH RESEARCH ALLIANCE TO IDENTIFY WHERE THE GAPS ARE, RECOMMEND NEW DATA ANALYSIS, GET NEW PROGRAMS AND POLICIES PUT IN PLACE, FEDERAL CHANGES THAT COULD EFFECT THINGS WILL CONSTANTLY BE WORKING TOGETHER TO THE IDENTIFY THOSE AND MEASURE OUT COMES

00:32:44.000 --> 00:33:00.000

AND THEN WE'LL ALSO LOOKING FOR WAYS THAT WE CAN RAISE ADDITIONAL FUNDS, SO, WE CAN SUPPORT ADDITIONAL AS PECKS OF THIS, INCLUDING THINGS LIKE TRAINING, WE BELIEVE THAT WITH THIS RESEARCH ALLIANCE, WE WILL BE ABLE TO TRAIN A GROUP OF RESEARCHERS THAT IS UNIQUELY AWARE OF POLICY IMMRE KAGSS AND TRAINED IN STATE OF THE ART, STATISTICAL AND ANALYTICAL APPROACHES

00:33:00.000 --> 00:33:30.000

SO, COMPONENTS I ALLUDED TO THESE BEFORE, TO REVISIT, ADD RISE RI BODY OF EXPERT, THAT INCLUDES EVERYBODY INVOLVED IN THIS RESEARCH AGENDA. SECOND WE HAVE UNIVERSITY BASED RESEARCH ALLIANCE

00:33:34.000 --> 00:34:04.000

LOTS OF WAYS WE CAN DO THIS. AND, DAVID AND I HAVE HAD TALKS ABOUT IT, YOU CAN IMAGINE HAVING A SPECIAL EFFORT AT IF UNIVERSITY FOR EXAMPLE LOOKING AT TECHNOLOGY AND EFFECTS OF VARIOUS OUT COMES, THERE ARE PEOPLE AT USC

WHO ARE EXPERT IN THE STATISTICAL MODELLING OF THE FUTURE ELDERLY SCENARIOS. SO THEY MAY BE LOOKING AT PART OF THAT, OF COURSE YOU KNOW,

00:34:09.000 --> 00:34:39.000

A GROUP COULD BE A GROUP OF RESEARCHERS THERE, THE IDEA IS THAT WE WOULD STAY IN TOUCH ACROSS THE UNIVERSITIES, AND BRING PEOPLE TOGETHER SO WE KNOW WHAT WE ARE WORKING ON FROM THE DIFFERENT--THE OTHER PIECE OF THIS WE NEED TO ENSURE IS WE CAN PLACE POST DOCTORAL FELLOWS, PROBABLY THE LEAST EXPENSIVE WAY TO DO THIS, IN THESE DIFFERENT SETTINGS, SO, THAT WHILE THEY ARE TRAINED THEY ARE ALSO AS WE KNOW DOING THE WORK AND DATA

00:34:44.000 --> 00:34:58.000

INTEGRATION, AND DATA CLEANING WE NEED SOME KIND OF A SET OF RESEARCH WORKERS WHO ARE ACTUALLY COMBING THROUGH THE DATA AND WORKING TOGETHER, BEST WAY FOR UNIVERSITY BASED FACULTY IS THROUGH POST DOCKS, IF THEY ARE WORKING TOGETHER, BRINGS US TOGETHER, TOO, AND WE HAVE MORE INTERACTIONS AND SO, IT IS A REALLY GOOD WAY FOR US TO GET THIS DONE, AND AS I SAY, IT IS COST EFFECTIVE, WHEN YOU DO IT.

00:34:58.000 --> 00:35:28.000

AND THEN YOU ARE GOING TO HEAR MORE ABOUT THE DATA ACTION CENTER, AND THE DATA WAREHOUSE, AND, YOU WILL HEAR MORE ABOUT THE DASHBOARD AND SO ON LATER THIS AFTERNOON FROM PEOPLE WHO KNOW FAR MORE THAN I DO.

00:35:32.000 --> 00:36:02.000

BUT, THAT'S THE OVER ALL KIND OF PLAN. I SEE THE DIFFERENCE BETWEEN THE DATA DASHBOARD AND THE RESEARCH ALLIANCE

IS THAT THE DATA DASHBOARD IS MAKING GREAT EFFORTS TO BE PUBLIC FACING AND RESEARCH ALLIANCE WILL BE LOOKING AT SORT OF STRUCTURAL LAND MODELS AND SIMULATIONS OF VARIOUS SCENARIOS AND OUT COMES POSSIBLE, MONITORING CHANGES ALONG THE WAY.

00:36:15.000 --> 00:36:33.000

>> I THINK NOW, I COULD LEAVE THIS SLIDE IN FRONT OF YOU, I FEEL LIKE I AM REPEATING THINGS I HAVE SAID HERE ON THE OUT COMES, UMM, BUT I WILL UNDERSCORE THAT THE PLAN THAT WE ARE PROPOSING I BELIEVE WILL ULTIMATELY SAVE THE STATE MONEY, BY HELPING TO DIRECT THE FUNDING AND IT'S MOST EFFICIENT AND EFFECTIVE WAY, TO GUIDE POLICIES AND MAKE SURE WE ARE ADDRESSING THE NEEDS OF UNDERSERVED CALIFORNIANS, MOST EFFECTIVELY

00:36:33.000 --> 00:36:38.000

SO I SEE THAT AS THE OVER ALL OVER ARCHING OUT COME, ANOTHER OF COURSE IS THAT WE ARE GOING TO MAKE AND TRAIN A NEW GENERATION OF PEOPLE WHO ARE VERY FAMILIAR WITH CALIFORNIA NEEDS, AND WILL BE ABLE TO LEAD INTO THE FUTURE.

00:36:38.000 --> 00:37:04.000

DAVID CAN I TURN TO YOU?

00:37:04.000 --> 00:37:34.000

>> ABSOLUTELY I DON'T THINK THERE IS MUCH, I CAN ADD A FEW MORE CONTEXT ISSUES THAT WILL LEAD US TO OPENING UP TO OUR COLLEAGUES AND, THE AUDIENCE FOR QUESTIONS IF WE CAN TAKE THEM AT THIS TIME, BUT FIRST LET ME REENFORCE AGAIN THANK YOU TO CARRIE, HELPED WITH THIS

00:37:40.000 --> 00:38:03.000

BUT LAURA TO YOUR LEADERSHIP AND BRINGING US TOGETHER, I THINK ONE THING WE HAVE SEEN, AND APPRECIATE EVERYBODY'S INPUT, HAS BEEN THE FACT SHOWS WHAT RESOURCES WE HAVE IN CALIFORNIA, THE FACT WE HAVE ONE OF THE RICHEST RESEARCH COMMUNITIES IN THE WORLD, CAN LOOK AT AGING AND ALL OF THE ISSUES AROUND LONGEVITY AND WE HAVE THE OPPORTUNITY TO DO THIS IN INTERDISCIPLINARY FASHION, THIS IS A UNIQUE OPPORTUNITY TO GO FORWARD AND DO IT IN COLLABORATION WITH THE DEPARTMENT ON AGING AS A PARTNER. SOED

00:38:03.000 --> 00:38:26.000

AS A METHOD FOR BRINGING THE VERY BEST RESEARCHERS TOGETHER TO HAVE A CONTRIBUTION FOR THE PEOPLE OF CALIFORNIA. WHAT WE DID NOT EMPHASIZE AS MUCH, COMBU KNOW THAT EVERYBODY ON THE RESEARCH COMMITTEE AND AGAIN THE MASTER PLAN ON AGING COMMITTEE REALIZES THIS IS FIRST AND FOREMOST TO BENEFIT OLDER ADULTS

00:38:26.000 --> 00:38:51.000

BUT ALSO TO ADDRESS FAMILY CAREGIVERS AND WORKFORCE IN THE SPACE, AS BENEFITS AND AS LAID OUT, NOT JUST POLICYMAKERS BUT HOW TO IMPROVE INFORMATION PROVIDED TO PROVIDERS AND OLDER ADULLS AND TO HELP WITH ENGAGEMENT AND EMPOWERMENT

00:38:51.000 --> 00:39:04.000

LAST TWO ITEMS BEFORE WE OPEN UP TO OTHER MEMBERS WE VE OTHER TEN YEARS NOW AN AMAZING OPPORTUNITY TO TAKE ADVANTAGE OF THE RICH DATA, BECAUSE THAT IS THE COO DRIVER FOR THE NEXT TEN YIERS, THROUGH BOTH THE

DASHBOARD WE WILL HEAR ABOUT SHORTLY, AND ALSO DATA SETS AND METHODS TO USE THE DATA TO IMPROVE THE WELL BEING

00:39:04.000 --> 00:39:29.000

THE IDEA WE WILL BE ABLE TO LOOK AT BEST PRACTICES AND NEW DATA SCIENCE AREAS, IS REALLY WHAT THIS IS ABOUT

00:39:29.000 --> 00:39:54.000

BRINGING THAT TOGETHER TO USE IT IN THE BEST WAY TO BENEFIT AGAIN OLDER ADULTS AND FINALLY TO HEAD THIS OFF BEFORE THE COLLEAGUES COME ON, ONE THING IS THAT THIS WILL REQUIRE RESOURCES TO BRING GROUPS TOGETHER, WHETHER IT IS TRAINING OR DATA COLLECTION OR TO BRING THE VERY BEST RESEARCHERS TOGETHER

00:39:54.000 --> 00:40:12.000

SO, WE REALIZE SHOULD NOT BE THE TAIL WAGGING TO DOG, BUT WE THINK THE BENEFITS AS NICELY LAID OUT, TO BENEFIT NOT ONLY THE BOTTOM LINE FOR THE STATE BUT ALSO BEST OUT COMES WILL REQUIRE SOME RESOURCES TO MAKE THIS HAPPEN. SO, WITH THAT I WILL TURN IT BACK TO THOSE, READY TO TAKE QUESTIONS OR OTHER STEPS. DEPENDS ON THE SIEM

00:40:12.000 --> 00:40:37.000

>> I THINK WE HAVE A GOOD AMOUNT OF TIME, 20 MINUTES TO DISCUSS THIS, WE ARE IF YOU WOULD LIKE TO ASK QUESTIONS OR MAKE A COMMENT OR SUGGESTION, PLEASE PUT YOUR HAND UP.

00:40:37.000 --> 00:41:07.000

I SEE YOUR HANDS UP, FROM THE LAST TIME, COUPLE THINGS WE WAN TO DO, SPEND TIME FLUSHING THIS OUT, AND GETTING MORE SUGGESTIONS I KNOW THAT THIS HAS BEEN SENT OUT TO EVERYONE AND SOME OF YOU ALREADY HAD A OPPORTUNITY TO ASK QUESTIONS, AS WELL AS BEFORE WE MOVE ONTO THE DASHBOARD I WOULD LIKE TO PIN DOWN NEXT STEPS AND HOW TO GET THIS TO THE POIN THAT

00:41:10.000 --> 00:41:13.000

THAT IT IS READY TO PRESENT TO SAC AT THE SEPTEMBER 15 MEETING. SO, WITH THAT, OUR FIRSHAND UP, PLEASE RAISE YOUR HAND YOU'RE ON THE ZOOM.

00:41:13.000 --> 00:41:43.000

>> FIRST OF ALL I WANT TO THANK YOU

00:42:14.000 --> 00:42:28.000

NO WAY TO ADDRESS EVERYTHING GIVEN THE DEADLINES, ONE KEY POINT, WITH FRAMING AROUND COST SAVING, PUBLIC SERVICE AND CARE LABORS UNFUNDED. AND, (INAUDIBLE). AND ALSO MY BACKGROUND IS RETIREMENT AND WE ARE HEADING INTO THIS RETIREMENT WAVE WITH A MASSIVE HOUSEHOLD LEVEL DEFICIT. I SUPPORT THE IDEA OF GIVING GOVERNMENT DOLLARS BETTER IN ONE PLACE THAN ANOTHER, I THINK THERE HAS TO BE IDENTIFICATION OF WHAT IS THE FUNDING GAP, WHAT IS THE LEVEL OF CURRENT AND PROJEBTED UNDER FUNDING FOR SOME

00:42:28.000 --> 00:42:37.000

BECAUSE I THINK THERE IS GOING TO BE MORE MONEY INVOLVED. RIGHT? WE CAN'T FIX THE ISSUES WITHOUT THROWING MORE MONEY AT IT

00:42:37.000 --> 00:43:07.000

>> I WANT TO HIGHLIGHT THAT, AS SOMETHING TO BE MINDFUL OF.

00:43:16.000 --> 00:43:46.000

>> I AGREE, AND CAN I JUST, SYMPATHY OR EMPATHY WITH YOU, I TALKED TO HER, HARD TO TALK ABOUT DOING THIS IN THE PLAN OUTSIDE OF MONEY, KNOWING WHAT WE HAVE, WHAT IS INVESTED IN THE MASTER PLAN, AND RESEARCH AGENDA, EVALUATION KOS AND, BEGINNING TO GET IT,

00:43:50.000 --> 00:44:20.000

IN A WAY WE CAN BE ABLE TO TRANSLATE INTO SOMETHING THAT CAN INFORM THE STATE AND HOW BEST AND ECONOMICALLY EFFICIENTLY CARE FOR PEOPLE. SOME WORK GOING ON NOW, IS WORK WHERE RESEARCHER SIM PROVE QUALITY OF CARE BY REDUCING COST. TURNING ON ITS HEAD YOU KNOW, KIND OF RELATIONSHIPS WE THINK OF, BUT TURNED OUT THAT THE SOCIAL DETERMINE

00:44:25.000 --> 00:44:46.000

ARE INCREDIBLY IMPORTANT, SOMETIMES HAVING A SOCIAL WORKER VISIT A FAMILY WHERE ONE MEMBER OF THE FAMILY THINKS THEY NEED TO GO TO EMERGENCY ROOM IS THE BEST WAY TO LEP THAT FAMILY AND INDIVIDUAL. HEALTH WISE. AND NOT TO MENTION THE KIND OF COST SAVINGS, SO, I THINK IN MANY WAYS WE MAY BE ABLE TO FIND, AND BY THE WAY, LEARN FROM THE DIVERSITY OF THE STATE. IN TERMS OF ETHNICITY, WE KNOW WE HAVE REPRESENTATION IN CALIFORNIA OF A LOT OF DIFFERENT APPROACHES TO CARE.

00:44:46.000 --> 00:44:53.000

SO, WE CAN BEGIN TO SAY, WHAT WORKS AND WHAT DOESN'T. AND, SO, I'M HOPEFUL THAT WE MIGHT ACTUALLY BEGIN TO BE ABLE TO IDENTIFY BEST PRACTICES IN A WAY WHERE WE CAN ALSO BRING DOWN COSTS BY ELIMINATING THESE PRACTICES.

00:44:53.000 --> 00:45:17.000

>> OKAY, UNMUTE YOURSELF

00:45:17.000 --> 00:45:42.000

>> YEA, HI THANK YOU SO MUCH TO DAVID AND LAURA, THOSE WERE EXCELLENT REMARKS YOU MADE LEADING UP TO THIS, AND I WANT TO FOLLOW UP ON SOMETHING YOU SAID, I THINK YOU HAD A REALLY CRITICAL MESSAGE I HEARD SLIGHTLY DIFFERENTLY, SO I DON'T WANT TO MISS IT, THAT, IS, THE SHIFT IN WHERE THE MONEY IS.

00:45:42.000 --> 00:46:10.000

IN THE SENSE THAT IF I AM WORKING IN THE WORKFORCE NOW I MIGHT HAVE A 60 THOUSAND DOLLAR-JOB, AND I MAY GIVE UP THAT JOB TO CARE FOR MY LOVED ONE WHO NEEDS MY CARE AT HOME, REGARDLESS OF HOW INFIRMED THEY ARE. REGARDLESS OF THEIR CURRENT ABILITY OF SITUATION

00:46:10.000 --> 00:46:17.000

SO, THAT ECONOMIC IMPACT IS WHAT I HEARD BEING COMMENTED ON AS WELL AS WHAT LAURA COMMENTED ON. SO, I AM WONDERING IN THE CONTEXT OF THE MASTER PLAN FOR AGING AND RESEARCH AGENDA, IF THERE IS A OPPORTUNITY FOR US TO GO DEEPER INTO THIS ECONOMIC IMPACT. AND THE SHIFT IN THE BURDEN OF CARE GIVING.

00:46:17.000 --> 00:46:47.000

SO, AND THERE MIGHT, YOU PROBABLY KNOW, PROBABLY ALREADY HAVE BEEN

00:46:47.000 --> 00:46:51.000

STUDIES DONE ON THIS, I SIGH INFORMATION ON THE NUMBER OF HOURS ARE GIVEN IN VOLUNTEER TIME BUT I HAVE NOT SEEN ANALYSIS OF THAT ACTUAL SHIFT OF THE COST BURDEN IN TERMS OF THE ECONOMIC--I DON'T KNOW WHAT THE CALL IT BUT THE THRESHOLD, SO, 60 THOUSAND MULTIPLIED BY A MILLION PEOPLE IS A SIGNIFICANT IMPACT TO THE ECONOMY. WHEN THOSE PEOPLE ARE NO LONGER MAKING ANY MONEY,

00:46:51.000 --> 00:47:05.000

IN ADDITION TO THE FACT WE ARE TRYING TO SAVE MONEY FOR THE STATE

00:47:05.000 --> 00:47:10.000

SO, THERE IS FROM A ECONOMIC STANDPOINT, SOME SORT OF BALANCE, MAYBE THAT COULD BE ASSESSED MAYBE THAT IS A 5 YEAR GOAL OR 6 OR 8 YEAR GOAL, IN THE LONG TERM GOAL SECTION,

00:47:10.000 --> 00:47:11.000

BUT I THINK THAT IS CRITICAL FOR US NOT TO LOSE SIGHT OF

00:47:11.000 --> 00:47:41.000

THANK YOU FOR RAISING THAT

00:47:42.000 --> 00:47:44.000

>> THANK YOU, TLA IS A POINT, NOT JUST ABOUT WHAT THE STATE SPENDS, BUT IT IS ABOUT HA IS HAPPENING AT THE HOUSEHOLD LEVEL AND ACROSS THE ECONOMY, IT RIPPLES RIGHT, PEOPLE GIVE UP JOBS AND IT RIPPLES, REDUCED INCOME AND BENEFITS, BUT I THINK, AGAIN, AT A CERTAIN POINT, THERE IS A NEED FOR MORE MONEY, GIVEN THE DEMOGRAPHICS OF AGING AND IT IS HARD TO GET AROUND THAT

00:47:44.000 --> 00:47:46.000

THANK YOU.

00:47:46.000 --> 00:47:56.000

>> ALL RIGHT GO TO DONNA.

00:47:56.000 --> 00:48:00.000

>> THANK YOU I DID NOT EXPECT YOU TO COME TO ME, LOOKS TO BE HANDS UP.

00:48:00.000 --> 00:48:02.000

>> OTHER ONE IS CHRIS, I THINK THAT MIGHT BE A CARRY OVER

00:48:02.000 --> 00:48:03.000

>> IT'S REAL

00:48:03.000 --> 00:48:24.000

>> YOU'RE NEXT

00:48:24.000 --> 00:48:31.000

>> THANK YOU. YOU KNOW, OBVIOUSLY A LOT OF THE CONVERSATIONS SO FAR IS SPEAKING TO MY HEART AROUND

UNDERSTANDING THE VALUE OF CARE GIVING AND THE FACT THIS IS GOING TO BE SOMETHING THAT IMPACTS PEOPLE THROUGHOUT THEIR LIFETIME

00:48:31.000 --> 00:48:48.000

AND WE NEED TO BEGIN TO LOOK AT THAT FROM A DATA STANDPOINT THAT GOES ACROSS GENERATIONS

00:48:48.000 --> 00:48:53.000

BECAUSE EVEN I KNOW THAT WE HAVE COLLEGE STUDENTS WHO HAVE CUT BACK TIME TO CARE FOR PARENTS FOR A FEW YEARS OR STUDENTS IN HIGH SCHOOL, I MEAN, REALLY GOES ACROSS SO MANY AGES

00:48:53.000 --> 00:49:22.000

I THINK THAT IS ONE OF THE THINGS WE HAVE TO LOOK AT FROM A RESEARCH STANDPOINT

00:49:22.000 --> 00:49:45.000

THE OTHER THINGS ON THE EXPECTED OUT COMES YOU KNOW, SOMETIMES IT'S JUST WORDING, BUT FOR THE DEFINITIONS, THAT, I AM HOPING THAT WE SHOULD HAVE SOME LEVEL OF DEFINITIONS BUT WE HAVE EVIDENCE BASED SERVICE PROVISION, AND YOU KNOW, EVIDENCE BASED SOMETIMES IS NOT ALWAYS FROM A RESEARCH STANDPOINT, EVIDENCE BASED MAY NOT ALWAYS BE CULTURALLY SENSITIVE

00:49:45.000 --> 00:49:58.000

SO, I THINK IT IS GOING TO BE IMPORTANT FOR US TO LOOK AT HOW WE USE THAT TERM EVIDENCE BASED AS OPPOSED TO MAYBE DATA INFORMED. EVIDENCE INFORMED TYPE OF DATA

00:49:58.000 --> 00:50:00.000

I THINK THAT WE WILL LOSE WHAT WE HAD AT THE BEGINNING OF THE DISCUSSION AROUND EQUITABLE WAYS OF HANDLING DATA.

00:50:00.000 --> 00:50:14.000

THAT'S ALL I WANT TO SAY

00:50:14.000 --> 00:50:39.000

>> THANK YOU.

00:50:39.000 --> 00:51:09.000

>> FIRST THING I WANT TO OBSERVE, I THINK THE RESERVL NEED IS REAL, WE HAVE BEEN DOING STUFF IN THE ELDER SERVICES AREA, THE SAME WAY FUNDAMENTALLY WE HAVE BEEN DOING IT FOR 20 OR 30 YEARS AND I THINK HER POINT ABOUT EVIDENCE BASED VERSUS EVIDENCE INFORMED, WHAT IS TELLS US, IS THAT WE DON'T HAVE WHAT YOU CALL REAL RCT LEVEL YOU KNOW PROOF.

00:51:10.000 --> 00:51:30.000

FOR LOTS OF POPULATIONS AND PROGRAMS, WHERE WE WOULD WANTED IT, THAT IS PART OF THE REASON THAT THIS IS A GOOD IDEA, BUT, AS ALWAYS DEVILS IN THE DETAILS AND A COUPLE OF THINGS I SUPPORTED RESEARCHERS, OVER THE YEARS AND LOTS OF DIFFERENT WAYS, AND ONE OF THE KEY ISSUES IS OF COURSE THEY DO WHAT THEY WANT, WHY THEY HAVE SO MANY POSITIONS SO THEY CAN SAY NO, THEY DON'T WORK FOR SOMEBODY THEY WORK FOR THEMSELVES

00:51:30.000 --> 00:52:00.000

SO, THAT IS A KEY ISSUE, HOW IS THIS RESEARCH CONSORTIUM GOING TO AGREE TO DO SOMETHING THAT NO WUP WANTS TO DO, BECAUSE IT IS NOT FUN AND NOT INTERESTING AND POST DOCKS CANNOT BE ORDERED AROUND, I THINK IT'S SOMETHING HAS NOT BEEN ADDRESSED SUFFICIENTLY,

00:52:07.000 --> 00:52:13.000

THAT INTERSECTS WITH PROCUREMENT ISSUES RESOURCES ARE GOING TO MATTER, RESEARCHERS DON'T WORK FOR FREE, DATA DOESN'T COME BY ITSELF, SOMEBODY HAS TO PAY, MY JOB, AND YET, GOVERNMENT HAS RULES ABOUT HOW IT ASKS CERTAIN PARTIES TO DO CERTAIN THINGS AND BIDDING PROCESS, IF YOU WANT THIS RESEARCH CONSORTIUM TO BE REAL AND HAVE ONGOING WORK ON A REGULAR BASIS, IT'S GOT TO BE FIGURE OUT HOW THAT IS GOING TO INTERACT WITH REGULAR PROCUREMENT OR JOBS ARE TAKEN BY SOMEBODY ELTS OR ANOTHER FIRM

00:52:13.000 --> 00:52:17.000

NOT INSIDE THE CONSORTIUM AND NOT GOING TO WORK OUT, AND, HAND DOWN BYE.

00:52:17.000 --> 00:52:18.000

>> CAN I RESPOND,

00:52:18.000 --> 00:52:38.000

>> PLEASE DO.

00:52:38.000 --> 00:52:42.000

>> I THINK THAT'S PRT OF THE BEAUTY OF WHAT WE HAVE BEEN THINKING OF WITH THIS APPROACH IS THAT THERE IS A

CONSORTIUM THAT THE RESEARCHERS ARE PART OF ALONG
WITH ADVOCATES AND SERVICE PROVIDER AND POLICYMAKERS

00:52:42.000 --> 00:52:54.000

THE CONSORTIUM IS WHAT IS GUIDING THE MASTER PLAN

00:52:54.000 --> 00:52:59.000

AS I WAS LISTENING TO YOU TALK, I COMPLETELY AGREE WITH
YOU, THIS CAN GO OFF THE RAILS EASILY, IN, OTHER--IF IT WAS
CONSTITUTED DIFFERENTLY

00:52:59.000 --> 00:53:05.000

I KIND OF THINK, AGAIN, WHEN I WAS LISTENING TO YOU TALK
ABOUT RESEARCHERS I AGREE

00:53:05.000 --> 00:53:14.000

I WAS THINKING MAYBE INSTEAD OF GRANTS TO UNIVERSITIES TO
FUND THIS, WE WANT CONTRACTS

00:53:14.000 --> 00:53:21.000

THE DIFFERENT FOR THOSE OF YOU WHO MAY NOT BE WORKING
IN THIS AREA ALL OF THE TIME, WITH A GRANT YOU GIVE IT TO A
INDIVIDUAL TO DO SOMETHING

00:53:21.000 --> 00:53:35.000

IF THEY CHANGE THEIR MIND ON HOW TO BE DONE IT'S O.K.,
WHERE AS A GRANT SAYS THIS IS WHAT HAS TO BE DONE

00:53:35.000 --> 00:53:38.000

IF YOU ADMINISTER THE CORE RESEARCH AGENDA, THROUGH CONTRACTS, THAT WOULD MEAN WE WOULD BE COLLECTING THE DATA THAT THE CONSORTIUM DECIDES NEEDS TO BE COLLECTED

00:53:38.000 --> 00:53:53.000

THAT WOULD BE DIRECTING JUST THE CORE

00:53:53.000 --> 00:54:23.000

IF WE CAN ESTABLISH A CORE DATA SET, THE WAY WE HAVE BEEN DESCRIBING HERE, AND OVER THE MONTHS AMONG OURSELVES, IT WOULD BE UNIQUE, IN THE WORLD. AND, SO, WE WOULD MAKE THAT AS THE CORE.

00:54:25.000 --> 00:54:45.000

THEN THAT'S THERE FOR OTHER RESEARCHERS TO COME IN, IF THEY WANT TO GET A GRANT FROM YOU, GREAT, ASK A VERY DIFFERENT QUESTION ABOUT SOMETHING THAT MIGHT BE INTERESTING, YOU CAN STILL HAVE I GUESS WHAT I AM SAYING, IS THE KIND OF OUT LAW RESEARCHERS GOING OFF IN THEIR VARIOUS WAYS OF ASKING A QUESTION, BECAUSE IT IS OF INTEREST, AND THAT WOULD GET DONE TOO. BECAUSE THEY WOULD BE ABLE TO GET GRANTS IN PART BECAUSE THEY WOULD BE ABLE TO SITE THIS CORE DATA SET AND DATA CORE BEING OVER SEEN.

00:54:45.000 --> 00:54:47.000

SO I THINK THAT WOULD BE A GREAT STRENGTH OF IT, AND WOULD ALSO IF I AM UNDERSTANDING YOU, ADDRESS THE CONCERN THAT IT DOESN'T GO OFF IN A MILLION DIFFERENT DIRECTIONS.

00:54:47.000 --> 00:55:14.000

>> GREAT.

00:55:14.000 --> 00:55:38.000

>> THANK YOU, MY COMMENT WILL BE VERY BRIEF I REALLY WANT TO FIRST OF ALL COMMEND LAURA AND DAVID ON THE PROPOSED FRAMEWORK FOR THE RESEARCH AGENDA AND CONSORTIUM, I THINK IT IS EXCELLENT AND I WANT TO NOTE HOW BEAUTIFULLY ALIGNED IT IS WITH THE EQUITY MEASURES THAT WAS PRESENTED TO US PRIOR TO THIS DISCUSSION, HOW BEAUTIFULLY ALIGNED THEY ARE

00:55:38.000 --> 00:55:45.000

I AM VERY EXCITED TO HEAR ABOUT THE INTENTION TO HAVE ROBUST MULTIFACTORIAL ANALYSIS HAPPENING. AND, YOU KNOW REALLY SOPHISTICATED MODELLING THAT COULD BE ABLE TO PROJECT INTO FUTURE. THE RESULTS OF SPECIFIC INTERVENTIONS, AND, SO, JUST WANTED TO, AGAIN, CONGRATULATE YOU ON THE FRAMEWORK AND I REALLY LOVE IT.

00:55:45.000 --> 00:55:58.000

>> THANK YOU WE ARE GOING TO GO TO RAMON NOW

00:55:58.000 --> 00:56:19.000

>> THANK YOU. I WANT TO COMMENT ON THE DOCUMENTED COST SAVINGS, I THINK THAT WE NEED TO FACTOR IN THE INVESTMENTS THAT ARE GOING TO BE NECESSARY TO ACHIEVE THESE COST SAVINGS

00:56:19.000 --> 00:56:20.000

IF WE ASSUME THAT FAMILY CAREGIVERS ARE GOING TO TAKE UP THE LOAD WE NEED TO LOOK AT WHAT WE NEED TO SPEND TO MAKE SURE THAT WOOSHGS OUT, OTHER WISE THE SAVINGS

COULD EVAPORATE, HOPEFULLY THAT WILL INCLUDE INVESTMENT COSTS ALONGSIDE POTENTIAL SAVINGS.

00:56:20.000 --> 00:56:29.000

>> ABSOLUTELY.

00:56:29.000 --> 00:56:58.000

>> OKAY

00:56:58.000 --> 00:57:28.000

>> I WANT TO COMMENT ON LAURA'S COMMENTS REGARDING THE CONTRACT, I THINK THAT CONSTRUCT SEEMS, I AM NOT FAMILIAR WITH THE WAY ALL OF THOSE UNIVERSITIES GRANTS AND CONTRACTS ACTUALLY WORK, BUT I THINK THAT CONCEPT OF A CONSTRUCT IS VERY HELPFUL TO CONSIDER AS WE MOVE FORWARD. ALONG WITH THE ECONOMIC IMPACTS OF THE RETURN ON INVESTMENT, HOW MUCH WE HAVE TO SPEND TO GO INTO A COHESIVE CONTRACT OVER A MULTIYEAR PERIOD

00:57:32.000 --> 00:57:56.000

AND I ALSO THINK THE CONCEPT THAT WE HAVE DISCUSSED PREVIOUSLY ABOUT INCREDIBLY RICH DATA BASE, THAT IS AVAILABLE FOR A MYRIAD OF RESEARCHERS WHETHER OR NOT THEY ARE UNIVERSITY BASED OR ROGUE, OR INDEPENDENT INDIVIDUALS WHO WANT TO STUDY A PARTICULAR ELEMENT, WOULD REALLY BE HELPFUL TO THE OVER ALL SYSTEM, WE KNOW FROM OTHER DATA SETS AVAILABLE CURRENTLY IN MUCH DIFFERENT WAYS, MUCH SMALLER DATA SETS USED WIDELY

00:57:56.000 --> 00:58:21.000

I THINK THAT WOULD BE MASTERFUL, I DON'T RECALL IF THAT IS INCLUDED I DON'T THINK THE POINT ABOUT CONTRACTS IS, BUT I

DON'T KNOW IF THERE IS A OPPORTUNITY IN THE WRITTEN ELEMENTS OF THIS, I DON'T KNOW IF WE HAVE A WRITTEN DOCUMENT OTHER THAN OUR SLIDES RIGHT NOW. BUT WE MIGHT WANT TO ADD THAT, SOMEWHERE, WITHIN THE CONTEXT OF THE MASTER PLAN FOR AGING SO THAT THOSE THOUGHTS ARE NOT LOST.

00:58:21.000 --> 00:58:34.000

>> YEA, AND THAT BRINGS US REALLY NICELY, I THINK INTO OUR NEXT POINT, WHICH IS TO TRY TO PIN DOWN NEXT STEPS AND DAVID HAS HIS HAND UP AS WELL AND MAYBE YOU CAN MAKE COMMENT AND ALSO BRING USZ AROUND TO HOW--WE NEED TO HAVE SOMETHING BY SEPTEMBER 9TH, THAT WE FEEL COMFORTABLE TAKING TO THE STAKEHOLDER ADVISORY COMMITTEE

00:58:34.000 --> 00:58:40.000

CAN BE SOMETHING SIMILAR TO THIS, SLIDE PRESENTATION, WRITTEN DOCUMENT, CAN BE MORE DETAILED THAN THIS, CAN BE LESS DETAILED THAN THIS, SO, I WOULD LIKE TO HAND IT OVER TO DAVID

00:58:40.000 --> 00:59:10.000

AND, I KNOW YOU ARE OTHER COMMENTS BUT MAYBE ALSO CLOSE WITH WHAT OUR NEXT STEPS WOULD BE

00:59:25.000 --> 00:59:44.000

>> SURE, AND DO THIS WITH LAURA AND AGAIN OTHER MEMBERS OF THE GROUP THAT'S BEEN THINKING ABOUT THIS. I WILL JUST INITIATE THAT BY FOLLOWING UP EXACTLY, I WAS GOING TO COMMENT WHERE SHE JUST TOOK US, THAT PART OF THIS, TOO, AS CHRIS SAID, A NEED FOR THE MODEL AND DEDICATED FUNDING, USING LAURA'S APPROACH WITH WHAT WOULD BE

APPROPRIATE FROM A CONTRACT SO IT IS DEDICATED AND TARGETED. BUT OTHER ELEMENT AS WAS JUST SAID, THE DATA, WE HAVE HAD A CONCEPT OF THE DATA LAKE, WE HAVE PUT FORW

00:59:44.000 --> 01:00:07.000

STANFORD, AND UNIVERSITY OF ILLINOIS, AND, UNIVERSITY OF CHICAGO, IDEA FOR THE VERY BEST RESEARCHES TO FOCUS ON AI AND MACHINE LEARNING WITH LARGE DATA SETS NOT ONLY TO THE UNIVERSITY AND ACADEMICS BUT FOR THE PRIVATE SECTOR.

01:00:07.000 --> 01:00:25.000

THE IDEA THAT THIS IS MORE ROBUST THAN TA DAY FA DASHBOARD, BUT CRITICAL ISSUE, WE SHOULD WRITE INTO THE ELEMENT TO GO TOR WARD, THAT WOULD MAKE A UNIQUE DATA SET OR AGING DATA LAKE IF YOU WILL, THAT COULD BE USED TO ADVANCE THE TOPICS, AS SAID, THIS IS A UNIQUE OPPORTUNITY AND GROUP THAT CAN BE PUT TOGETHER

01:00:25.000 --> 01:00:38.000

BUT NEEDS TO STRUCTURE ISSUES TO MOVE IT FORWARD, TO YOU POINT I WOULD SUGGEST THAT WE TAKE THE KEY ELEMENTS FROM THIS, AND FRAME IT, IF YOUR GROUP AGREES ALONG THE LINES THAT HAVE BEEN NICELY DONE BY EACH OF THE OTHER GROUPS

01:00:38.000 --> 01:00:55.000

SO WE HAVE KEY ELEMENTS AND SPECIFIC RECOMMENDATIONS AND KEEP THE PRINCIPLES AND ADDITIONAL ONES MENTIONED TODAY, I THINK IN THE FRAMEWORK, WE KNOW IT IS GOING TO NEED CHAMPIONS,

01:00:55.000 --> 01:01:01.000

AND WHEN IT IS TAKEN BACK TO THE GOVERNOR THAT WILL HAVE TO BE CONSIDERED AND IT IS A ISSUE OF PRIORITIES BUT THINK IF WE CAN SHOW THE BENEFITS OF THIS IN THE LONG TERM AND HOW IFS A PORT NERSHIP WITH THE STATE AND DEPARTMENT,

01:01:01.000 --> 01:01:26.000

CAN REALLY HAVE IMPACTS FAR REACHING BEYOND WHAT WE CAN ENVISION TODAY, I WILL STOP THERE.

01:01:26.000 --> 01:01:30.000

>> OKAY, SO, TO LAND NEXT STEPS, IT SOUNDS TO ME LIKE WE NEED TO ADD A SECTION ON FUNDING AND GOVERNANCE. LAURA (CHUCKLE).

01:01:30.000 --> 01:01:43.000

>> I VOLUNTEER YOU TO TAKE A CRACK AT THAT

01:01:43.000 --> 01:01:55.000

I CAN CERTAINLY HELP. AND, ALSO, I WOULD INVITE EVERYBODY ON THIS COMMITTEE, TO, E-MAIL ME IF YOU WOULD LIKE TO TAKE A CRACK AT THIS.

01:01:55.000 --> 01:02:08.000

WE CAN GET YOU INVOLVED, WE NEED TO HAVE SOMETHING READY TO GO ABOUT THE NINTH, HAS TO BE DONE ABOUT A WEEK BEFORE THE SAC MEETING

01:02:08.000 --> 01:02:12.000

AND THE OTHER THING THAT YOU KNOW, OTHER SUB COMMITTEES HAVE DONE HAS BEEN TO OFFER A QUICK BRIEFING, TO WHATEVER SAC MEMBERS WERE COMING BEFORE THE SAC MEETING

01:02:12.000 --> 01:02:42.000

WE MIGHT BE ABLE TO DO THAT AS WELL.

01:02:46.000 --> 01:02:56.000

>> THANK YOU, REALLY GREAT WORK, THINKING OF THE ELEMENTS IN THE EXECUTIVE ORDER OF THE MASTER PLAN FOR AGING, I AM WONDERING IN THE SECTION RELATED THE FUNDING IF THERE IS A ROLE AND A PROUATE CONSTRUCT TO ARTICULATE PUBLIC #23U7BDING, FROM AND THROUGH VARIOUS STATE ENTITIES THAT MAYBE ARE WISHING TO PARTICIPATE AND LINE ITEM OR SOMETHING IN THAT WAY

01:02:56.000 --> 01:03:19.000

BUT ALSO THINKING ABOUT PRIVATE SECTOR AND FILL AN TLOPIC FUNDING AS CALLING THAT OUT AS POINTS AROUND THAT CORE

01:03:19.000 --> 01:03:26.000

SOMETHING AS A NUANCE OF PARTICULAR, SO, THAT, IT EXPRESSED SOMETHING, I THINK BROADER THAN SIMPLY A BUDGET LINE ITEM, WONDERING, IF YOU MAY, YOU DON'T NEED TO COMMENT NECESSARILY, BUT MAYBE HAVE A ARCHITECTURE FOR THAT RELATIVE TO THE PROJECT YOU WERE SPEAKING OF, IN TERMS OF WHAT THAT INFUSION OF PUBLIC AND PRIVATE CAPITAL

01:03:26.000 --> 01:03:42.000

>> HAPPY TO WORK WITH LAURA TO INCLUDE THAT.

01:03:42.000 --> 01:03:50.000

OKAY GREAT, THANK YOU. LAURA, DAVID AND ALL OF YOU WHO SPENT TIME LOOKING AT THIS AND THINKING ABOUT THIS. GET IN TOUCH IF YOU WOULD LIKE TO WORK ON THIS MORE BEFORE SEPTEMBER 8.

01:03:50.000 --> 01:03:54.000

I AM BEGINNING TO NOW HAND OFF TO TERRY, NEXT SLIDE

01:03:54.000 --> 01:04:24.000

WE WILL BEGIN OUR DISCUSSION OF THE DATA DASHBOARD

01:04:36.000 --> 01:04:46.000

>> HI ESH THANK YOU FOR JOINING US, WE ARE IN FACT GOING TO HAVE TIME FOR ROBUST DISCUSSION ON OUR DATA DASHBOARD ACROSS ALL FOUR GOAL AREAS, WE HAVE STRUCTURED THIS CONVERSATION IN TWO PARTS WITH A BREAK IN THE MIDDLE. FIRST PART FOCUS ON GOALS 1 AND 2, SECOND ON 3 AND 4, AND, OUR DESIRE HERE IS REALLY TO BLING EVERYBODY INTO THE PAGE IN TERMS OF WHERE WE ARE FOR NOW,

01:04:46.000 --> 01:05:09.000

WE HAVE DONE THIS PRIMARILY ON THE BASIS OF FEASIBILITY, WHAT IS FEEABLE FOR THE VERY FIRST ROLL OUT IN EARLY DECEMBER

01:05:09.000 --> 01:05:17.000

SO I WOULD LIKE EVERYBODY TO KEEP IN MIND AS WE GO THROUGH THE DISCUSSION, WE ARE LOOKING AT DECEMBER AS

YOUR ROLL OUT FOR THE VERSION 1.0 OF THE DASHBOARD, AND, IT WILL BE A LIVING DOCUMENT THAT IS GOING TO KEEP OUR COOL, GOING TO EVOLVE OVER TIME,

01:05:17.000 --> 01:05:34.000

THE CONVERSATION ABOUT THE PRELIMINARY MEASURES IDENTIFIED, SOME OF THEM ARE BAKED THAN OTHERS,

01:05:34.000 --> 01:05:38.000

WE WILL SHOW YOU VISUALIZATIONS THAT HAVE BEEN DONE IN SOME AREAS, IN OTHER AREAS, WE DON'T HAVE EVEN GOOD DATA SOURCES IDENTIFIED, WE WANT THAT CONVERSATION

01:05:38.000 --> 01:05:48.000

20 MINUTES PER GOAL, AND ALLOW TIME FOR DISCUSSION WITH EACH ONE

01:05:48.000 --> 01:06:11.000

I AM GOING TO TURN OVER. TAKE US THROUGH THE FIRST GOAL.

01:06:11.000 --> 01:06:21.000

>> THANK YOU, BEFORE WE BEGIN I WOULD LIKE TO THANK BOTH CARRIE, AND TERI AND KIM FOR HER LEADERSHIP AND MOVING THIS WOSHG ALONG, WE WERE IN THE THICK OF DOING THIS AND COVID-19 HIT US, THERE WAS A BREAK, BUT THE TEAMS REASSEMBLED AND A LOT OF WORK HAS HAPPENED IN THE LAST MONTH AND A HALF.

01:06:21.000 --> 01:06:50.000

AS YOU REMEMBER, AUDIOTAPE OF YOU WERE PART OF THE PROCESS OF IDENTIFYING SOME OF THE KEY MEASURES: THAT WOULD HELP GUIDE THE WORK FOR THE DASHBOARD. P.

01:06:50.000 --> 01:07:18.000

A LOT OF WORK WAS DONE BY STUDENTS AT TAKING MEASURES AND FRAMING THEM INTO DIFFERENT AREAS, AND THEN WE PICK UP FROM THERE TO LOOK AT WHAT ARE THE MEASURES, ARE THEY PUBLICLY AVAILABLE, WHAT IS THE UPDATE FREQUENCY FOR THESE MEASURES AND DO WE HAVE THE ABILITY TO TRACK THEM YEAR OVER YEAR. WE ALSO THEN IDENTIFY CERTAIN COMMON TEAMS I WILL SHARE THOSE TODAY WITH YOU

01:07:18.000 --> 01:07:43.000

AND THEN MOST IMPORTANTLY, DEVELOPING NARRATIVES THESE DASHBOARDS ARE THERE TO TELL A STORY, IF THE PICTURE IS WORTH A THOUSAND WORDS THE PICTURE SHOULD TELL THAT, THAT WORK IS HAPPENING ALREADY, WE ARE DEVELOPING STORY LINES AROUND THE MEASURES, AND THEN OF COURSE GETTING INTO THE SOFTWARE DEVELOPMENT AND WHATNOT IS THE LAST PHASE

01:07:43.000 --> 01:07:54.000

NEXT SLIDE. AS WE ENGAGE IN THE DISCUSSION TODAY, THERE ARE FOUR KEY AREAS WE NEED INPUT AND ADVICE FROM THE COMMITTEE. ARE THE PRELIMINARY IDENTIFIED MEASURES ADEQUATELY CAPTURING THE SORT OF VISION OF THE GOALS AND OBJECTIVES, ARE THE SIGNIFICANT PRIORITIES THAT ARE NOT REFLECTED

01:07:54.000 --> 01:08:05.000

TO WHAT EXTENT ARE SOME OF THE GOALS AND MEASURES MISSING? YOU WILL SEE THAT IN THE WORK SHEET THAT THERE ARE CERTAINLY GAPS IN CERTAIN AREAS

01:08:05.000 --> 01:08:08.000

AND THEN TALKING ABTD GAPS, VERY HELPFUL FOR US IF PEOPLE CAN ALSO IDENTIFY DATA SOURCES UNIQUE,

01:08:08.000 --> 01:08:33.000

THAT CAN HELP US FILL THE GAPS.

01:08:33.000 --> 01:08:47.000

ANY DASHBOARD, OTHER WISE YOU ARE NOT GOING TO BE ABLE TO TELL IF YOU ARE MAKING PROGRESS, I DON'T THINK WE CAN COME OUT WITH IDENTIFYING NUMBERS BE START TO THINK ABOUT WHAT SHOULD BE APPROACH ON SETTING THE TARGETS THAT WE CAN ALL AGREE ON ARE IMPORTANT AND PERHAPS BE TRACKED OVER THE NEXT TEN YEARS AS WE IMPLEMENT THE MASTER PLAN FOR AGING

01:08:47.000 --> 01:09:17.000

NEXT SLIDE.

01:09:24.000 --> 01:09:52.000

(CALLING NAMES) (ON SCREEN) OKAY, SO, HERE IS A QUICK SORT OF SUMMARY SNAPSHOT VIEW OF THE GOAL ONE INDICATORS AND WHERE WE ARE WITH THEM. THEN YOU LOOK AT GOAL 1, THERE ARE TWO OBJECTIVE THAT IS ARE GUIDING THE WORK, WHERE WILL CALIFORNIANS, HAVE HELP IF THEY LIVE IN THE HOMES AND

01:09:52.000 --> 01:10:06.000

WILL WE HAVE SUPPORT FOR CAREGIVERS AND LOVED ONES WHO TAKE CARE OF THEM. WITHIN EACH OF THESE OBJECTIVES WE WANT TO IDENTIFY PERSONAL AND SYSTEM LEVEL INDICATORS, SIMPLY PUT, PERSONAL LEVEL IS ONE WHERE DATA IS COLLECTED AT PERSONAL LEVEL, INDIVIDUALS ARE RESPONDING OR DATA COLLECTED ABOUT THE INDIVIDUAL LEVEL AND SYSTEM LEVEL ARE DERIVED FROM DATA REPORTED BY SYSTEMS AND ORGANIZATIONS IN THIS CASE AND LONG TERM CARE FACILITIES

01:10:06.000 --> 01:10:35.000

AND WE WANT TO HAVE A NICE MIX OF BOTH PERSON AND SYSTEM LEVEL INDICATORS BECAUSE YOU WANT TO DEVELOP A PROGRAM THAT IS GOING TO CRACK THEM BOTH AND HAVE POLICIES THAT WILL INFLUENCE BOTH OF THOSE.

01:10:35.000 --> 01:10:49.000

IF YOU LOOK AT OBJECTIVE 1.1, AT THE PERSONAL LEVEL, THERE ARE 3 INDICATORS AND THEY CAN ALL BE LUMPED INTO FUNCTIONAL STATUS, WE ALL KNOW IT IS A BIG, BIG THING, HUGE PREDICTOR OF OUT COMES OF PEOPLE'S WELL BEING, AND HOW THEY ARE GOING TO PROGRESS THROUGH THE DIFFERENT STAGES OF LIFE

01:10:49.000 --> 01:11:04.000

TWO THINGS YOU WANT TO MEASURE, ONE IS NEED FOR THE FUNCTIONAL STATUS, SUCH AS BATHING AND DRESSING ANDER RANTS, AND MORE IMPORTANTLY ARE THE NEEDS BEING MET?

01:11:04.000 --> 01:11:31.000

BEING PRACTICAL, WE ARE STARTING WITH IDENTIFYING THE NEEDS, BECAUSE THE DATA ON THAT IS ROBUST AND AVAILABLE,

AND THE DATA SOURCE WE ARE USING IS A BEHAVIORAL RISK FACTOR SURVEILLANCE SYSTEM.

01:11:31.000 --> 01:12:00.000

BEEN AROUND FOR OVER 50 YEARS, SO, DATA AND QUESTIONS ARE MATURE AND STABLE, ABILITY TO LOOK AT NOT DATA IN CALIFORNIA BUT ALSO ACROSS THE NATION, AND AROUND 4 HUNDRED CALLS AND INTERVIEWS EVERY YEAR, WE HOPE TO THEN SUPPLEMENT IN ROUND TWO, HOPEFULLY NEXT YEAR, WITH DATA FROM THE HEALTH INTERVIEW SURVEY, WHICH WILL HELP US IDENTIFY GAPS IN THE NEEDS

01:12:00.000 --> 01:12:28.000

SO, THOSE COME TOGETHER NICELY WHERE YOU KNOW WHAT THE NEEDS ARE, HOW WE ARE DOING THERE, AND WHAT ARE GAPS IN ADDRESSING THE NEEDS, AND I WILL SHOW YOU A SKETCH OF A DASHBOARD THAT THE TEAM HAS MADE, THAT SHOWS THE DATA ON NEEDS. AT THE SYSTEM LEVEL. WE FOCUSED ON SYSTEM LEVEL DEFICIENCIES IN THE SAFETY AREA, SAFETY IS A REALLY IMPORTANT MEASURE OF HOW WELL WE ARE TAKING CARE OF SEEN YORES

01:12:28.000 --> 01:12:44.000

REALLY ROBUST DATA COLLECTED BY THE OFFICE OF STATEWIDE HEALTH PLAN AND CMS, AND WE HAVE ACCESS TO THAT, AND WE ARE GOING TO SHOW TWO MEASURES THERE, IN TERMS OF DEFICIENT AND ACCESS, WHAT ARE THE NUMBER OF LICENSES, AND HELPS US ADDRESS INEQUITY AND DISPARITIES IN HEALTH CARE

01:12:44.000 --> 01:13:14.000

SECOND OBJECTIVE IS AROUND CARE GIVING, NOW, MUCH SPARSE DATA ON CARE GIVING

01:13:17.000 --> 01:13:47.000

AGAIN, NATIONAL SURVEY, BUT ALSO A CALIFORNIA PART OF THAT, AS A FIRST STEP WE ARE GOING TO START TO SHOW WHAT ARE THE NUMBERS OF CAREGIVERS, KNOW THAT NATIONALLY 40 MILLION CAREGIVERS ENGAGED, SO, WHAT IS THE STATUS OF THAT IN CALIFORNIA, BUT NOT JUST AS A STATE BUT COUNTY BY COUNTY AND ZIP CODE BY ZIP CODE, AND DEMOGRAPHICS OF THE CAREGIVERS AND LOOKING AT RACIAL AND INCOME AND OTHER DISPARITIES IN CARE GIVING

01:14:02.000 --> 01:14:11.000

WE HAVE NOT IDENTIFIED THE TARGETS BUT WE HOPE TO HAVE AROUND 20-30 TARGET VALUES COMPLETED BEFORE DECEMBER 1. AND, BY NO MEANS THESE TARGETS ARE GOING TO BE HARD AND FAST, I THINK IT IS DIRECTIONAL, WE WANT TO SEE CERTAIN CHANGE IN THESE DATA POINTS OVER TIME, AND, THOSE ARE LIKE MILE MARKERS THAT HELP GUIDE US IN THAT DIRECTION.

01:14:11.000 --> 01:14:23.000

YOU ARE SEEING A PICTURE OF THE STATE.

01:14:23.000 --> 01:14:25.000

>> WE ARE MODELLING TWO THINGS, ABLE TO SHOW YOU SAFETY DEFICIENCY, COLOR CODED WHERE RED IS HIGHEST NUMBER

01:14:25.000 --> 01:14:33.000

GREEN IS LOWEST.

01:14:33.000 --> 01:14:47.000

WE ARE ALSO SHOWING YOU ON GRAY SCALE, WHICH COUNTIES ARE DOING BETTER THAN ORES.

01:14:47.000 --> 01:15:07.000

THIS QUICKLY HELPS YOU IDENTIFY ORANGES AND YELLOW AREAS WHICH CAN HELP YOU FOCUS ON WHERE YOU NEED TO IMPROVE.

01:15:07.000 --> 01:15:22.000

AT THE TOP ARE A NUMBER OF FILTERS THAT HELP YOU CHOOSE AND SELECT DIFFERENT VIEWS. SO YOU CAN CHOOSE DIFFERENT TYPES OF LONG TERM CARE DOWN BY VARIABLE GROUPS, SHOW ME ALL FOR A CERTAIN MINORITY.

01:15:22.000 --> 01:15:28.000

IF A FACILITY HAS MORE THAN 50%. USE THE SLIDER TO HIGHLIGHT DISPARITY IN CARE BY RACE

01:15:28.000 --> 01:15:52.000

ALSO FILTER DOWN AND SHOW ME 5 AND ABOVE.

01:15:52.000 --> 01:16:00.000

ON THE LEFT HAND SIDE, YOU DO ALL THOSE FILTERS, THE RACE AND AGE AND OTHER METRICS WILL EVOLVE, ON THE LEFT HAPD SIDE, YOU SEE BASIC DEMOGRAPHICS THAT ARE ABOUT THE STATE AND PROGRESS WE ARE MAKING, IN TERMS OF RACIAL COMPOSITION, AND, IT IS IMPORTANT IN TERMS OF HEALTH CARE POLICY.

01:16:00.000 --> 01:16:25.000

AND LONG TERM SERVICES AND SUPPORT POLICY. AND OF COURSE, COMPOSITION OF THE STATE.

01:16:25.000 --> 01:16:38.000

ANOTHER DASHBOARD YOU NOTICE THE SIMILAR LAYOUT, WE DO THIS ON PURPOSE TO MAKE THE DASHBOARDS CONSISTENT, SO USERS AS THEY VIEW THEM, QUICKLY GET USED TO THE LAYOUTS,

01:16:38.000 --> 01:16:44.000

ON THE MAIN RIGHT HAND WE ARE MODELLING THE SPECIFIC QUESTIONS AROUND ADL NEEDS OR FUNCTIONAL NEEDS LIKE DRESSING AND BATHING, AND WALKING AND CLIMBING STAIRS.

01:16:44.000 --> 01:17:08.000

AND WE CAN MODEL THEM OVER MULTIPLE YEARS, CHOSEN TO GO ONLY FIVE YEARS BACK.

01:17:08.000 --> 01:17:12.000

AND WE ARE MODELLING RIGHT NOW, BLUE LINE IS CALIFORNIA. AND, THE OVERAGE LINE IS ALL OF THE OTHER STATES, BUT WE HAVE THE ABILITY TO SELECT ALL OF THE STATES IN ONE VISUALIZATION, SO YOU CAN SEE ALL 50, OR COMPARE TO ANY STATE YOU WANT. WE ALSO HAVE TO LOOK AT WHERE CALIFORNIA RANKED. IN GENERAL WE RANK IN THE MIDDLE TIER FOR ALL STATES

01:17:12.000 --> 01:17:27.000

IN TERMS OF REPORTING THE FUNCTIONAL DIFFICULTIES

01:17:27.000 --> 01:17:47.000

ON THE TOP, YOU HAVE CERTAIN SLIDERS.

01:17:47.000 --> 01:18:17.000

THE IDEA BEING TO EXPLORE DISPARITIES IN DELIVERY, AND DISPARITIES IN NEEDS ACROSS THESE REALLY IMPORTANT INDICATORS. ON THE LEFT HAND SIDE WE HAVE BASIC DEMOGRAPHIC OFS THE POPULATION AND RACE, AND EDUCATION AND EMPLOYMENT. AND INCOME.

01:18:38.000 --> 01:18:55.000

>> THIS IS WHERE I HAND OFF MY DISCUSSION WHO IS GOING TO LEAD DISCUSSION OF THE FOUR AREAS AND ANYTHING ELSE COMMITTEE WOULD LIKE TO WEIGH ON. I APPRECIATE YOUR FEEDBACK AND YOU KNOW, THIS IS CLEARLY LIKE SAID, A WORK IN PROGRESS, I DO WANT TO THANK YOU THE SCIENCE TEAM AND TEAM, THAT HAVE BEEN GREAT IN GETTING THIS WORK DONE. U KUDOS TO THEM FOR THE TASK OF PULLING TOGETHER A LOT OF DATA TO HELP US WITH THE INITIAL PROTOTYPES

01:18:55.000 --> 01:19:25.000

>> WONDERFUL, THANK YOU SO MUCH. LIKE THIS IS SO POWERFUL, TO SEE THE DATA COME TO LIFE, AND THE VISUALS THAT YOU AND TERRI AND CDPH TEAM, AND ALL OF THE WEST HEALTH SUPPORT HAS MADE POSSIBLE

01:19:32.000 --> 01:20:02.000

SO, HUGE THANK YOU FOR THAT, AND, I WILL START WITH A FEW OPENING COMMENTS AND, THEN CERTAINLY HERE TO HELP FOSTER A DISCUSSION. I THINK THE THING I WOULD LIKE TO SART WITH FIRST, AGO KNOWLEDGEMENT, THIS IS VERSION 1. AND, I KNOW THAT WE ANTICIPATE YOU KNOW MANY, MANY, MORE VERSIONS, SO, I THINK IT'S EASY TO TAKE A FIRST LOOK AT THIS

AND SAY, ARE THESE MEASURES WE WANT TO BE MEASURING?
BECAUSE THERE IS SO MANY FACTORS TO THINK ABOUT

01:20:29.000 --> 01:20:59.000

HOW DO WE ARTICULATE SUCCESS, AND, CHANGE MEASUREMENT
IN SUCH A LARGE GOAL AREA, AS PEOPLE BEING ABLE TO HAVE
KINDS OF SUPPORT THEY NEED TO LIVE WELL AT HOME AND
SUPPORT FOR FAMILY CAREGIVERS, SO, I AM REALLY PLEASED TO
SEE WHAT THIS IS LOOKING LIKE. AT THE BEGINNING, SO, I THINK
YOU KNOW, TEMPERING ON WHAT IT MEANS TO HAVE AVAILABLE
DATA, WHAT IT MEANS TO HAVE HAVE MEASURES THAT DEFINE
CHANGE AND ASSESS DIFFERENCES, BY ALL OF THE
CHARACTERISTICS WE HAVE TALKED ABOUT TODAY, QUICK THANK
YOUING

01:21:10.000 --> 01:21:29.000

I WOULD LIKE TO ACKNOWLEDGE FOR THE RECORD, THAT, WHAT
SEEMS LIKE A MILLION YEARS AGO ON MARCH 10, A FEW OF US
WENT AND SPOKE TO LONG TERM SERVICES AND SUPPORT SUB
COMMITTEE ABOUT PROPOSED DASHBOARD MEASURES FOR THIS
GOAL. AND, THERE IS IN THE TOGETHER WE ENGAGE WEBSITE
UNDER THAT COMMITTEE MEETING MINUTE, THERE IS A SERIES OF
PROPOSED DASHBOARD MEASURES FOR THIS GOAL. AND IN
THAT INCLUDE KEY CONSIDERATIONS AND I THINK THIS IS TRUE
FOR ALL OF THE GOALS

01:21:29.000 --> 01:21:58.000

I WILL DO A LITTLE LEVEL SETTING ON WHAT WE SEE. AS THE
DASHBOARD COMES TO BEING, THERE IS CONSIDERATION OF
BROAD DATA SOURCES AS BEEN DISCUSSED AND CONTENT THAT
ALIGNS WITH GOAL ANDS OBJECTIVES AND RESPECTIVE
CONTRIBUTIONS OF POPULATION LEVEL AND PROGRAM LEVEL
DATA

01:21:58.000 --> 01:22:28.000

AS WELL AS THAT THE DASHBOARD HAS POTENTIAL TO SET THE BASELINE AND SHOW DIFFERENCE ANDS MEASURE CHANGE ON THE LANDSCAPE OVER TIME, SO, THINKING ABOUT THAT, I REALLY APPRECIATE THE VERSION 1 MEASURES THAT ARE HERE, AND START TO DESCRIBE THE POPULATION AT LAND, AND IN JUST A MOMENT I GIVING HER A HEADS UP,

01:22:34.000 --> 01:23:04.000

I WOULD LOVE FOR CATHERINE TO TAKE A MOMENT TO TALK ABOUT WHAT IS COMING FORWARD, WHAT IS NOT AVAILABLE AT THIS POINT IN TIME TO PUT IN THE DASHBOARD, BUT WILL BE SHORTLY IS THE LONG TERM SERVICES AND SUPPORT MODULE. AND, SO, THERE ARE A NUMBER OF DIFFERENT FACTORS THAT TALK ABOUT THE ENVIRONMENT FOR INDIVIDUALS AND UNMET NEEDS, AND WILLING ABLE TO MEASURE UNMET NOODZ AS WELL AS VARIABLES FOR CAREGIVER, I THINK LOOKING AT WHAT WILL BE COMING SHORTLY WILL FILL IN ITEMS

01:23:09.000 --> 01:23:17.000

I WAS THINKING ABOUT AND, OUR SUB COMMITTEE WAS THINKING ABOUT TO POOPULATE HOW WOULD WE UNDERSTAND THE BASELINE AND MEASUREMENT OF CHANGE IN THAT. AND, SO, ONLY THING I WILL SHARE BEFORE I GIVE IT OVER, SHE WILL GET TWO MINUTES TO TALK ABOUT THE MODULE, IN TERMS OF WHEN WE EXPECT IT, I AM PLEASED THAT THE SCAN FOUNDATION AND COMMONWEALTH FUND FUNDED AIRP

01:23:17.000 --> 01:23:34.000

ALL STATES RANK ON MEETING HI PERFORMING SYSTEM OF CARE FOR OLDER PEOPLE AND PEOPLE WITH DISABILITIES AND FAMILY CAREGIVERS

01:23:34.000 --> 01:24:03.000

AND, THOSE MEASURES, THAT DATA WAS SUPPOSED TO COME OUT IN JUNE. AND, IS NOW SET TO COME OUT ON SEPTEMBER 24TH. AND AS SOON AS I HAVE INFORMATION ON THAT RELEASE ZOOM WEBINAR I WILL LET EVERYONE ON THIS CALL KNOW.

01:24:03.000 --> 01:24:27.000

BUT IN THAT IS A--ARE SOME PARTICULAR MEASURES AROUND FAMILY CARE GIVING AND BROKEN IN A DIFFERENT WAY, SO, THERE WILL BE SOMETHING THAT COULD POTENTIALLY BE INCLUDED IN VERSION OF ONE GOING FORWARD, OR ACKNOWLEDGE WHAT THE RANK IS ON THE MEASURE GOING FORWARD, SO, WE HAD A LITTLE MORE IN TERMS OF SYSTEM DYNAMICS UNDER THE OBJECTIVE 1.2,

01:24:27.000 --> 01:24:56.000

SO, WITH THAT KNOWING WE HAVE ANOTHER COUPLE MINUTES I WANT TO HAND OVER TO CATHERINE, FROM, UCLA TO SPEAK A BIT ABOUT WHAT--JUST A LITTLE BIT OF THE FLAVOR AND WHEN WE EXPECT THE DATA WILL COME FROM THE TOOL.

01:24:56.000 --> 01:25:11.000

>> REMIND YOU WHERE WE ARE, WE ARE RUNNING A LITTLE LONG, I THINK WE ARE ABLE TO MANAGE IT, A LOT OF FOLKS WANT TO JUMP IN, GO TO YOU FIRST, AND (CALLING NAMES). WE WANT TO HEAR FROM ALL OF YOU BUT PLEASE BE MINDFUL OF THE TIME. THANK YOU

01:25:11.000 --> 01:25:41.000

>> CAN YOU HEAR ME, GREAT, THANK YOU, SO, THE CALIFORNIA HEALTH SURVEY, BRIEFLY BEEN COLLECTING DATA SINCE 2001,

USED TO INFORM A LOT OF STATE LEVEL POPULATION HEALTH DECISIONS.

01:25:49.000 --> 01:26:01.000

STARTING IN 2019, DEVELOPED AND IMPLEMENTED A MODULE, FOLLOW ON SURVEY THAT COLLECTS INFORMATION ON LONG TERM SERVICES AND SUPPORT, AND, SOME OF THESE MEASURES THAT ARE NOT ON THE DASH BOARD BUT I AM HOPEFUL WE WILL BE ABLE TO PROVIDE THE DATA, FROM THE 2019-2020 LTSS SURVEY, BY THE END OF OCTOBER OF 2021, AS A REMINDER THIS IS A SAMPLE OF 2 THOUSAND PEOPLE WHO IDENTIFY AS HAVING THESE DIFFICULTIES WITH THESE

01:26:01.000 --> 01:26:31.000

WE WILL BE ABLE TO--WE HAVE DRAWN THE SAMPLE FROM THE 40 THOUSAND HOUSEHOLDS THAT ARE SURVEYED FOR THE DATA COLLECTION EFFORT

01:26:35.000 --> 01:26:45.000

SO WE ARE ABLE TO LINK DATA FROM THE OVER ALL CHIS, AND, PROVIDES A WEALTH, WITH SPECIFIC QUESTIONS ON LTSS, SO, THESE DATA ARE GOING TO INCLUDE INFORMATION ABOUT UNMET NEEDS AND ADVERSE CONSEQUENCES OF UNMET NEEDS, ACCESS TO SERVICES WHAT PEOPLE NEED, WHAT THEY ARE GETTING, AND ALSO, IMPORTANTLY CONSUMER,

01:26:45.000 --> 01:27:15.000

I THINK, THE SURVEY, IT IS A GREAT COUNTER POINT, FROM BRAMS AND INSTITUTIONAL SETTING,

01:27:17.000 --> 01:27:43.000

IT IS GOING TO LET US LEARN ABOUT WHAT IS HAPPENING IN THE COMMUNITY, FOR PEOPLE WHO ARE CONNECTED TO SERVICES BUT IMPORTANTLY ALSO WE NEED TO LEARN ABOUT PEOPLE WHO ARE NOT CONNECTED AND WHAT THEIR EXPERIENCES ARE, THIS IS REPEATED AGAIN, THE CYCLE IN 2023 AND 2024, AND AGAIN THAT FULL DATA SET WILL BE AVAILABLE AT THE END OF OCTOBER, 2025, WE HAVE THE TWO DATA POINT INS TIME, WE WILL BE ABLE TO LOOK AT, I WANT TO QUICKLY MENTION, THERE IS ALSO A IN DEPTH EQUAL TA TI

01:27:43.000 --> 01:27:58.000

STUDY IN BETWEEN THE TWO EVENTS AND BACK TO DOCTOR LINCOLNS COMMENTS ABOUT THE IMPORTANCE OF HAVING BOTH QUANTITATIVE AND QUALITATIVE, I THINK IT WILL GIVE US CONTEXT, AND RICH INFORMATION REFLECTING DIVERSITY OF EXPERIENCES FOR PEOPLE WITH LTSS NEEDS, MINDFUL OF TIME, I WILL MOVE ALONG AND NEXT PERSON. THANK YOU.

01:27:58.000 --> 01:28:28.000

>> ALL RIGHT GREAT, THANK YOU, UP NEXT. AND, I DO HAVE ONE MORE HAND TO ADD TO THE LIST, WHICH IS RAMON, I WILL ADD YOU AFTER. GOE AHEAD

01:28:39.000 --> 01:29:09.000

>> GOSH THANK YOU EVERYONE, THIS IS SUCH REMARKABLE WORK, AND SO EXCITING TO SEE IT COME TO LIFE, I ALSO APPRECIATE YOU ARE USING AARP DATA, IT IS SUCH A RICH DATA POINT FOR US, AND EXCITING TO SEE THAT PARTNERSHIP, AT A LOCAL AND NATIONAL LEVEL, REALLY I THINK THAT IS TERRIFIC, ONE COMMENT FOR THE PUBLIC REASONERS IN THE SLIDE SHOWN, RELATED TO THE DASHBOARD INDICATORS YOU PUT UP, I THINK IT'S REALLY CRITICAL THAT THE LONG TERM CARE FACILITIES, IT IS NOTED THEY DON'T JUST INCLUDE SKCILI

01:29:30.000 --> 01:29:32.000

THAT PULL DOWN LIST PROBABLY HAS THE LIST OF FACILE I THAT ARE LICENSED AND IN CALIFORNIA, WHY DID WE JUST PICK THAT INDICATOR, AND ONLY SHOWS REALLY WHAT IS SKILLED NURSING FACILITIES? SO, THAT IS GOING TO BE--TO THE POINT THAT WAS MADE EARLIER, THIS IS A LOIFING DOCUMENT AND A LOT OF DATA THAT IS ACCESSIBLE AND NOT ACCESSIBLE, I WANT US TO KEEP IT IN MIND AS WE BUILD OUT PARTICULARLY THOSE INDICATORS BUT I AM SURE EVERY SINGLE DASHBOARD WILL HAVE REAL GAPS SINCE WE HAVE NOT STARTED COLL FORW

01:29:32.000 --> 01:30:02.000

>> THANK YOU.

01:30:30.000 --> 01:31:00.000

>> HI, SO, FIRST OFF LET ME THANK TERRI, THE DASHBOARD LOOKS AMAZING, EAGER TO GET TO PLAY WITH IT MYSELF. ONE CONCERN I HAVE WAS THAT THE PATIENCE BY PAYMENT SOURCE FOR LONG TERM CARE DATA POINTS WAS USING THE FACILITY DAY, THERE IS A KNOWN ISSUE WITH THAT DATA, IN WHAT THEY CALL MANAGED CARE LUMPED IN MEDI-CAL MANAGED CARE AS WELL AS MEDICARE MANAGED CARE, SO, TO REALLY GET A GOOD SEASONS ABOUT THE SOURCE AND RELATIVE LEVEL OF PAYMENT FOR THEM, YOU HAVE TO LOOK AT A SECONDARY MEDI-C

01:31:03.000 --> 01:31:21.000

WHICH WOULD HAVE A BREAK DOWN BETWEEN THE MEDI-CAL, VERSUS MANAGED. I THINK IT IS IMPORTANT TO NOTE, BASED ON THE NUMBERS INDICATED IT IS 10% OFF FOR MEDI-CAL PORTION OF SERVICES, A SECOND POINT THAT IS VERY MINOR IS THAT AS A COLOR BLIND PERSON, THE COLOR SCHEME, IS ABSOLUTE INAK ACCESSIBLE. IF THERE ARE A MORE SATURATED COLOR.

01:31:21.000 --> 01:31:50.000

OR ADDITIONAL DETAILS TO BE ADDED LIKE SIM BOLG OR SOMETHING LIKE THAT, WOULD MAKE IT EASIER FOR PEOPLE TO UNDERSTAND THE GRAPH. NOT THE GRAPHS, BUT THE MAP THAT HAS THE DOTS WITH DEFICIENTS ET CETERA. THAT WAS IT FOR ME, THANK YOU SO MUCH.

01:31:50.000 --> 01:32:15.000

>> GREAT. AND THANK YOU FOR THAT. BOTH FOR THE ADDITIONAL DATA SOURCES AND FOR THE COMMENT ON ACCESSIBILITY, ABSOLUTELY SOMETHING THAT WE WILL BE FOCUSSING ON BEFORE WE PUT IT OUT IN A WAY THAT PEOPLE WITH PLAY AROUND WITH AS YOU SAID, SO, APPRECIATE THAT, NEXT, CHRIS YOU ARE UP.

01:32:15.000 --> 01:32:45.000

>> THANK YOU VERY MUCH, I WANT TO ACKNOWLEDGE OUTSTANDING VOLUNTEER EFFORT FOR WHAT THE GROUP DID IN MAKING THE DASHBOARD SO FAR, AND, OBVIOUSLY CAVEATS ABOUT THE LIMITATIONS OF AVAILABLE DATA, BUT I THINK THAT IS WORTH DRIVING HOME, GOAL, 1.1, WAS SOMETHING ALONG THE LINES OF PEOPLE HAVING THE RESOURCES AND TOOLS AVAILABLE TO HELP THEM LIVE WHERE THEY WANT.

01:32:45.000 --> 01:33:04.000

AND, SO, YOU KNOW, THE DATA THAT ARE PRESENTED IS YOU KNOW, DISABILITY IDL, ADL LIMITATIONS. AND, THEN. YOU KNOW QUALITY OF NURSING HOMES. AND, YOU KNOW, NO ONE WANT TOS LIVE IN A NURSING HOME, RELEVANCE OF THAT IS UNCLEAR TO ME, WE DON'T KNOW ANYTHING ABOUT WHAT YOU KNOW, AT THIS POINT, IS BEING OFFERED TO ASSIST PEOPLE WITH THOSE ADL KINDS OF LIMITATIONS

01:33:04.000 --> 01:33:13.000

SO, IF THIS IS TYPICAL, THE AVAILABLE DATA IS SCANT, THOUGHT OF IN TERMS OF WHETHER THIS IS GOING TO GET SOMEWHERE GAD OR WHAT THE COSTS ARE GOING TO BE TO DO FOLLOW UP DATA ON THESE KINDS OF THINGS

01:33:13.000 --> 01:33:43.000

BUT ONE THING THAT DID OCCUR TO ME AS POSSIBLE UNUSED DATA SOURCE THAT MIGHT BE HELPFUL IN THIS LVL, AS IMPORTANT AS QUALITY OF NURSING HOMES

01:33:48.000 --> 01:34:15.000

IN NURSING HOME, JUST HOW MANY ARE IN DIFFERENT STATE RUN MEDICAL OR NEAR MEDICAL KINDS OF PROGRAMS, JUST HOW MANY PEOPLE BY COUNTY ARE IN HOME DELIVERED MEALS OR IHSS, OR WHATEVER. AGAIN DOESN'T MEAN WE ARE MEETING PEOPLE'S NEEDS BUT AT LEAST IT TELLS YOU COMPARED TO HOW MANY PEOPLE HAVE A NEED OR HOW MANY PEOPLE ARE GETTING SERVICE.

01:34:15.000 --> 01:34:26.000

>> THANK YOU SO MUCH, WE DEFINITELY ACKNOWLEDGE THE SYSTEM LEVEL MEASURES, EVEN AT THE DESCRIPTIVE LEVEL LIKE YOU ARE TALKING ABOUT, AND MY SENSE OF THAT IS THAT THE DATA WERE NOT AS CLEAN AS THIS. EVEN TO GET TO SOME OF THOSE SYSTEMS, ELEMENTS IN TERMS OF COUNTS OF PEOPLE INSIDE OF DIFFERENT PROGRAMS AT THIS VERSION 1.0 POINT AND PLEASE CORRECT ME IF I AM WRONG

01:34:26.000 --> 01:34:45.000

THAT WAS SOMETHING TO BE ADDED TO THE DASHBOARD AS SOON AS THAT LEVEL WAS AVAILABLE.

01:34:45.000 --> 01:34:55.000

>> I THINK CHRIS IS RIGHT, THAT LEVEL OF DATA WILL REALLY HELP INFORM AS THE MORE PROGRAM LEVEL, ACCESS TODAY TO HAVE AGREEMENTS WITH DIFFERENT PROGRAMS THAT ALLOW US TO LOCK AT THE SETS WHILE THAT WORK IS UNDERWAY, MAY NOT BE FEASIBLE TO GET IT BY DECEMBER.

01:34:55.000 --> 01:35:05.000

AGREE.

01:35:05.000 --> 01:35:35.000

>> THAT DOESN'T SEEM RIGHT, GICH THAT THE AGENCIES ARE SUPPOSED TO BE PITCHING IN, I DON'T UNDERSTAND WHY DATA IS NOT AVAILABLE.

01:35:46.000 --> 01:35:56.000

>> ONE COMPONENT WE ARE NOT SHOWING HERE. BUT THAT IS ALSO BUILT OUT, ARE DEMOGRAPHICS AND, SOME OF THOSE DESCRIB TORS IN TERMS OF POPULATION, NOT NECESSARILY THE PROGRAMS BUT THE POPULATIONS. SOME OF WHAT YOU ARE SUGGESTING MAY COME IN THAT LAYER, BUT IF THERE ARE SPECIFIC, WELL, I WAS--WHY DON'T WE HOLD ON THAT THOUGHT, BECAUSE AS YOU SEE ADDITIONAL MEASURES IN OTHER AREAS MAY HELP TO CLARIFY.

01:35:56.000 --> 01:36:26.000

IN THE INTEREST OF TIME.

01:36:53.000 --> 01:37:21.000

>> THIS IS NOT A DATA POINT THAT WOULD BE IN THE DECEMBER DISPLAY FOR SURE, BUT YOU KNOW I WANT TO CIRCLE BACK AND SAY, SOME OF THE OTHER PROGRAMS AREA DATA SERVICED AREA DATA WILL BE COMING UP, AS WELL AS YOU KNOW LIKE CATHERINE INDICATED LIKE IN THE CHIS, FOR THE CALIFORNIA CAREGIVER RESOURCE SCEPTERS DATA WE HAVE ONLY LIMITED DATA THIS YEAR WE COULD SHARE. BUT, IN THIS CURRENT FISCAL YEAR, AT THE EBD OF IT, WE ESTIMATE BETWEEN 7 AND 8 THOUSAND CARE GIVING FAMILIES ACROSS THE STATLY

01:37:21.000 --> 01:37:50.000

ALSO AN AREA THAT WE DON'T HAVE A LOT OF INFORMATION ON. EVERYTHING THAT WE REPORT ON PRACTICALLY SPEAKING IS A MEDICAID POPULATION. SO, I WANTED TO MAKE MENTION OF THAT, THAT IS SORT OF A COMING PIECE OF INFORMATION THAT COULD BE ADDED TO THIS GOAL 1.

01:37:50.000 --> 01:38:03.000

>> I WANT TO UNDERSCORE SOMETHING CHRIS SAID AND YOU SAID IT ELOQUENTLY I APPRECIATE IT, THAT THE DATA JUST DOESN'T EXIST. SO, THAT IS WHY THE DATA IS NOT IN THERE. YOU KNOW FOR EXAMPLE, ASSISTED LIVING COMMUNITIES THEY ARE ABOUT 170 THOUSAND RESIDENTS GIVE OR TAKE, SOME NUMBER LIKE THAT, THERE IS NO DATA ABOUT SAFETY AND QUALIFY IN THE Os

01:38:03.000 --> 01:38:26.000

IN THE SAME WAY WE HAVE FOR SKILLED NURSING FACILITIES, EVEN THOUGH PEOPLE DON'T WANT TO LIVE IN THE FACILITIES A LOT OF PEOPLE MOVE IN AL.

01:38:26.000 --> 01:38:36.000

I THINK THAT IS VERY IMPORTANT DATA POINT, BACK TO YOU KNOW, OUR, SHORT TERM LONG TERM RANGE OF OPPORTUNITY HERE, WE MAY NEED TO BUCKET WHAT NEEDS TO BE DONE FIRST, VERSUS FOUR OR L YEARS OR TEN, BECAUSE WE CAN'T DO EVERYTHING AT ONCE, BUT SOME DATA SHOULD ABSOLUTELY BE COLLECTED NOW.

01:38:36.000 --> 01:38:53.000

OR SOONER RATHER THAN LATER I SHOULD SAY.

01:38:53.000 --> 01:39:13.000

THANK YOU ALL I AM GOING TO PUSH US THROUGH TO GOAL 2, WE WILL BE PUSHING BACK THE BREAK TIME BY A LITTLE BIT, BUT WE WILL DO OUR BEST TO MOVE ALONG QUICKLY. SO, WE PRESERVE OUR BREAK, AND, ALSO ALLOW TIME FOR TOPICS TO BE ADDRESSED.

01:39:13.000 --> 01:39:26.000

FOR GOAL 2, I WANT TO RECOGNIZE WE HAVE FOUR INCREDIBLE LEADS. ON GOAL 2, FROM RESEARCH SUB COMMITTEE.
(READING).

01:39:26.000 --> 01:39:42.000

THEY HAVE BEEN INVOLVED IN THE GOAL 2 WORK GROUP ON THE POLICY RECOMMENDATION SIDE, SO, THERE IS A LOT OF ACTIVE DEVELOPMENT HAPPENING IN THIS GOAL AREA AS WE SPEAK AND A LOT OF GREAT WORK BEEN DONE

01:39:42.000 --> 01:39:46.000

YOU WILL SEE WE HAVE PRELIMINARY INDICATORS IDENTIFIED BUT THERE IS A LOT OF WORK TO BE DONE NO SAY OUT LOUD.

01:39:46.000 --> 01:39:58.000

SO, LET'S GO TO THE NEXT SLIDE.

01:39:58.000 --> 01:40:21.000

AT A HIGH LEVEL I WANT TO NOTE THAT LIKE YOU SAW IN THE ORE SLIDE WE ARE TRYING TO MAP OUT EACH OBJECTIVE PESH AND SYSTEM LEVEL INDICATORS

01:40:21.000 --> 01:40:51.000

AND IN THE REALM OF GOAL 2 OF COURSE WE HAVE OBJECTIVES AROUND THE BUILT ENVIRONMENT AND ESSENTIALLY OBJECTIVES AROUND THE SOCIAL ENVIRONMENT, AND, SO, WITHIN THE BUILT ENVIRONMENT, WE HAVE A COUPLE INDICATORS AROUND HOUSING AND TRANSPORTATION THAT HAVE BEEN IDENTIFIED, PRELIMINARILY, BUT WE NEED GOOD DATA SOURCES FOR THOSE

01:40:59.000 --> 01:41:16.000

AND, IN THE SOCIAL AND CIVIC ENGAGEMENT WE HAVE INDICATORS FOR LET'S GET HEALTHY CALIFORNIA, OF COURSE PUT TOGETHER BY PARTNERS AT THE CALIFORNIA DEPARTMENT OF PUBLIC HEALTH. I WANT TO ACKNOWLEDGE THE FANTASTIC THAT THE PARTNERS AT CDPH AND WEST HEALTH HAVE BEEN DOING AROUND THIS WORK, I WANT TO ACKNOWLEDGE THAT WE AS MENTIONED EARLIER, WE HAVE DONE A LOT OF WORK TO IDENTIFY A HUGE POOL OF CANDIDATES

01:41:16.000 --> 01:41:41.000

THAT WAS DONE BY CANDIDATE INDICATORS BY A GROUP OF STUDENTS, AND, ONE OF THOSE IS ON THE LINE WUS TODAY, THANK YOU FOR YOUR WORK.

01:41:41.000 --> 01:42:11.000

SO I AM NOT GOING TO GO INTO DETAILS, BECAUSE I WANT TO GIVE HER A OPPORTUNITY TO TALK ABOUT, GO TO THE NEXT SLIDE.

01:42:11.000 --> 01:42:26.000

>> ALONG WITH OTHERS, NOT REPRESENTED IN SLIDES. THEY WERE SENT OUT WITH MEETING MATERIALS, I ENCOURAGE YOU TO LOOK AT THOSE, IF YOU ARE COMFORTABLE WITH IT I WOULD LIKE TO KICK OFF TO YOU, TO KICK OFF OUR DISCUSSION, UP TO THE NEXT SLIDE, EVERYBODY HAS THE DISCUSSION ITEMS IN FRONT OF THEM.

01:42:26.000 --> 01:42:56.000

ADD MY THANKS AS OTHERS HAVE.

01:43:03.000 --> 01:43:11.000

>> THANK YOU FOR YOUR GREAT WORK, I WANT TO ACKNOWLEDGE MY GOAL 2 PEOPLE ON THE CALL, PLEASE JUMP INTO THE CONVERSATION, AS WE DISCUSS THE QUESTIONS, ON SCREEN HERE. I WANT TO PROVIDE A BIT OF FRAMING WITH REGARDS TO WHERE WE ARE. VERSUS AS MENTIONED THAT ORIGINAL ROUND OF BACK IN FEBRUARY, OF POTENTIAL INDICATORS AND WHERE WE ARE NOW WITH WORK OPINION ON PARALLEL TRACKS WITH THE GOAL 2 WRITING TEAM, AND SUB COMMITTEE, NOW COMING TO A POINT WE CAN START A PAIR UP AND THINK LY ARE THE

01:43:11.000 --> 01:43:36.000

RELATIVE TO THAT GOAL THAT ARE NOW IN THE GOAL 2 RECOMMENDATIONS.

01:43:36.000 --> 01:44:06.000

BEFORE I DIVE TOO DEEPLY INTO INDICATORS, OR MEASURES I REALLY FIRST WANT TO JUST ACKNOWLEDGE HOW COMPLEX AND MULTIFACETTED THE GOAL 2 AREA IS, LIVABLE COMMUNITIES AND PURPOSE, CONTAINS HOUSING.

01:44:18.000 --> 01:44:41.000

SOCIAL, PARKS, PUBLIC COMMUNICATIONS, BROAD RANGE OF ISSUES WITH SUB ISSUES UNDER THEM. WHEN YOU THINK IN TERMS OF HOW NOT ONLY INTERCONNECTED THESE ISSUES ARE, AND COMPLEX THEY ARE, LOOKING AT FACTORS FROM AFFORDABILITY TO ACCESSIBILITY TO EQUITABLE ACCESS ACROSS POPULATION GROUPS AND REALLY SO MUCH MORE, THERE IS A HOST OF MEASURES THAT WE COULD LOOK AT RELATED TO THIS, AND ONE CONCERN THAT I HAVE VOICED, IS THAT YOU KNOW AGAIN UNDERSTANDING WE ARE 1.0 VERSION WE CANNOT MEASURE EVERYTHING

01:44:41.000 --> 01:45:10.000

MEANS WE MAY MESS THE BIGGER PICTURE. SO I HAVE CONCERN WITH THAT.

01:45:10.000 --> 01:45:39.000

I WILL BE REFERENCES AS MENTIONED A SIDE DOCUMENT PROVIDED AS A HANDOUT TO EVERYONE, SO, IF YOU HAVE THE ABILITY TO LOOK AT THAT,

01:45:39.000 --> 01:46:09.000

EITHER THE SAME OR SIMILAR ENOUGH IN THE SPREAD SHEET OF INDICATORS HAVE PROVIDED AND ONE THING IS THAT AS NOTED THERE IS A LOT OF MISSING DATA, WE ARE LOOKING AT

SOMETIMES MEASUREMENT POINTS THAT LACK A DATA SOURCE,
AND SOMETIMES, DATA SOURCE NEEDS TO BE IDENTIFIED

01:46:30.000 --> 01:46:42.000

IN OTHER CASES PATHWAYS TO COLLECTING THIS, FOR FUTURE
COLLECTION, AND, THOSE ARE NOTED AND, AS AVAILABLE. THIS
IS A WORKING LIST, AND, NOWHERE NEAR FINAL. SOME
MEASURES WITH THE FIRST QUESTION AROUND, ARE THEY
ADEQUATE SNAPSHOT, SOME OF THE MEASURES CURRENTLY
PROPOSED MAINLY SPEAK TO AVAILABILITY OF FEATURES OR SER
VIS, ONE EXAMPLE IS NUMBER OF SEEB YOUR CENTER OS YMCO
OR COMMUNITY CENTERS OR AFFORDABLE HOUSING AVAILABLE.

01:46:42.000 --> 01:47:08.000

THERE ARE OTHER FACTORS WITH REGARD TO PLACEMENT,
WHERE ARE THE FEATURES, THOSE COMMUNITY RESOURCES,
ARE THEY ACTUALLY AVAILABLE IN CALIFORNIA. AND IN
COMMUNITIES ACROSS THE STATE.

01:47:08.000 --> 01:47:18.000

SO, SOME OF THESE ARE MINIMUM BAR TYPE OF INDICATORS
WHERE WE ARE LOOKING A MEASURE THAT CAN SPEAK TO HOW
WELL THE AVAILABLE SERVICES ACTUALLY MEET THE NEED, EVEN
THINKING ABOUT NUMBER OF AFFORDABLE HOUSING UNITS
AVAILABLE, THAT DOESN'T TELL YOU MUCH, IF YOU ARE NOT
PAIRING WITH ACTUAL DATA THAT SHOWCASES THE NEED
RELATIVE TO AVAILABILITY.

01:47:18.000 --> 01:47:29.000

SO THAT IS ONE EXAMPLE.

01:47:29.000 --> 01:47:44.000

LISTS SOME POTENTIAL MEASURES, WHAT HAS BEEN IDENTIFIED TO THAT. AND, REALLY QUICKLY GOING TO TRY TO COMMENT ON THE OTHER QUESTIONS AND OPEN UP FOR DISCUSSION FOR THE GROUP

01:47:44.000 --> 01:47:55.000

BUT SOME OF THE GAPS IDENTIFIED TIED SPECIFICALLY TO GOAL 2 RECOMMENDATIONS, DO YOU HAVE ACTUAL TIME LINES, FOR BEING ABLE TO ASAYS PROGRESS FOR THE DATA POINTS

01:47:55.000 --> 01:48:25.000

IN SOME OF THE ACTUAL RECOMMENDATIONS WITH SAY A FIVE YEAR BENCHMARK OR TIME FRAME FOR BEING ABLE TO COLLECT SOME OF THESE DATA.

01:49:09.000 --> 01:49:39.000

OR BE ABLE TO ACCESS IT. SO, DEPENDING ON THE MEASURE, MIGHT BE AN EXISTING PATHWAY FOR DATA COLLECTION OR AUGMENTATION, SUCH AS TRANSPORTATION MEASURES LISTED IN THE SPREAD SHEET, THERE IS A REFERENCE THERE, TOO, THE FACT THAT THE DATA THAT WE ARE--DATA POINTS WE ARE PROPOSING SHOULD BE COLLECTED THROUGH EXISTING COORDINATED HUMAN SERVICES PUBLIC TRANSIT PLANS APPROVED THROUGH CAL TRANCE, THIS IS NOT KURPTLY COLLECTED BUT THAT IS A VEHICLE, POTENTIAL FOR THOSE POINS AND, SO, SOME OF QUAPOSE

01:49:50.000 --> 01:50:20.000

I WILL SPEAK TO TRANSPORTATION, A LOT OF WHAT IS COLLECTED IN THE PAST, MIGHT SPEAK TO HOW THE SYSTEM WORKS, OPPOSED TO THE PERSON CENTER ADD PROECH, SO SOME OF THAT DOES NOT EXIST. AND, WE NEED TO AS A PART OF THE RECOMMENDATION PROCESS, THERE ARE

RECOMMENDATIONS FOR ADDING QUALITATIVE DATA MEASUREMENTS TO SOME OF THOSE MORE QUANTITATIVE DATA THAT CURRENTLY EXIST ON THINGS.

01:50:40.000 --> 01:51:03.000

SUCH AS YOU KNOW COST PER TRIP AND THINGS OF THAT NATURE, SO, LOOKING AT THE INDICATOR LIST, SKOM OF THEM REALLY SPEAK TO THE SYSTEM LEVEL, AGAIN LACKING PERSON-CENTERED DATA, BUT, ONE EXAMPLE I WILL PULL OUT ARE YOU KNOW, ARE ACCESSIBLE TRIPS FROM DIFFERENT AGENCIES, WITH APREPPUATE COST ALLOCATION BEING APPLIED. THAT SEEMS MORE OF A QUESTION, THAT'S POSED. BUT, REALLY SPEAKING TO, LOOKING AT TRANSPORTATION DATA IN A DIFFERENT WAY, OPPOSED TO A SYSTEM APPROACH.

01:51:03.000 --> 01:51:33.000

SEE HOW COORDINATED AND EFFECTIVE FOR THE RECIPIENTS, THAT MEASUREMENT WOULD BE, SO, I DON'T WANT TO TAKE UP THE TIME WITH GENERAL COMMENTS ABOUT THE LIST OF INDICATORS THAT ARE WORKING LIST THAT ARE PROPOSE DZ HERE.

01:51:42.000 --> 01:52:12.000

ALSO ONE LAST NOTE WITH REGARD TO MISSING DATA, WE ARE ALSO LACKING IN THIS LIST YOU KNOW ONE AREA OF THE GOAL TWO REPORT FOCUSES ON COMMUNICATIONS, ONE AREA LACKING DATA IS FOR MEASUREMENT FOR THIS, ACCESS TO AFFORDABLE BROAD BAND AND HIGH SPEED INTERNET SERVICES FOR OLD R ADULTS ACROSS THE STATE, ADDING THAT IN AS A MEASURE. SO, ADDITION TO SELF-REPORTED MEASURES THAT SPEAK TO SOCIAL PARTICIPATION LIKE CIVIC ENGAGEMENT AND VOTINGING RATES, THERE ARE OTHER MEASURES, WHETHER IT'S REGARDS TO A

01:52:38.000 --> 01:53:08.000

OR OLDER ADULTS VOLUNTEERING DIFFERENT THINGS WE REALLY NEED TO KEEP TOP OF MIND AS WE ARE TRYING TO LOOK AT ISSUES ACROSS LIVABLE COMMUNITIES AND HOW THEY INTERSECT TO SHOW HOW LIVABLE THE COMMUNITIES ARE BECOMING OVER TIME FRAME, AND LASTLY BEFORE I OPEN IT UP, IS THAT WE HAVE TALKED IN PREVIOUS SUB COMMITTEES ABOUT LINKING, PERHAPS TO LIVABILITY INDEX AS ONE MEANS OF NOT RECREATING THE WHEEL, BUT HAVING DATA AVAILABLE THAT ALREADY AT THE COMMUNITY LEVEL THAT LOOKS AT A VARIETY OF NOT TABLE

01:53:09.000 --> 01:53:25.000

HOW MIGHT THE DATA DASHBOARD LINK TO LIVABILITY INDEX AS A OPPORTUNITY TO DIVE DEEPER AT THE COMMUNITY LEVEL TO A BROADER ARRAY OF SXEFK DATA POINTS, WITH THAT I WILL OPEN UP TO TEAM MEMBERS FOR COMMENT AND ADDITIONAL POINTS OF CLARIFICATION

01:53:25.000 --> 01:53:30.000

>> WE HAVE A COUPLE OF MINUTES BEFORE WE ARE PLANNING TO TAKE THE BREAK, IF, THERE ARE ANY COMMITTEE MEMBERS THAT WOULD LIKE TO CHIME IN.

01:53:30.000 --> 01:53:36.000

>> YOU DID A GREAT JOB I THINK YOU OUT LINED IT VERY WELL.

01:53:36.000 --> 01:53:45.000

>> THANK YOU.

01:54:01.000 --> 01:54:25.000

>> WE ARE GOING TO RECONVENE, PASS OFF TO KEEP MOVING US ALONG

01:54:25.000 --> 01:54:51.000

>> HI EVERYONE, THANK YOU SO MUCH FOR REJOINING US. AND, I HOPE YOU HAD A REFRESHING BREAK, BRIEF AS IT WAS, WE ARE NOW GOING TO MOVE INTO OUR DISCUSSION OF GOALS 3 AND 4, AND I WILL AGAIN TURN BACK OVER TO ZIA FOR DISCUSSION OF GOAL 3 AND THEN I WILL BE BACK WITH YOU FOR DISCUSSION OF GOAL 4, WANT TO TAKE IT AWAY?

01:54:51.000 --> 01:55:21.000

>> THANK YOU, MOVE TO THE NEXT SLIDE. AGAIN I WOULD LIKE TO ACKNOWLEDGE THE COLLEAGUES PART OF THEM ON GOAL 3.

01:55:25.000 --> 01:55:47.000

IN GOAL 3, WE HAVE A HAVE PLETHORA OF DATA SOURCES AND INDICATORS, AT THE PERSONAL LEVEL AND SYSTEM LEVEL, AS WE THOUGHT ABOUT GOAL 3, IMPORTANT TO HAVE A GOOD REPRESENT OF BEHAVIOR YAL HEALTH, AND ORAL HEALTH AND PHYSICAL HEALTH, AND THEN OF COURSE OF THE WELL BEING PERSPECTIVE. AND THINGS THAT MATTER FOR SENIORS AND COMMUNITY. OBJECTIVE 3.1.

01:55:47.000 --> 01:56:07.000

IS THAT THE CALIFORNIA

01:56:07.000 --> 01:56:37.000

IN TERMS OF ACCESS TO HEALTH CARE SERVICES, THEY MAKE A SCORE THAT IS BOTH ACCESS TO PROVIDER AND NOT JUST

ACCESS IN TERMS OF PROVIDER AVAILABLE AND ALSO DISTANCE NEEDED TO TRAVEL TO GET TO THE PROVIDER AND IN TERMS OF THOSE SCORES,

01:56:47.000 --> 01:57:17.000

THEY CAN BE USED THROUGH ACCESS FROM A PERSONAL LEVEL PERSPECTIVE TO PROVIDERS AND THEN OF COURSE THERE IS THE AREA, WE CAN PRIMARY CARE AND DENTAL CARE AND MENTAL HEALTH, NFBLTH, SHOW YOUR GRAPHIC FROM THE DATA

01:57:31.000 --> 01:57:39.000

>> WE ALSO WANT TO LOOK AT OBJECTIVE 3.2, AK SAYS TO AFFORDABLE ACCESSIBLE HEALTH CARE THAT IS SENIOR FRIENDLY, AND DEMENTIA AND DISABILITY FRIENDLY, AND THAT'S A HUGE AREA, RATHER THAN BOIL THE OCEAN ON THAT, WE SORT OF STUCK TO PICKING SOME KEY PROGRAMS AND AREAS, WE HAVE GOOD DATA AND PARTNERS HAVE DONE TREMENDOUS WORK ON LET GET HEALTHY DASHBOARD, WE PROPOSED TO

01:57:39.000 --> 01:58:09.000

THAT IS VERY COMPREHENSIVE AND GIVES US ACCESS TO ALL KINDS OF BEHAVIOR SERVICES IN THE COUNTY.

01:58:17.000 --> 01:58:39.000

WE WANT TO LOOK AT PACE AND MODEL OF CARE, AND ADULT DAY CARE PROGRAM, AND ACCESS, AND NUMBER OF PEOPLE WHO ARE ELIGIBLE, FAR MORE THAN NUMBER WHO GET SERVICES TODAY. WE WANT TO LOOK OT HOSPITAL LEVEL. AND WORK, IDENTIFYING

01:58:39.000 --> 01:58:55.000

AND HOSPITAL READMISSION RATES AND, STATE COUNTIES SO, WE WILL BE RETRACT THOSE IN TERMS OF SHOWING WHERE WE ARE TODAY, AND WHAT ARE SOME OF THE TARGET VALUES THAT WE ALL AGREE WE SHOULD GET TO OVER THE FUTURE.

01:58:55.000 --> 01:59:25.000

CAN WE GO TO THE NEXT SLIDE. SO, HERE IS JUST A BRIEF SKETCH YOU KNOW, HIGHLIGHTING THE POPULATION DATA FOR PRIMARY CARE PHYSICIANS, AND SIMILAR FOR DENTAL AND MENTAL HEALTH SERVICE AREAS

01:59:31.000 --> 01:59:58.000

THE BLUE IS CONSIDERED LESS THAN 2 THOUSAND POPULATION, PER PHYSICIAN, AND, THIS IS ALL PEOPLE, NOT JUST SENIORS. AND, THEN RED ARE WHERE THERE IS MORE THAN 2 THOUSAND RESIDENTS PER PHYSICIAN. THIS IS ONE SKETCH THAT THE TEAM HAS BEEN WORKING TO FURTHER EXPAND INTO CITY. AND ALSO MUCH MORE RESOLUTION OF DIFFERENT TYPES OF PROVIDERS. INCLUDING BEHAVIOR AND DENTAL HEALTH FT

01:59:58.000 --> 02:00:13.000

RECOGNIZING THERE ARE MUCH MORE DISPARITIES IN ACCESS TO CARE FOR SENIORS WHICH HAVE BEEN HIGHLIGHTED DURING THE PANDEMIC. THIS IS ALIGNED WITH THE WORKFORCE GOAL, I DON'T WANT TO SPEAK TO THIS ONE, BUT YOU WANT TO HELP US HERE, TREMENDOUS OPPORTUNITIES GOING FORWARD TO COLLECT MORE DATA ON BEHAVIOR HEALTH

02:00:13.000 --> 02:00:28.000

AND SPECIFICALLY THE INTEGRATION ARE MENTAL HEALTH TO REALLY YOU KNOW HAVE ALL SENIORS AND PEOPLE WITH DISABILITIES HAVE ACCESS TO THAT LEVEL OF CARE.

02:00:28.000 --> 02:00:33.000

SHE CAN HIGHLIGHT MORE ON THAT, I AM NOT GOING TO GO INTO THE DETAILS ON THIS SLIDE, THESE ARE THINGS WE ARE LOOKING AT ACQUIRING IN THE FUTURE.

02:00:33.000 --> 02:01:03.000

>> NEXT SLIDE, PLEASE

02:01:03.000 --> 02:01:13.000

>> THERE IS A OPPORTUNITY FOR THE GROUP. MOVE THEM ALONG, AGAIN RECOGNIZING THIS IS THAT VERSION, 1.0, BUT THIS TREMENDOUS OPPORTUNITY TO USE THIS AS A BASELINE AND GO FROM THERE, I THINK MANY OF THE INDICATORS CAN GET LUMPED TOGETHER, SO, WE DON'T LOSE THE VALUABLE DATA AND ALSO DON'T CROWD OUT THE DASHBOARD WITH TOO MUCH INFORMATION

02:01:13.000 --> 02:01:43.000

AND THEN, WHAT ARE SOME OF THE PERSON OR SYSTEM LEVEL GOALS OR OBJECTIVES AND BY THIS CURRENT PROTOTOPMENT

02:01:51.000 --> 02:02:21.000

WHAT SHOULD BE SETTING TARGETS AND BENCHMARKS AND RECOGNIZING THEY ARE BEGINNING TO HELP US ASSESS OVER THE NEXT TEN YEARS AND THEN WOULD LOVE TO GET FEEDBACK ON DATA SOURCES YOU HAVE UNIQUE RESOURCES AND IDEAS, AND, PLEASE YOU KNOW TELL US RIGHT NOW, E-MAIL US, HAPPY TO CHASE DOWN THOSE LEADS.

02:02:32.000 --> 02:02:50.000

>> THANK YOU, I HAVE ACTUALLY BEEN ON I DID NOT HAVE MY VIDEO ON FOR SOME REASON, SORRY ABOUT THAT, SO, THE SLIDE YOU SEE HERE, ARE JUST THE WAY WE ARE COLLECTING DATA RIGHT NOW, AT THE STATE LEVEL, THE FIRST ONE, IS, FOR A VERY UNIQUE PROGRAM SPONSORED BY THE MENTAL HEALTH SERVICES ACT, CALLED THE FULL SERVICE PARTNERSHIP, AND THE DATA COLLECTION AND REPORTING SYSTEM, DCR COLLECTS THE DATA, THAT, FOR THE FULL SERVICE PARTNERSHIP A LOTS PROVIDERS TO PUT TOGETHER ANY TYPE OF SERVICES

02:02:50.000 --> 02:03:02.000

ALL THAT IT TAKES TO HELP PEOPLE RECOVER. SO, THIS IS A GREAT EXAMPLE OF LINKING INTO SERVICES THAT ADDRESS THE SOCIAL DETERMINEANCE OF HEALTH AND HOUSING AND LOIMENT AND OTHER THINGS LIKE THAT.

02:03:02.000 --> 02:03:21.000

DELIVERED THE FULL SERVICE PART THEY ARESHIP DOES NOT INCLUDE VERY MANY OLDER ADULTS, DOES INCLUDE SOME, IT IS A GREAT EXAMPLE I THINK SOMETHING THAT WE MIGHT WANT TO TAKE A LOOK AT AS HOW THEY HAVE BEEN ABLE TO DO THIS.

02:03:21.000 --> 02:03:42.000

THE NEXT PERSON LEVEL IS REALLY PRIMARILY FOR DIFFERENT TYPES OF SERVICES, RIGHT NOW, WE HAVE DIFFERENT KINDS OF DATA FOR MENTAL HEALTH SERVICES AND WE HAVE OTHER KINDS OF DATA SOURCES FOR THE SUBSTANCE ABUSE SERVICES

02:03:42.000 --> 02:04:12.000

THIS GIVES EXAMPLES OF THAT AND THEN, THERE ALSO IS A CONSUMER, A CLIENT SURVEY ABOUT CONSUMER OUT COMES WHICH I THINK IS VERY USEFUL ACROSS ALL THE COUNTIES AND THEN FINALLY. THERE IS A VERY GOOD DATA SET,

02:04:14.000 --> 02:04:44.000

FOR DATA THAT IS REPORTED ON THE BLOCK GRANTS BACK TO SAMSA, THAT AT A SYSTEM LEVEL IS A GOOD DATA SOURCE.

02:05:19.000 --> 02:05:24.000

>> THANK YOU, I DO THINK, I LOVE PACE, AND I HAVE A REAL PERSONAL CONNECTION TO SERIOUS AND PERSISTENT MENTAL ILLNESS, BUT I DON'T THINK FOR OUR PURPOSES EITHER OF THOSE ARE PARTICULARLY IMPORTANT INDICATORS FOR WHERE WE ARE. IN TERMS OF TRYING TO TRACK THE HEALTH AND QUALITY OF HEALTH CARE AND SERVICES FOR OLDER ADULTS, SO, THERE ARE 16 THOUSAND PEOPLE IN PACE IN CALIFORNIA, AND, THERE ARE YOU KNOW, 1.2 MILLION DUALS AND I AM NOT SURE WHAT PORTION ARE NURSING HOME ELIGIBLE DOUBLE ONES

02:05:24.000 --> 02:05:49.000

NOT THE PROBLEM THAT OLDER ADULTS ARE REALLY SUFFERING FROM IN A MAJOR WAY,

02:05:49.000 --> 02:06:19.000

A SMALL NUMBER OF PEOPLE SUFFER INTENSELY, BUT YOU KNOW, DEPRESSION AND ANXIETY DOES NOT GET INTO THE SPECIALTY MENTAL HEALTH SYSTEM AS ALL, VERY SERIOUS COMMON COLD OF AGING AND MENTAL HEALTH. SO, YOU KNOW I THINK WE NEED TO GO BACK AND NOT JUST FOCUS ON YOU KNOW WHERE WE HAVE PROGRAMS AND NOT JUST FOCUS ON THINGS WE LOVE, LIKE PACE

02:06:30.000 --> 02:07:00.000

BUT, THINK HARDER ABOUT WHAT ARE GOOD INDICATORS OF QUALITY OF CARE, I WOULD SUGGEST AS I DID EARLIER, REALLY LOW HANGING FRUIT, LIKE PREVALENCE OF DIAGNOSIS OF ALZHEIMER'S DISEASE AND MEDICAL RECORDS AND USE OF CMS MEDICARE BENEFITS LIKE ANNUAL WELLNESS VISIT OR SIMILAR THINGS WE KNOW SHOULD BE USED AND ARE INDICATORS OF HOW WELL OUR HEALTH CARE SYSTEM IS CARING FOR OLDER ADULLS. AS I WANT TO ADD THAT THERE IS ON A PROGRAM LEVEL A

02:07:08.000 --> 02:07:36.000

>> WE HAVE MANY BEST PRACTICES WITHIN THE AGING NETWORK USING STATE PUBLIC MENTAL HEALTH FUNDS TO DELIVER PREVENTION AND EARLY INTERVENTION PROGRAMS INCLUDING PEER COUNSELING AND DEPRESSION SCREENING, AND OTHER KINDS OF THINGS LIKE THAT. THAT ARE LINKED AND BEING DELIVERED THROUGH THE AGING SERVICE NETWORK. AND SEVERAL ORGANIZATIONS, DAY CARE CENTERS AND OTHERS, HAVE RECEIVED CONTRACTS TO DELIVER SERVICES

02:07:36.000 --> 02:07:38.000

AND AND I THINK THERE IS A LOT OF PROMISE. TO ADDRESS, VERY IMPORTANT BEHAVIOR HEALTH PROBLEMS THAT MAY NOT BE YET AT THAT SERIOUS MENTAL ILLNESS STAGE THROUGH PREVENTION AND EARLY INTERVENTION TYPES OF DATA AT THE COUNTY LEVEL

02:07:38.000 --> 02:08:08.000

>> NEXT UP.

02:08:27.000 --> 02:08:49.000

>> YEA, I WANT TO THANK YOU FIRST OF ALL FOR THE PRESENTATION, I WANT TO COMMENT ON PACE. AND I WOULD

SUGGEST THERE PROBABLY ARE A SIGNIFICANT NUMBER OF PROGRAMS IN CALIFORNIA, THAT HAVE NOT REALLY EXPANDED OR ACCELERATED BECAUSE OF A LACK OF DATA, I AM NOT QUITE SURE WHAT THE REAL PROBLEM WITH PACE EXPANSION ACTUALLY IS. I DO THINK A BUCKET OF PROGRAMS THAT FALL INTO THE CATEGORY OF PROGRAMS THAT HAVE NOT ACCELERATED AND YET MAY EXPOSE SOME REALLY GREAT OUT COMES AND BENEFITS TPOPUL

02:08:49.000 --> 02:09:19.000

WE MIGHT WANT TO CONSIDER AT SOME POINT, WHEN IS THE QUESTION, AND HOW MUCH MONEY IS AVAILABLE, BUT MIGHT WANT TO CONSIDER THE BUCKETED GROUP OF SMALL PROGRAMS AND I ACTUALLY THINK PACE MAY BE LESS I THINK JUST CROSSED THE TEN THOUSAND MARK.

02:09:25.000 --> 02:09:43.000

GREAT PROGRAM NECESSARY POTENTIAL OUT COMES BUT SMALL POPULATION OF PEOPLE, HOW DO WE CONSIDER THAT IN THIS MASTER PLAN, HOW DO WE CONSIDER THE EMOTIONAL AND BEHAVIOR BENEFITS THE ECONOMIC BENEFITS, BOTH TO SOME COMMENTS THAT WERE MADE EARLIER REGARDING CARE GIVING AND OTHERS, EVEN THOUGH THEY HAVE NOT ACCELERATED AT THE RATE AT WHICH WE MIGHT HAVE EXPECTED, AND, SO, SOMETHING WE SHOULD KEEP SOMEWHERE IN OUR DOCUMENTS, AND MAYBE THIS IS A FOOTNOTE OR MAYBE A STATEMENT

02:09:43.000 --> 02:10:13.000

WHAT ARE THE TEN HIGHLY VALUED PROGRAMS THAT HAVE NOT OVER PERFORMED BY VOLUMES. MAY DO VERY WELL BY OUT COMES, SOMETHING FOR US TO CONSIDER.

02:10:28.000 --> 02:10:43.000

>> I WANT TO REMIND THOSE, IN PRIOR DISCUSSIONS WE SHOW YOU THAT THE FRAMEWORK WE HAVE INCLUDES KEY INDICATORS BUT ALSO HAS THE ABILITY TO ADD IN SOME CONTEXT INFORMATION AND OR REFERENCES TO OTHER DATA SOURCES OR OTHER EXAMPLES OF YOU KNOW OF PROGRAMS OR EFFORTS THAT DON'T YET HAVE A ROBUST DATA BASE BEHIND THEM, SO, WE CAN'T SHOW THEM IN A INDICATOR SORT OF WAY, BUT WE CAN USE IT TO PROVIDE, POINT TO THOSE TO PROVIDE CONTEXT, AND, RESOURCES. TO HELP PEOPLE WHO ARE USING THE DASHBOING

02:10:43.000 --> 02:11:13.000

SO, WHAT YOU WERE JUST DISCUSSING MIGHT BE A CANDIDATE FOR THAT TYPE OF APPROACH, JUST REMINDING FOLKS THAT IS ANOTHER TOOL WE HAVE IN OUR TOOL KIT. TO CONSIDER THAT OF USE

02:11:23.000 --> 02:11:39.000

YOU ARE NEXT? HI, I WANTED TO AGAIN, THAURNG AND ECHO THE COMMENTS, I SAW YOI KNOW LOOKING AT THE BEHAVIOR HEALTH ASPECT AND SPECIALTY MENTAL HEALTH SPECIFICALLY ISN'T REALLY HITTING WHAT THE BEHAVIOR HEALTH ASPECTS ARE FOR THIS COMMUNITY. ESPECIALLY SINCE A LOT OF PEOPLE WITH LOWER LEVELS OF DEMENTIA, AND ALZHEIMER'S AND THINGS LIKE THAT, THEY DON'T ACTUALLY END UP IN SPECIALTY MENTAL HEALTH AND DON'T QUALIFY FOR THE SERVICES AND DON'T QUALIFY

02:11:39.000 --> 02:12:09.000

NOT SURE ANT THE DATA SETS MIGHT INCLUDE THOSE, BUT MY UNDERSTANDING THEY DON'T END UP IN THE PROGRAMS, THANK YOU.

02:12:24.000 --> 02:12:31.000

I DON'T SEE ANY HANDS UP ON THIS TOPIC, IN THE INTEREST OF TIME, WE ARE MAKING PROGRESS. I AM GOING TO PUSH US TO GOAL 4. OKAY, SO, AGAIN WE WANT TO ACKNOWLEDGE THE RESEARCH COMMITTEE SUB COMMITTEE MEMBERS WHO HAVE BEEN LEADING ON THE GOAL 4 AREA. KAREN LINCOLN WE HEARD FROM EARLIER, NARI, AND, RAMON HAVE ALL BEEN EAGERLY ENGAGED ON THIS TOPIC AND UNFORTUNATELY HAVE BEEN THIS TOPIC HAS BEEN PARTICULARLY SHORTCHANGED, I WILL SAY

02:12:31.000 --> 02:12:56.000

AS A RESULT OF THE BREAK THAT WE TOOK DUE TO THE MUCH NEEDED COVID-19 RESPONSE.

02:12:56.000 --> 02:13:03.000

SO, WE HAVE NOT A OPPORTUNITY TO DIG INTO GOAL 4 IN THE RESEARCH COMMITTEE UP TO THIS POINT. AND SO YOU WILL SEE WE HAVE A LOT OF IDEAS ON THE TABLE FOR FOLKS TO DISCUSS AND LOOK FORWARD TO YOUR FEEDBACK. AND, WE ARE GOING TO REALLY GIVE US A GREAT OVER VIEW OF SOME POTENTIAL INDICATORS,

02:13:03.000 --> 02:13:33.000

I AM GOING TO GIVE A HIGH LEVEL SORT OF SMALL SUBSET AND THEN I WILL TURN OVER

02:13:49.000 --> 02:13:59.000

NEXT SLIDE. GOAL 4 HAS QUITE THE VARIETY OF ISSUES AND REALMS WITHIN IT. AND SO, IN FACT THIS IS THE ONE GOAL AREA THAT ACTUALLY HAS 3 OBJECTIVES WITHIN IT, RATHER THAN 2, SO, WE HAVE TAKEN A CRACK AT IDENTIFYING SOME PERSON AND SYSTEM LEVELS, IN OBJECTIVE 4.1, WHICH IS FOCUSED ON ECONOMIC SECURITY. AND, OBJECTIVE 4.2, WHICH IS FOCUSED ON PROTECTION FROM ABUSE AND NEGLECT AND EXPLOITATION

02:13:59.000 --> 02:14:15.000

AND THE INDICATORS WE HAVE CHOSEN OR PRELIMINARILY CHOSEN, REALLY HAVE TO DO WITH BUILDING ON THE GOAL 4 RECOMMENDATIONS TO FOCUS ON THE ELDER ECONOMIC INDEX AND COST OF LIVING

02:14:15.000 --> 02:14:45.000

AND YOU HEARD THEM REFER THAT EARLIER AS WELL. WE HAVE TAKEN THAT TO HEARD AND REALLY LOOKED TO BUILD ON THE DATA SOURCES IN ORDER TO LOOK AT THE FINANCIAL WELL BEING OLDER ADULTS

02:15:06.000 --> 02:15:26.000

AND, IN TERMS OF TP OBJECTIVE 4.2, YOU KNOW, WE ARE HAVING A HARDER TIME FINDING DATA ON THAT, WE WILL APPRECIATE HEARING FROM YOU ON IDEAS FOR MORE SOURCES ON THOSE. BUT QUICKLY I DID WANT TO KNOW, IN ADDITION TO THE SURVEY AND INDEX WE ARE TRYING TO LEVERAGE FOR THIS GOAL. WE HAVE INDICATOR HERE THAT IS BUILT ON PROGRAM DATA, IN THIS CASE, OLDER ADULTS ENROLLED IN CAL FRESH AND ALSO ON THE ECONOMIC ONE. THE RISK OF SSI, AND SSP TO ELDER ECONOMIC INDEX

02:15:26.000 --> 02:15:33.000

SO, WE ARE TRYING TO LEVERAGE PROGRAM DATA WHERE WE CAN. AND I DID WANT TO NOTE THAT THE HEALTH AND HUMAN SERVICES AGENCY HAS A DATA SUB COMMITTEE, NOW STARTED FORMING IN AGING DATA AND WORK GROUP

02:15:33.000 --> 02:15:41.000

EXACTLY THE TYPES OF ISSUES ACROSS THE AGENCY, AND
ACROSS THE PROGRAMS THAT TOUCH OLDER ADULTS

02:15:41.000 --> 02:15:52.000

LOOKING FOR THAT AS A VEHICLE TO ENRICH THE PROGRAM
CAPABILITIES AND FOCUS ON OLDER ADULTS OVER TIME

02:15:52.000 --> 02:15:59.000

SO, THIS IS A PRELIMINARY NOT IN DIRECTION, BUT THERE IS
MORE THAT CAN BE DONE. GO AHEAD TO THE NEXT SLIDE

02:15:59.000 --> 02:15:59.000

GOING TO TURN IT OVER TO DISCUSS SOME ALTERNATIVES AND
ADDITIONAL OPTIONS FOR THOSE TO CONSIDER.

02:15:59.000 --> 02:16:24.000

>> ALL RIGHT?

02:16:24.000 --> 02:16:44.000

>> ALL RIGHT THANK YOU, GO OVER THIS QUICKLY, ON THIS, IT IS
REDUNDANT WITH WHAT I AM ASSUMING THE STAFF PICKED OUT,
STILL NOT CLEAR ON THE PROCESS AND DECISION MAKING
PROCESS FOR THAT, THIS IS WHAT THE STAFF AND CONSULTANTS
CAME UP WITH, AND THEN THERE IS THE SUB COMMITTEE ON
ECONOMIC SECURITY CAME UP WITH.

02:16:44.000 --> 02:17:14.000

I SAY JUST THINKING ABOUT THE ECONOMIC SECURITY GOALS.
WHEN IT COMES TO THINKING ABOUT THE ECONOMIC SECURITY,
YOU HAVE A FEW DIMENSIONS, AND, ONE IS INCOME AND INCOME

ADD QUESTION SI MEASURED BY ELDER INDEX AND FEDERAL POVERTY LEVEL

02:17:31.000 --> 02:17:51.000

BUT AS HIGHLIGHTED IN GOAL 4 RECOMMENDATIONS, POLICY RECOMMENDATIONS ALSO CONSIDERATIONS AROUND WHAT ARE THE VARIOUS RESOURCES THAT PEOPLE HAVE TO SUPPLEMENT THE INCOME, AND, RETIREMENT INCOME, ASSETS OR STATE AND FEDERAL PROGRAMS, SO, ONE THING I WANT TO HIGHLIGHT, IS WE HAVE A LITTLE, WE ARE PROPOSING A DIFFERENT DATA SOURCE, THINKING ABOUT SOME OF THIS, IF YOU WANT TO DO DETAILED DEMOGRAPHIC ANALYSIS, I WANT TO SAY, HAVE WONDERFUL RESOURCES IN TERMS OF DIVING DEEP INTO HEALTH AND CARE GIVING

02:17:51.000 --> 02:18:07.000

HAS A LARGER SAMPLE SIZE THAT ALLOWS US TO DIVE INTO YOU KNOW VARIOUS RACE GENDER CROSS CUTS, ALSO HAS MORE ACCURATE INCOME DATA, IN SO FAR AS WE ARE CONCERNED ABOUT INCOME ISSUES I AM PUSHING FOR USING THE ACS FOR THIS ANALYSIS.

02:18:07.000 --> 02:18:37.000

SO, THEN THE LAST THING ON THIS LIST, THE, WHAT WE PROPOSED, THERE IS A LOT OF OVERLAP, WHAT WE PROPOSED AND WHAT ENDED UP ON THE STAFF LIST, THAT LAST ONE, LOOKS LIKE IT WAS A PASTED OVER

02:19:00.000 --> 02:19:30.000

IT IS A TAKE UP, SUPPOSED TO BE A TAKE UP RATE, LOOKING AT THE NUMBER OF SENIORS WHO HAVE FOOD INSECURITY, RIGHT, AND, THEN ES SEASON SHLLY SAY HOW MANY OF THEM ARE BEING SERVED BY CAL FRESH, A LOT OF ELEMENTS, WHERE

THERE IS A WAY TO MEASURE IT, ONE IS LOOKING FORWARD, YOU KNOW, PEOPLE DON'T ARRIVE AT RETIREMENT WITH RETIREMENT INCOME, THEY BUILD RETIREMENT RESOURCES OVER A LONG TIME OF WORK, SO, REALLY LOOKING AT WHAT IS HAPPENING IN THE LIFE CYCLE, LEADING UP TO RETIREMENT, IN TERMS OF RETIREMENTS

02:19:30.000 --> 02:19:46.000

REALLY IMPORTANT. AND, ONE THING IS THAT IS AVAILABLE FOR A STATE LIKE CALIFORNIA AT THE STATE LEVEL BUT NOT AT THE COUNTY LEVEL. ALSO LOOKING AT THE IMPACT OF MEDICAL DEBT. AND THE IMPACT OF CARE GIVING, ESPECIALLY IN TERMS OF HOUSEHOLD FINANCES RIGHT IN TERMS OF LOST EARNINGS,

02:19:46.000 --> 02:20:07.000

SOME OF THAT IS AVAILABLE, SO, ANOTHER IMPORTANT THING.

02:20:07.000 --> 02:20:16.000

SOME GOOD INDICATORS IN TERMS OF HOUSING COST, ACS AND COMPARING TO INVENTORY OF AFFORDABLE HOUSING AVAILABLE IN CALIFORNIA, AND FINALLY, ANOTHER IMPORTANT ELEMENT OF ECONOMIC SECURITY IS WORK OPPORTUNITY, AND, AGAIN THERE IS GOOD DATA OUT THERE AS WELL

02:20:16.000 --> 02:20:46.000

AND FINALLY WE HAD A DATA DEFICIT WAS IN SORT OF THE SAFETY AND PUBLIC DISASTER RESPONSE AREA.

02:20:47.000 --> 02:21:17.000

SO, I THINK IS THAT IT OR MORE? OKAY. SO ONE THING I WANT TO HIGHLIGHT IS THAT CARE GIVING, MOST IS DONE BY UNPAID CAREGIVERS, AND TREMENDOUS ECONOMIC CONSEQUENCES

AND SOMETHING WE REALLY NEED TO PAY ATTENTION TO, NOT JUST PEOPLE IN THE PAID CAREGIVER SYSTEM.

02:21:30.000 --> 02:22:00.000

SO LOOKING AT THE RESOURCES THAT ARE THERE, AND THE SYSTEM LEVEL DATA TO RELIEVE CAREGIVERS, IN TERMS OF PSYCHOLOGICAL STRESS AND FINANCIAL STRESS. AND THEN ANOTHER MAJOR POINT IS WITH REGARD TO THE BUILD UP OF RETIREMENT ASSETS, THERE IS A STATEWIDE PROGRAM, I WANT TO SORT OF GO--STATE LAUNCHING A STATEWIDE AUTOMATIC IRA FOR WORKERS WHO DON'T HAVE ACCESS TO WORKPLACE RETIREMENT PROGRAM, THERE IS AN EMPLOYER MANDATE THAT WILL BE ENFORCED FOR THE PROGRAM TO TAKE EFFECT.

02:22:32.000 --> 02:23:02.000

SO ROLLING OUT BY FIRM SIZE WITH LARGEST FIRMS THEIR DEADLINE IS COMING UP IN SEPTEMBER AND NEXT YEAR IS GOING TO BE 2 YEARS MORE UNTIL FULL ROLL OUT FOR ALL FIRMS ABOVE FIVE OR MORE EMPLOYEES SO, I THINK IT WILL BE INTERESTING TO SEE DATA, IN TERMS OF HOW MANY ARE SAVING AND HOW MUCH IS SAVING, THIS IS SOMETHING THAT WILL HAVE IMPACT ON THE STATE BUDGET IN TERMS OF WHAT THE STATE NEEDS TO SPEND ON SUPPORTING SENIORS IN THE FUTURE, THAT SIT FOR THIS LIST. SO AGAIN THERE IS A BIG GAP HERE, AED

02:23:04.000 --> 02:23:12.000

IN TERMS OF HELPING STATE AND UTILITIES PREPARE RIGHT AND PUBLIC SAFETY AGENCIES PREPARE BETTER FOR THE NEXT GO AROUND.

02:23:12.000 --> 02:23:35.000

NOW A LOT OF FOLKS LIKE TO WEIGH IN, FANTASTIC, FIRST IN CUE, IS

02:23:35.000 --> 02:24:05.000

>> THANK YOU, THAT WAS REALLY VERY HELPFUL, LIKE--IF WE GO BACK TO THE FIRST PRESENTATION TODAY, REGARDING DATA THAT IS AVAILABLE, THERE IS ACTUALLY--THERE ARE A LOT OF REQUIREMENTS RELATED TO DISASTER PREPAREDNESS AND HOUSING CARE AND SERVICES FOR OLDER ADULTS IN DIFFERENT SETTINGS.

02:24:05.000 --> 02:24:08.000

SO, THERE MIGHT BE A OPPORTUNITY TO ALIGN AT LEAST INITIALLY, SOME OF THAT DATA. EVEN THOUGH IT MAY NOT BE AS BROAD BASED AS WE MIGHT WANT FOR THE STATE. MIGHT BE A STARTING POIN, SIMILAR TO WHAT WE SAW EARLIER IN THE SNIFF INFORMATION AVAILABLE. THAT MIGHT BE A STARTING POINT IN TERMS OF LOOKING AT SOME OF THE INFORMATION GAPS AND REGULATORY REQUIREMENTS FOR DISASTER PREPAREDNESS.

02:24:08.000 --> 02:24:38.000

>> GREAT THANK YOU.

02:24:56.000 --> 02:25:18.000

>> THANK YOU, REALLY AWESOME WORK GOAL 4 TEAM, AND THANK YOU FOR WALKING US THROUGH IT, I THINK ON THE OBJECTIVE 4.3 I WAS WONDERING IF THERE MIGHT BE SOMETHING FROM THE OFFICE OF EMERGENCY SERVICES THAT HAS SOMETHING ABOUT I AM MAKING THIS UP TO BE HONEST BUT SOMETHING LIKE CITIES THAT HAVE DISASTER PREPAREDNESS PLANNING THAT EVEN MENTION OLDER ACULTS IN ANY WAY SHAPE OR FORM, MIGHT BE A NICE SYSTEM MEASURE IN THE REALM THAT GETS TO SOMETHING I THINK BIGGER THAN THE CARE DELIVERY SYSING

02:25:18.000 --> 02:25:41.000

WERE RELATED TO SERVICE PROVISION LIKE RESPITE CARE OR RESOURCE CENTER, THE QUESTION FOR ME AND MY MIND WOULD THEY BE BETTER SERVED IN A DASHBOARD RELATIVE TO ANOTHER GOAL, OPPOSED TO GOAL 4, MAYBE GETS TO A BIGGER QUESTION, THAT I WILL LAY OUT FOR YOU.

02:25:41.000 --> 02:26:02.000

IS THAT THERE MAY BE SOME GOALS THAT REALLY HAVE A NICE EQUAL BALANCE OF A PERSON-LEVEL GOAL AND SYSTEM-LEVEL MEASURE, AND MAYBE SOME THAT JUST WEIGH A LITTLE BIT HEAVIER TOWARDS EITHER THE SYSTEM SIDE OR PERSON SIDE. IN THE EARLY VERSIONS OF THE DASHBOARD

02:26:02.000 --> 02:26:13.000

AND I AM THINKING GOAL 4 MIGHT BE BECAUSE OF THE RICHNESS OF THE DATA WE ACTUALLY HAVE ON PEOPLE IN TERM OFS RI TIREMENT SECURITY, NOT SO MUCH NECESSARILY THE SAFETY KIND OF, THE 4.2, BUT, THEY LEND ITSELF TO BE PERSON RELATED AT THIS EARLY TIME

02:26:13.000 --> 02:26:43.000

IN MANY WAY THAT'S OKAY, SHOWING DATA GAPS ARE CRITICAL TO THINK WHAT ARE THE DATA WE WANT TO SHOW IN THE FUTURE.

02:26:49.000 --> 02:27:16.000

>> HELLO, I WANTED TO ECHO FIRST OFF GREAT JOB, I THOUGHT THAT YOUR BREAK DOWN WAS GREAT I LIKED YOUR ANALYSIS ABOUT THE ACS VERSUS THE CHIS AND ROBUSTNESS OF THE SURVEY. ONE THING AS FAR AS THE EMERGENCY PREPAREDNESS AS A MEASURE.

02:27:16.000 --> 02:27:28.000

I AM WONDERING IF THERE IS DATA AVAILABLE, I DON'T KNOW, IF THERE IS ABOUT SENIORS INVOLVED IN VARIOUS PROGRAMS, WHO, IF THEY HAVE CURRENTLY BEEN ASSESSED FOR THEIR NEEDS WITHIN EMERGENCY PREPAREDNESS SITUATION AND HAVE A MANAGED PLAN IN PLACE IN CASE OF IF SITUATIONS

02:27:28.000 --> 02:27:30.000

IT WOULD BE A GREAT THING TO LEFRNL THE PROGRAMS TO HAVE THEM, MAKE SURE THEY HAVE THE PLANNING IN PLACE, THANK YOU.

02:27:30.000 --> 02:28:00.000

>> THANK YOU.

02:28:06.000 --> 02:28:15.000

>> SO, AGAIN, KUDOS GREAT JOB, ONE THING THAT I DID WANT TO HIGHLIGHT THAT SEEMED TO BE A MISSING POINT WAS AROUND FRAUD. AS FAR AS ASSETS BEING, OF OLDER ADULTS THEY WORK SO HARD TO ACCUMULATE, BEING STRIPPED AWAY FROM THEM. AND, KNOWING HOW MUCH OLD R ADULTS ARE TARGETING FOR FRAUD SPECIFICALLY, I THINK THAT PERHAPS LOOKING AT THAT AS INCIDENTS OF FRAUD REPORTED

02:28:15.000 --> 02:28:16.000

EVEN THOUGH WE KNOW A LOT GOES UNREPORTED UNFORTUNATELY. AND A LOT OF FACTORS INVOLVED IN THAT, BUT JUST WANT TO ELEVATE THAT, AS ONE CONSIDERATION.

02:28:16.000 --> 02:28:19.000

TO TAKE A LOOK AT.

02:28:19.000 --> 02:28:29.000

>> GREAT THANK YOU.

02:28:29.000 --> 02:28:59.000

>>

02:29:00.000 --> 02:29:28.000

>> THANK YOU, EXCELLENT WORK, AND PROBABLY SHOWS THAT I KNOW A LOT ABOUT THE OTHERS AND YOU KNOW, CRITICAL PERSON, THAT THIS SEEMS REALLY REALLY GOOD, OTHERS PROBABLY REALLY GOOD TOO. JUST BUILDING ON HER OBSERVATION, I THINK ONE THING WE THOUGHT A LOT ABOUT, IS AGENCIES OR COUNTIES WHO HAVE REGISTRIES OF OLDER PEOPLE, AND THOSE WITH DISABILITIES WHO AREN LIKELY TO BE ABLE TO YOU KNOW EVACUATE BY THEMSELVES, NOW THEY ARE STRUCTURE MEASURE AT A VERY BROAD LEVEL

02:29:28.000 --> 02:29:47.000

SIMILARLY IN THE FINANCE SHLG ABUSE SITUATION I THINK YOU CAN LOOK AT FINANCIAL INSTITUTIONS THAT HAVE POLICIES AND PROCEDURES IN PLACE, THAT PROTECT PEOPLE LIKE I RAN INTO THAT MYSELF, RECENTLY, A BANK REACHED OUT TO ME, AND SAID IS THIS REALLY SUPPOSED TO HAPPEN, I HAVE NEVER SEEN THAT BEFORE, THAT WAS KIND OF COOL, AND, IN TERMS OF ECONOMIC SECURITY STRAIGHT UP, I THINK 72% OF OLDER CALIFORNIANS OWN THEIR REZ DENS.

02:29:47.000 --> 02:30:08.000

AND I THINK HOME EQUITY MIGHT BE ANOTHER THING TO TRACK IF IT IS NOT IMPLIED NOT BEING A ECONOMIST I MISS STUFF, BUT

WHAT THE LEVEL OF EQUITY IS AND BREAKING THAT DOWN ACROSS RACE AND ETHNICITY I THINK WOULD BE REALLY IMPORTANT.

02:30:08.000 --> 02:30:20.000

>> YEA, I WANT TO SPEAK TO THAT, THAT IS FOLDED UNDER THE HOUSEHOLD NET WORTH PIECE, BUT ALSO WITHOUT GETTING INTO THE LELS, THE ISSUE OF RISING SENIOR MORTGAGE DEBT

02:30:20.000 --> 02:30:23.000

THEY ARE GOING INTO RETIREMENT WITH A LOT OF DEBT. THAT'S ANOTHER PIECE.

02:30:23.000 --> 02:30:44.000

>> OKAY, RAMON

02:30:44.000 --> 02:30:56.000

>> YES, SOY AM NOT SURE HOW MUCH THIS GOES UNDER GOAL 4 OR COVERING IT IN GOAL 1, BUT SINCE MOST CARE GIVING COMES FROM FAMILY CAREGIVERS I THINK IT IS CRITICAL WE MAKE SURE THAT PART OF THE SYSTEM IS WORKING AND WHAT EXTENT, IN TERMS OF AFFORDABILITY,

02:30:56.000 --> 02:31:23.000

THAT IS ONE OF THE FACTORS HERE IN NUMBER 4, REDUCED LONG TERM CARE COSTS I THINK A LOT OF THAT IS ASSUMING THAT FMLY MEMBERS ARE GOING TO BE ABLE TO DELIVER THIS CARE

02:31:23.000 --> 02:31:46.000

HOWEVER IF WE DON'T HAVE ANY WAY OF MEASURING HOW LIKELY WE ARE MAKING THAT, THEN I DON'T KNOW THAT WE ARE GOING TO DO A GOOD JOB AT MEASURING. FAMILY CAREGIVER SITUATION, THAT IS WHY I PROPOSED AT LEAST TRACKING CARE, SOMETHING LIKE THAT TO SEE WHERE, AND HOW MUCH, EXTENT WE FAIL THERE, THEN, WE LET THE FAMILY CARE GIVING SYSTEM FALL APART

02:31:46.000 --> 02:32:16.000

I THINK IT IS IMPORTANT TO LOOK AT VARIABLES, RATHER THAN JUST OUT COMES, I MEAN, YOU KNOW, THIS BAD NUMBER GOES UP OR THEN WE GO WHAT DO WE DO, HOW ABOUT IF WE HAVE A NUMBER THAT MEASURES THINGS WE KNOW WOULD HELP, AND THEN YOU KNOW, INSTD OF WAITING FOR NUMBERS TO GO UP, WE TRY TO MAKE THE GOOD ONES GO UP AND NEED MORE CARE OR SOMETHING LIKE THAT

02:32:26.000 --> 02:32:56.000

MAYBE THE ISSUE WILL BE COVERED UNDER GOAL 1, THAT WILL BE GREAT, BUT I DON'T WANT US TO LOSE SIGHT OF WHAT IS THE HEART OF THE LONG TERM CARE, ONE QUESTION PROCEDURALLY, YOU KNOW, THE TEAM GETS TOGETHER, WE MAKE A LIST, SEND IT IN, AND SEE A SLIDE THAT TELLS U YOU KNOW, WHAT IS ACCEPTABLE, WHAT IS THE PROCESS, WHAT HAPPENS AFTER WE SEND IT IN, WHO MAKES UP THE FINAL SLIDE?

02:32:58.000 --> 02:33:12.000

>> WE HAVE A TEAM, ALL WORKING TOGETHER ON THE DAY-TO-DAY LIFTING OF PRODUCING VISUALIZATIONS, OUR WORK IS INFORMED BY ALL OF THE INPUT THAT ALL OF YOU HAVE PROVIDED AS WELL AS OTHER TAKE HOLDERS WHO HAVE WEIGHED IN, AS WELL AS EXPERIENCE THAT EVERYBODY ON THE WORK GROUP HAS IN BUILDING DASHBOARDS LIKE THESE

02:33:12.000 --> 02:33:29.000

AS I MENTIONED WE ARE WORKING WITH AGENCY DATA SUBGROUP TO TRY AND ALIGN THIS DASHBOARD WITH OTHER DASHBOARDING EFFORTS AT THE AGENCY LEVEL

02:33:29.000 --> 02:33:33.000

SO, IT'S REALLY A LOT OF DIFFERENT INPUTS THAT ARE GOING INTO IT, AND AS WE HAVE SAID, WE ARE GOING TO TAKE FIRST, AND ACKNOWLEDGE WE IMPROVE OVER TIME

02:33:33.000 --> 02:34:03.000

I SEE HE HAD THEIR HAND UP.

02:34:06.000 --> 02:34:31.000

>> THANK YOU SO MUCH FOR BRINGING IN THE ACS DATA BASE, I THINK THAT IS GOING TO BE HELPFUL FOR TRYING TO LOOK AT ACROSS OUR INCOME LEVELS, PARTICULARLY AS YOU KNOW WE DISCUSS WE DON'T HAVE VERY MANY THING THAT IS ARE LOOKING AT MIDDLE INCOMES AND I WAS--EARLY ON RAISED MY HAND AND THEN YOU ANSWERED THE QUESTION AROUND WE SHOULD BE LOOKING AT AFFORDABLE HOUSING AND PEOPLE ARE SPENDING ON RENT OR MORTGAGE PAYMENT

02:34:31.000 --> 02:34:47.000

SO, I REALLY APPRECIATE THAT, I STILL THINK THAT MANY OF THE INDICATORS ARE STILL KIND OF LOOKING AT THAT LOWER INCOME LEVEL, SO I STILL THINK WE ARE MISSING OUT A LOT OF INDICATORS FOR THE MIDDLE INCOME FAMILIES.

02:34:47.000 --> 02:35:17.000

>> THANK YOU FOR BRINGING THIS UP, I HAD IN THE BACK OF MY HEAD, REGARDING THE MIDDLE INCOME, RIGHT A LOT OF FOCUS ON THE BOTTOM, ALSO THE ISSUE OF DOWNWARD MOBILITY, HUGE ISSUE WHEN IT COMES TO RETIREMENT.

02:35:20.000 --> 02:35:22.000

FEDERAL POVERTY LEVEL, 200%, ELDER INDEX IS NOT GOING TO MEASURE, REALLY IT IS INCOME REPLACEMENT RATES, AGAIN THAT IS SOMETHING THAT WE COULD, IT IS HARDER BUT SOMETHING WE CAN LOOK AT IN TERMS OF WHAT SHOULD BE THE GOAL. RIGHT? AND, ALSO WHAT'S HAPPENING IN TERMS OF THE IMPACT OF SORT OF THE DONUT HOLE AND LABOR MARKET WHEN YOU ARE OLDER, YOU CAN STAY ON THE HIGH SKILL JOBS OR IN THE LOW, NO MIDDLE INCOME JOBS

02:35:22.000 --> 02:35:33.000

THOSE ARE HARD TO COME BY

02:35:33.000 --> 02:35:45.000

WHAT IS THE IMPACT OF THAT, I DO THINK THERE IS A LOT OF WORK TO BE DONE, LOOKING AT THE ISSUE OF MIDDLE CLASS DOWNWARD MOBILITY

02:35:45.000 --> 02:36:14.000

>> I THINK IT IS GOING TO BE PARTICULARLY IMPORTANT FOR OUR ETHNIC POPULATIONS REALLY GOING TO BE HARDER

02:36:14.000 --> 02:36:22.000

>> YEA, SORRY TO INTERRUPT YOU, ANOTHER THING I WANT TO FLAG, IS WHAT IS HAPPENING WITHIN THE LATINO COMMUNITY PEOPLE DON'T HAVE ACCESS TO SOCIAL SECURITY, AND CITIZENSHIP, MEDICARE AND ALL OF THE SERVICES ESPECIALLY

IN THE CENTRAL VALLEY WHAT IS GOING TO HAPPEN, I DON'T KNOW ABOUT DATA, BUT AS A ECONOMIC SECURITY ISSUE FOR CALIFORNIA THAT IS A HUGE ONE TO LOOK OUT FOR

02:36:22.000 --> 02:36:29.000

>> THANK YOU SO MUCH, I REALLY WANT TO SAY, I AM DMRAD YOU BROUGHT IN A NEW DATA SOURCE.

02:36:29.000 --> 02:36:59.000

>> THIS IS KIM I HAVE THE JOB OF CUTTING OFF THIS VERY RICH CONVERSATION.

02:37:08.000 --> 02:37:38.000

ONE MINUTE OF OBSERVATION BEFORE WE HAVE PUBLIC COMMENT, WE HAVE 38 PARTICIPANTS AND ONE HAND ALREADY UP, I WILL BE QUICK I WANT TO SPEAK TO PROCESS, THE PROCESS, THIS IS ABSOLUTELY, THE STAKEHOLDER RECOMMENDATION PART OF THE PROCESS, SO, YOUR RECOMMENDATIONS ARE THE DRIVERS, STAFF AT CDA AND TEAM HAVE--ARE HERE TO TAKE SOME OF THE WORKLOAD OFF OF PEOPLE IN TERMS OF WRITING DOCUMENTS AND PREPARING SLIDES, THIS IS ABSOLUTELY YOUR RECOMMENDATION, SO, AS WAS SAID EARLIER, SECT 15, IS THE FINAL SAC

02:37:58.000 --> 02:38:05.000

RECK MINNESOTA DAGSS FROM THE COMMITTEE SHOULD COME IN, REFLECTING YOUR VOICE. THE NEXT PHASE WILL BE ADMINISTRATION DEVELOPMENT OF THEIR--OF AUR MASTER PLAN INFORMED BY RECOMMENDATIONS AND PUBLIC COMMENT AND INFORMED BY LEGISLATIVE ROUN TABLES, SO, WHAT COMES IT IN DECEMBER, WILL LOOK DIFFERENT FROM WHAT IS RECEIVED FROM THE STAKEHOLDERS IN OCTOBER, PART OF THE PROCESS, AND THAT OF COURSE ENGAGES THE CABINET WORK GLUP

SCOMB GOVERNOR'S OFFICE THEMSELVES, SO, WE HOPE THAT YOU COME IN VERY CING

02:38:05.000 --> 02:38:18.000

THAT IS THE ROLE, SUPPORT THE STAKE HOEDER AND ADMINISTRATION PROCESS, HAPPY TO CONTINUE THE ACRESS THAT

02:38:18.000 --> 02:38:30.000

WE WANT YOUR VOICES LOUDLY HEARD AND APPRECIATE UNDERSTANDING, IT'S BEEN A CHALLENGING SUMMER ALL AROUND, LET US GET IT RIGHT IN THE REMAINING COUPLE WEEKS AND DAYS OF YOUR VOICES HEARD

02:38:30.000 --> 02:38:54.000

TO THAT END I WANT THE HEAR SOME MORE VOICE INS THE CONVERSATION ARE THERE PARTICIPANTS WHO WOULD LIKE TO XHEPT?

02:38:54.000 --> 02:39:21.000

>> I DON'T SEE ANY HANDS UP, REMINDER IF YOU HAVE A COMMENT, YOU CAN USE THE RAISE HAND ICON ON YOUR TOOLBAR, IF YOU ARE DIALLING IN, THE COMMAND IS STAR 9 THAT WILL RAISURE HAND IN THE WEBINAR PLATFORM AND PUT YOU IN THE CUE, LOOKS LIKE WE HAVE A RAISED HAND FROM RACHEL, YOUR LINE IS OPEN.

02:39:21.000 --> 02:39:51.000

>> HI, THANK YOU FOR LETTING ME CHIME IN HERE, AND FOR ALL OF YOUR WORK, YOUR VOLUNTARY WORK ON THE COMMITTEE. I WAS REALLY EXCITED WHEN THE GOVERNOR OFFERED THIS, I AM COMING FROM THE PERSPECTIVE AS A MEDICAL PROVIDER AS

ALSO A CURRENT FULL-TIME ASIDE FROM RESPITE CAREGIVER
FOR A PARENT

02:40:21.000 --> 02:40:51.000

SO, THIS IS REALLY IMPORTANT FOR ME AND MY FAMILY, COUPLE THINGS I WANTED TO MENTION I AM SORRY THAT I DID MISS A SMALL PORTION OF THE PRESENTATION, SO I MAY HAVE--I MAY SAY SOMETHING THAT SOMEONE SAID. BUT, ONE OF THE GOOD PLACES THAT COULD BE A SOURCE OF INFORMATION ABOUT DISABILITY AND AGING, THOUGH OBVIOUSLY THOSE ARE NOT ALWAYS THE SAME, IS THE CENTER FOR INDEPENDENT LIVING. CENTERS FOR INDEPENDENT LIVING THAT ARE LOCATED I THINK IN DIFFERENT PARTS OF THE STATE, AND I KNOW THAT THEYFE

02:40:54.000 --> 02:41:17.000

I KNOW FROM THE LABOR CENTER MENTIONED THAT AND CHRIS AS WELL, THE TRUTH IS YES THAT FAMILY CAREGIVERS LIKE MYSELF ARE PROVIDING THE MAJORITY OF CARE. IF YOUR FAMILY MEMBER IS NOT LIVING, HAS NOT BEEN MOVED TO ASSISTED LIVING OR NURSING FACILITY, AND, I THINK ONE OF THE DEMOGRAPHIC PIECES OF DATA THAT COULD BE GATHERED THAT MIGHT BE HELPFUL, NOT INSLY PREDICTIVE OF CARE PROVIDED

02:41:17.000 --> 02:41:47.000

IS JUST CENSUS DATA, OR DATA FROM EITHER THE ACS OR CHIS ON FAMILY STRUCTURES AND, WHO, WHAT FAMILIES ARE HAVING OLDER ADULTS LIVING WITH THEM, AND I THINK THAT WOULD ALSO I THINK GIVE US SOME INDICATION OF SOCIAL ISOLATION

02:41:57.000 --> 02:42:03.000

ANOTHER THING I DID NOT HEAR MENTIONED A LOT OF, I KNOW PROBABLY NOT THAT MUCH DATA ON IT. GIVEN WE ARE IN COVID-19, I THINK IT IS IMPORTANT FOR OLDER ADULTS TO LOOK AT

THEIR SOCIAL CONNECTIONS. BECAUSE THAT ALSO GETS INTO WHAT WE ARE TALKING ABOUT ARE THEY ABLE TO STAY IN THEIR COMMUNITIES AND HOMES, SO, IF THERE IS ANY OPENING FOR ADDING NEW QUESTIONS, TO ANY OF THOSE TOOLS, I THINK THAT WOULD BE HELPFUL, SOMETHING HAVING TO DO WITH SOCIAL ISOLATION.

02:42:03.000 --> 02:42:18.000

>> THANK YOU. ANY OTHER PUBLIC COMMENTS?

02:42:18.000 --> 02:42:48.000

>> GIVE IT A MINUTE I WANT TO ACKNOWLEDGE COMMITTEE MEMBERS WITH THEIR HANDS UP WE WILL GO BACK TO, GIVE THEM A MOMENT.

02:42:49.000 --> 02:43:08.000

>> I WANTED TO MENTION I THINK IT'S BEEN BROUGHT UP IN OTHER PLACES FOR THE MASTER PLAN, BUT UNDER THE BEHAVIOR HEALTH THERE IS THE VILLAGE MOVEMENT CALIFORNIA WHO ARE PROMOTING AND SUPPORTING AT THIS POINT BY GIVING US LOTS OF TECH HELP AND HOW TO MOVE AHEAD IN LIFE

02:43:08.000 --> 02:43:28.000

WHICH IS REALLY NEIGHBORHOOD GROUPS OF SENIORS WHO ARE THERE TO SUPPORT EACH OTHER AS MUCH AS WE CAN, SOME OF THE GROUPS ARE FAIRLY LARGE AND HAVE BEEN AROUND A WHILE AND DOING A LOT MORE THAN OTHERS BUT I THINK THE MOVEMENT IS SOMETHING TO LOOK AT IN MATERIALS OF BEHAVIOR HEALTH.

02:43:28.000 --> 02:43:41.000

>> THANK YOU OTHER PUBLIC COMMENTS?

02:43:41.000 --> 02:44:11.000

>> I DON'T KNOW IF YOU CAN DO THE PIVOT ALLOW IF THEY WANT TO RAISE THEIR HAND KEEP A TRACK ON THAT, I MROOEF THEY HAVE HAIR HANDS UP, HEAR FROM THEM AS THE LAST TWO COMMITTEE MEMBERS.

02:44:19.000 --> 02:44:39.000

>> SOMEONE SAID THEY DID NOT KNOW IF EVERY CITY AND CONTY HAD AN EMERGENCY PLAN. AND, AB 2311, IT IS CALLED EMERGENCY SERVICES ACCESS AND FUNCTIONAL NEEDS AND EMERGENCIES, THAT WAS A BILL I AUTHORED, WHEN I WAS IN THE ASSEMBLY. AND THAT BILL SAYS THAT EVERYONE HAS TO HAVE A PLAN

02:44:39.000 --> 02:44:44.000

ALL THE PLANS BUZZ OF THIS BILL HAVE TO BE UPDATED AND AS THEY ARE UPDATED CERTAIN THINGS HAVE TO BE LOOKED AT. IF YOU WANT TO, IT'S ONLINE, LOOK AT AB 2311, AND THERE IS INFORMATION THAT WOULD HELP IN THAT QUESTION THAT SOMEONE HAD.

02:44:44.000 --> 02:44:46.000

>> THANK YOU

02:44:46.000 --> 02:45:04.000

>> YOU'RE AWESOME

02:45:04.000 --> 02:45:18.000

>> THAT IS HAPPENING IN REALTIME, AS I KNOW YOU KNOW, FRANKLY TO RACHEL'S COMMENT IN PARTNERSHIP WITH THE

CALIFORNIA FOUNDATION FOR INDEPENDENT LIVING CENTERS TO MAKE SURE SIGNS ARE ACCESSIBLE AND TRANSPORTATION AND DIETARY NEEDS AND REALTIME CONVERSATIONS AND RIGHT ON POINT

02:45:18.000 --> 02:45:44.000

>> THE REASON WE DID IT BECAUSE OF THE FIRES AND SHOOTING WITH PEOPLE WHO WERE DEAF DID NOT KNOW WHAT WAS GOING ON. THEY KNEW SOMETHING, BUT DID NOT KNOW.

02:45:44.000 --> 02:46:07.000

AND UP IN BAY AREA, UP IN NAPA WHERE THEY HAD THE BIG FIRE, SOMEBODY WOULD COME TO HELP THE SENIORS TAKE THEM OUT OF THE WHEELCHAIR AND IN A VAN OR IN A TRUCK, AND LEAVE THE WHEELCHAIR BEHIND, SO, THERE WAS NO PLAN, THIS LEGISLATION SAYS YOU HAVE TO HAVE A PLAN FOR SENIORS AND FUNCTIONAL NEEDS

02:46:07.000 --> 02:46:37.000

>> MY COMMENT REALLY WAS DOVE TAILS ALONG WITH COMMENTS THAT THEY WERE MAKING AROUND DOWNWARD MOBILITY I WAS GOING TO ELEVATE THE IMPORTANCE OF LOOKING AT YOU KNOW EQUITY ISSUES WITHIN THIS FRAME. BECAUSE OF YOU KNOW A HOST OF FACTORS

02:46:48.000 --> 02:46:58.000

MENTIONED LATINO COMMUNITY AND YOU KNOW THE IMPACT OF THE GREAT RECESSION ON HOUSEHOLD WEALTH IN THE COMMUNITY IS STILL BEING FELT TODAY, NO TRUE RECOVERY THERE, RIGHT, AND SO LOOKING AT SPECIFIC POPULATIONS SUBSETS IS SO IMPORTANT IF YOU LOOK AT YOU KNOW, BLACK WOMEN WHO ARE MORE LIKELY TO BE IN LOWER INCOME JOBS, MORE LIKELY TO BE SINGLE, AND MYRIAD OF FACTORS WE

SHOULD MAKE ESSENTIAL FOR US TO LOOK AT THIS TYPE OF DATA THROUGH KWILT LENS I WANT TO SAY THAT.

02:46:58.000 --> 02:47:17.000

>> THANK YOU VERY MUCH, DO YOU HAVE ANY FINAL CLOSING COMMENTS BEFORE I MAKE ONE OBSERVATION AND SEND US BACK INTO THE WORLD

02:47:17.000 --> 02:47:34.000

>> MINE ARE JUST GRATITUDE AND THANKS, AND THAT IT HAS BEEN HONOR AND PLEASURE TO WORK WITH ALL OF YOU. AND, HOPE WE CAN CONTINUE WORKING ONTO MEASURE TRACK EVALUATE IMPLEMENTATIONS OF THE MASTER PLAN MOVING FORWARD.

02:47:34.000 --> 02:48:04.000

>> AND I WAS GOING TO SAY, MANY WAYS, YOU KNOW, JUST LISTENING TO HOURSOVER DISCUSSION, AUN AT THE MASTER PLAN STAKE HOEDER COMMITTEE, WE ARE TRYING TO BOIL THE OCEAN, HARD ENOUGH, I THINK YOU ARE MAPPING THE OCEAN,

02:48:22.000 --> 02:48:26.000

I THINK AS MANY OF YOU KNOW, OCEAN IS AROUND US, AGING IS, IT IS NOT MAPS AND LEARNING ABOUT THE DELT AND CONTOURS AND CANYONS, IT IS AN EXTRAORDINARY TASK UNDERWAY HERE, ALSO IT IS ONE THAT GIVES ME THE MOST HOPE, BECAUSE I DO THINK A LOT OF WHAT E-ARE DOING ON THE LEVEL AND ORGANIZING INFORMATION AND, USABLE WAYS WILL POWER US THROUGH PANDEMIC AND RECESSION ANDS BAD TIMES AND GOOD TIMES I AM MOST OPTIMISTIC ABOUT THIS PART OF THE WORK MOVING FORWARD AND SETTING THAT FOUNDATION.
